

Journals That Publish Essays

This work presents a collection of essays that examine Victorian fiction. Emphasis is placed on Dickens, although the works of Trollope and Thackeray are also discussed.

This title examines the work of 35 artists, including Jimmie Durham, David Hammons, José Bedia, Rebecca Belmore and James Lee Byars, who began using ritualistic practices during the 1970s and 1980s as a way of reinterpreting aspects of their cultural heritage.

`A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of Writing Your Dissertation in Fifteen Minutes a Day `Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women Wendy Laura Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

How parenting became a verb, from Dr. Spock and June Cleaver to baby whispering and free-range kids. When did “parenting” become a verb? Why is it so hard to parent, and so rife with the possibility of failure? Sitcom families of the past—the Cleavers, the Bradys, the Conners—didn’t seem to lose any sleep about their parenting methods. Today, parents are likely to be up late, doomscrolling on parenting websites. In Long Days, Short Years, Andrew Bomback—physician, writer, and father of three young children—looks at why it can be so much fun to be a parent but, at the same time, so frustrating and difficult to parent. It’s not a “how to” book (although Bomback has read plenty of these) but a “how come” book, investigating the emergence of an immersive, all-in approach to raising children that has made parenting a competitive (and often not very enjoyable) sport. Drawing on parenting books, mommy blogs, and historical accounts of parental duties as well as novels, films, podcasts, television shows, and his own experiences as a parent, Bomback charts the cultural history of parenting as a skill to be mastered, from the laid-back Dr. Spock’s 1950s childcare bible—in some years outsold only by the actual Bible—to the more rigid training schedules of Babywise. Along the way, he considers the high costs of commercialized parenting (from the babymoon on), the pressure on mothers to have it all (and do it all), scripted parenting as laid out in How to Talk So Kids Will Listen, parenting during a pandemic, and much more.

The Rose Metal Press Field Guide to Writing Flash Nonfiction

55 Essential Strategies for Every Writer

Issue 1 (October - December 2019)

The Future of Reputation

WINNER OF THE 2019 NATIONAL BOOK AWARD FOR FICTION “Electrifying” (People) • “Masterly” (The Guardian) • “Dramatic and memorable” (The New Yorker) • “Magic” (TIME) • “Ingenious” (The Financial Times) • “A gonzo literary performance” (Entertainment Weekly) • “Rare and splendid” (The Boston Globe) • “Remarkable” (USA Today) • “Delicious” (The New York Times) • “Book groups, meet your next selection” (NPR) In an American suburb in the early 1980s, students at a highly competitive performing arts high school struggle and thrive in a rarified bubble, ambitiously pursuing music, movement, Shakespeare, and, particularly, their acting classes. When within this striving “Brotherhood of the Arts,” two freshmen, David and Sarah, fall headlong into love, their passion does not go unnoticed—or untoyed with—by anyone, especially not by their charismatic acting teacher, Mr. Kingsley. The outside world of family life and economic status, of academic pressure and of their future adult lives, fails to penetrate this school’s walls—until it does, in a shocking spiral of events that catapults the action forward in time and flips the premise upside-down. What the reader believes to have happened to David and Sarah and their friends is not entirely true—though it’s not false, either. It takes until the book’s stunning coda for the final piece of the puzzle to fall into place—revealing truths that will resonate long after the final sentence. As captivating and tender as it is surprising, Susan Choi’s Trust Exercise will incite heated conversations about fiction and truth, and about friendships and loyalties, and will leave readers with wiser understandings of the true capacities of adolescents and of the powers and responsibilities of adults.

Includes selections from Xenophon, Antiphon and Euripides.

Poetry. Drawings by Paul Blake. Originally published in 1977 by Good Gay Poets of Boston. "A book whose page has come. ruth weiss has been sounding these poems, alone or with jazz accompaniment, for many years. It's now ocheny chorosho that they appear for the senses of those potential poets searching for new modulations of expression; for her poems are of the rhythms of our time and the interlaced, repetitive subtleties are sewn by that 'thread for those who breathe in rags' (Vallejo) which bespeaks and sings the deep loom of the bronze lotus."--Jack Hirschman This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic (such as sermons, aphorisms), individual major works, notable writers, and periodicals that created a market for essays, and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings list, additional readings, and anthologies

Creative nonfiction is the literary equivalent of jazz: it's a rich mix of flavors, ideas, voices, and techniques—some newly invented, and others as old as writing itself. This collection of 20 gripping, beautifully-written nonfiction narratives is as diverse as the genre Creative Nonfiction magazine has helped popularize. Contributions by Phillip Lopate, Brenda Miller, Carolyn Forché, Toi Derricotte, Lauren Slater and others draw inspiration from everything from healthcare to history, and from monarch butterflies to motherhood. Their stories shed light on how we live.

If a story is going to fail, it will do so first at the premise level. Anatomy of a Premise Line: How to Master Premise and Story Development for Writing Success is the only book of its kind to identify a seven-step development process that can be repeated and applied to any story idea. This process will save you time, money, and potentially months of wasted writing. So whether you are trying to write a feature screenplay, develop a television pilot, or just trying to figure out your next story move as a writer, this book gives you the tools you need to know which ideas are worth pursuing. In addition to the 7-step premise development tool, Anatomy of a Premise Line also presents a premise and idea testing methodology that can be used to test any developed premise line. Customized exercises and worksheets are included to facilitate knowledge transfer, so that by the end of the book, you will have a fully developed premise line, log line, tagline, and a completed premise-testing checklist. Here is some of what you will learn inside: Ways to determine whether or not your story is a good fit for print or screen Case studies and hands-on worksheets to help you learn by participating in the process Tips on how to effectively work through writer’s block A companion website (www.routledge.com/cw/lyons) with additional worksheets, videos, and interactive tools to help you learn the basics of perfecting a killer premise line

“Intelligent but accessible, and often poignant . . . [by] the biggest talents on the essay and blog beat.” —Publishers Weekly (on Vol. 2) Anyone still asking, “What is creative nonfiction?” will find the answer in this collection of artfully crafted, true stories. Selected by Lee Gutkind, the “godfather behind creative nonfiction,” and the staff of Creative Nonfiction, these stories—ranging from immersion journalism to intensely personal essays—illustrate the genre’s power and potential. Edwidge Danticat recalls her Uncle Moise’s love of a certain four-letter word and finds in his abandonment of the word near the end of his life the true meaning of exile. In “Literary Murder,” Julianna Baggott traces her roots as a novelist to her family’s “strange, desperate (sometimes conniving and glorious) past” and writes about her decision, in The Madam, to kill off a character based on her grandfather. And Sean Rowe explains why, if you must get arrested, Selma, Alabama, is the place to do it. This exciting and expansive array of works and voices is sure to impress and delight.

Art for a Forgotten Faith

“A wild, rollicking ride into the heart of horse country—these essays get at what it means to love horses, in all that love’s complexity.” —Anton DiSciafani, author of The Yonahlossee Riding Camp for Girls A compelling and provocative essay collection that smashes stereotypes and redefines the meaning of the term “horse girl,” broadening it to include all horses consumed Halimah Marcus’ imagination. When she wasn’t around horses she was pretending to be one, cantering on two legs, hands poised to hold invisible reins. To her classmates, girls like Halimah were known as “horse girls,” weird and overzealous, absent from the social worlds of their peers. Decades later, when memes about “horse girls” went viral, Halimah reluctantly recognized herself. The jokes imagine girls as blinkered as carriage ponies, oblivious to the mockery behind their backs. The stereotypical horse girl is also white, thin, rich, and straight, a daughter of privilege. Yet so many riders don’t fit this narrow, damaging ideal, and relate to horses in profound ways that include passion and devotion. Featuring some of the most striking voices in contemporary literature—including Carmen Maria Machado, Pulitzer-prize winner Jane Smiley, T Kira Madden, Maggie Shipstead, and Courtney Maum—Horse Girls reframes the iconic bond between girls and horses with the complexity and nuance it deserves. And it showcases Billie, on the connection between her Seminole and Quebécois heritage; Sarah Enelow-Snyder, on growing up as a Black barrel racer in central Texas; and Nur Nasreen Ibrahim, on the colonialist influence on horse culture in Pakistan. By turns thought-provoking and personal, Horse Girls reclaims its titular stereotype to ask bold questions about identity and freedom, and the competing forces of domestication and wildness.

Four teens struggle to survive in an apocalyptic world gone mad in this “brilliant novel that is a fascinating blend between I Am Legend and The Hunger Games” (VOYA). Since the beginning of mankind, civilizations have fallen: the Romans, the Greeks, the Aztecs...and now us. Huge earthquakes rock the world. Cities are destroyed. But something has been unleashed, and it’s turning everyday people into hunters, killers, and crazies. This is the world Aries, Clementine, Michael, and Mason are living in—or rather, trying to survive. Each is fleeing unspeakable horror, from murderous chaos to brutal natural disasters, and each is traveling the same road in a world gone mad. Amid the throng, meaning wherever it can be found, these four teens are on a journey into the heart of darkness—and to find each other and a place of safety.

From the acclaimed author of Imagine Wanting Only This—a timely and moving meditation on isolation and longing, both as individuals and as a society There is a silent epidemic in America: loneliness. Shameful to talk about and often misunderstood, loneliness is everywhere, from the most major of metropolises to the smallest of towns. In this book, we explore the ways that loneliness shapes our lives, and how we can find connection of our inner lives and public selves. Radtke digs into the ways in which we attempt to feel closer to one another, and the distance that remains. Through the lenses of gender and violence, technology and art, Radtke ushers us through a history of loneliness and longing, and shares what feels impossible to share. Ranging from the invention of the typewriter to the pulling cowboy to the brutal experiments of Harry Harlow, Radtke investigates why we engage with each other, and what we risk when we turn away. With her distinctive, emotionally-charged drawings and deeply empathetic prose, Kristen Radtke masterfully shines a light on some of our most vulnerable and sublime moments, and asks how we can find connection entirely.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson’s MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, which varies from title to title. Please check with your instructor or the Pearson MyLab & Mastering Support Center for more details.
Pearson’s MyLab & Mastering products. Packages Access codes for Pearson’s MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code will not be included, and you will need to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- The Fourth Genre offers the most comprehensive, teachable, and current introduction available to creative nonfiction. While acknowledging the literary impulse of nonfiction to be a fourth genre equivalent to poetry, fiction, and drama, this text focuses on subgenres of the nonfiction form, including memoir, nature writing, personal essays, literary journalism, cultural criticism, and travel writing. This anthology was the first to draw on the work of contemporary creative nonfiction scholar and to make the pedagogical connections between creative writing practice and composition theory, bridging some of the gaps between the teaching of composition, creative writing, and literature in English departments. 0321881788 / 9780321881786 Fourth Genre, The: Contemporary Writers of/on Creative Nonfiction with NE 9780205172771 Fourth Genre, The: Contemporary Writers of/on Creative Nonfiction 020589190X / 9780205891900 NEW MyCompLab - Valuepack Access Card

Stories by writers with Southern backgrounds deal with the modern problems of life in the South

"A gorgeous and thrilling peaan to the ferocious power of women. The characters live, bleed, and roar. "—Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, The Once and Future Witches reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for The Once and Future Witches: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djöli Clark, author The Black God’s Drum For more from Alix E. Harrow, check out The Ten Thousand Doors of January.

Submit, Publish, Repeat is the definitive guide to publishing your creative writing in literary journals. It helps writers of all levels navigate the often confusing world of literary journals.In this book, you'll learn how to find the right literary journals to submit to, maximize your chances of publication, and build momentum in your writing career.Publishing in literary journals is one of the best ways to find the attention of major publishers. Many, many books deals had their origins in publication by literary journals.A literary journal is a magazine that specializes in publishing works of literary merit. Some focus on a particular genre, like science fiction or crime writing, and others publish poetry, short stories, or flash fiction. Most are open to work of all kinds. Many are open to visual art, as well.If you want to publish poetry, short stories, creative nonfiction, or any type of creative writing in literary journals, this book is for you. It gives you an easy-to-follow formula for publishing your work.

Teeming with chatrooms, online discussion groups, and blogs, the Internet offers previously unimagined opportunities for personal expression and communication. But there's a dark side to the story. A trail of information fragments about us is forever preserved on the Internet, instantly available in a Google search. A permanent chronicle of our private lives—often of dubious reliability and sometimes totally false—will follow us wherever we go, accessible to friends, strangers, dates, employers, neighbors, relatives, and anyone else who cares to look. This engrossing book, brimming with amazing examples of gossip, slander, and rumor on the Internet, explores the profound implications of the online collision between free speech and privacy. Daniel Solove, an authority on information privacy law, offers a fascinating account of how the Internet is transforming gossip, the way we shame others, and our ability to protect our own reputations. Focusing on blogs, Internet communities, cybermobs, and other current trends, he shows that, ironically, the unconstrained flow of information on the Internet may impede opportunities for

self-development and freedom. Long-standing notions of privacy need review, the author contends: unless we establish a balance between privacy and free speech, we may discover that the freedom of the Internet makes us less free.

With over 20 years of experience in the publishing industry, Writer's Relief unlocks all the insider secrets to publication success that will build up your writing credentials and reputation.

Born in Warsaw, raised in a Hasidic community, and reaching maturity in secular Jewish Vilna and cosmopolitan Berlin, Abraham Joshua Heschel (1907-1972) escaped Nazism and immigrated to the United States in 1940. This lively and readable book tells the comprehensive story of his life and work in America, his politics and personality, and how he came to influence not only Jewish debate but also wider religious and cultural debates in the postwar decades. A worthy sequel to his widely-praised biography of Heschel's early years, Edward Kaplan's new volume draws on previously unseen archives, FBI files, interviews with people who knew Heschel, and analyses of his extensive writings. Kaplan explores Heschel's shy and private side, his spiritual radicalism, and his vehement defence of the Hebrew prophets' ideal of absolute integrity and truth in ethical and political life. Of special interest are Heschel's interfaith activities, including a secret meeting with Pope Paul VI during Vatican II, his commitment to civil rights with Martin Luther King, Jr., his views on the state of Israel, and his opposition to the Vietnam War. A tireless challenger to spiritual and religious complacency, Heschel stands as a dramatically important witness.

The Author's Book Journal is a must have for anyone writing a book or a novel. It easily lets you keep track of events and characters in your chapters. There are dedicated pages for 100 chapters, plus main character profiles, secondary characters profiles and also pages to note reference research sources, acknowledgements, quotes, notes, prologue, epilogue, back cover blurb, beta readers, ARC reviews, publishing details, author details. You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches.

For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. Issue 1 also includes dedicated sections for writing tools, social media tips / tricks and more.

Federalism is regarded as one of the signal American contributions to modern politics. Its origins are typically traced to the drafting of the Constitution, but the story began decades before the delegates met in Philadelphia. In this groundbreaking book, Alison LaCroix traces the history of American federal thought from its colonial beginnings in scattered provincial responses to British assertions of authority, to its emergence in the late eighteenth century as a normative theory of multilayered government. The core of this new federal ideology was a belief that multiple independent levels of government could legitimately exist within a single polity, and that such an arrangement was not a defect but a virtue. This belief became a foundational principle and aspiration of the American political enterprise. LaCroix thus challenges the traditional account of republican ideology as the single dominant framework for eighteenth-century American political thought. Understanding the emerging federal ideology returns constitutional thought to the central place that it occupied for the founders. Federalism was not a necessary adaptation to make an already designed system work; it was the system. Connecting the colonial, revolutionary, founding, and early national periods in one story reveals the fundamental reconfigurations of legal and political power that accompanied the formation of the United States. The emergence of American federalism should be understood as a critical ideological development of the period, and this book is essential reading for everyone interested in the American story.

A special 10th anniversary edition of Roy Peter Clark's bestselling guide to writing, featuring five bonus tools. Ten years ago, Roy Peter Clark, America's most influential writing teacher, whittled down almost thirty years of experience in journalism, writing, and teaching into a series of fifty short essays on different aspects of writing. In the past decade, Writing Tools has become a classic guidebook for novices and experts alike and remains one of the best loved books on writing available. Organized into four sections, "Nuts and Bolts," "Special Effects," "Blueprints for Stories," and "Useful Habits," Writing Tools is infused with more than 200 examples from journalism and literature. This new edition includes five brand new, never-before-shared tools. Accessible, entertaining, inspiring, and above all, useful for every type of writer, from high school student to novelist, Writing Tools is essential reading.

No previous author has attempted a book such as this: a complete history of novels written in the English language, from the genre's seventeenth-century origins to the present day. In the spirit of Dr. Johnson's Lives of the Poets, acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction—from gothic, penny dreadful, and pornography to fantasy, romance, and high literature. Each author was chosen, Professor Sutherland explains, because his or her books are well worth reading and are likely to remain so for at least another century. Sutherland presents these authors in chronological order, in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work. Taken together, these novelists provide both a history of the novel and a guide to its rich variety. Always entertaining, and sometimes shocking, Sutherland considers writers as diverse as Daniel Defoe, Henry James, James Joyce, Edgar Allan Poe, Virginia Woolf, Michael Crichton, Jeffrey Archer, and Jacqueline Susann. Written for all lovers of fiction, Lives of the Novelists succeeds both as introduction and re-introduction, as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings.

The Writing Life

Anatomy of a Premise Line

A trusted editor turns his attention to the most important part of writing: revision. So you've just finished writing something? Congratulations! Now revise it. Because revision is about getting from good to better, and it's only finished when you decide to stop. But where to begin? In *On Revision*, William Germano shows authors how to take on the most critical stage of writing anything: rewriting it. For more than twenty years, thousands of writers have turned to Germano for his insider's take on navigating the world of publishing. A professor, author, and veteran of the book industry, Germano knows what editors want and what writers need to know: Revising is not just correcting typos. Revising is about listening and seeing again. Revising is a rethinking of the principles from the ground up to understand why the writer is doing something, why they're going somewhere, and why they're taking the reader along with them. *On Revision* steps back to take in the big picture, showing authors how to hear their own writing voice and how to reread their work as if they didn't write it. *On Revision* will show you how to know when your writing is actually done—and, until it is, what you need to do to get it there.

Literary Nonfiction. Writing Reference. Unmatched in its focus on a concise and popular emerging genre, THE ROSE METAL PRESS FIELD GUIDE TO WRITING FLASH NONFICTION features 26 eminent writers, editors, and teachers offering expert analysis, focused exercises, and helpful examples of what make the brief essay form such a perfect medium for experimentation, insight, and illumination. With a comprehensive introduction to the genre and book by editor Dinty W. Moore, this guide is perfect for both the classroom and the individual writer's desk—an essential handbook for anyone interested in the scintillating and succinct flash nonfiction form. How many words does it take to tell a compelling true story? The answer might surprise you. Featuring essays from: Barrie Jean Borich, Jenny Bouilly, Norma Elia Cantú, Rigoberto González, Carol Guess, Jeff Gundy, Philip Graham, Robin Hemley, Barbara Hurd, Judith Kitchen, Eric LeMay, Dinah Lenney, Bret Lott, Patrick Madden, Lee Martin, Maggie McKnight, Brenda Miller, Kyle Minor, Aimee Nezhukumatathil, Anne Panning, Lia Purpura, Sue William Silverman, Jennifer Sinor, Peggy Shumaker, Ira Sukrungruang, and Nicole Walker. "THE ROSE METAL PRESS FIELD GUIDE TO WRITING FLASH NONFICTION, edited by the invaluable Dinty W. Moore, is a lot more than flashy. These thoughtful, thought-provoking essays and exercises have the paradoxical effect of slowing down our attention and encouraging an expansion of the moment, while seeming to be saving writing and reading time. A very useful compilation."—Phillip Lopate, author of *Art of the Personal Essay* "Flash-in-the-pan? Hardly. The flash nonfiction genre has staying power, and THE ROSE METAL PRESS FIELD GUIDE TO WRITING FLASH NONFICTION will show you why. Opening with a thorough and informative history of the genre, renowned writer, editor, and teacher Dinty W. Moore assembles a cast of writers who share their expertise, suggest writing exercises, and provide exemplary models of the best flash nonfiction being written today. This book is required reading for any writer, editor, or teacher of the brief nonfiction form."—Rebecca McClanahan, author of *The Riddle Song and Other Rememberings and Word Painting*

From the First 20 Years of Creative Nonfiction Magazine

"For nonwriters, it is a glimpse into the trials and satisfactions of a life spent with words. For writers, it is a warm, rambling, conversation with a stimulating and extraordinarily talented colleague." – Chicago Tribune From Pulitzer Prize-winning Annie Dillard, a collection that illuminates the dedication and daring that characterizes a writer's life. In these short essays, Annie Dillard—the author of *Pilgrim at Tinker Creek* and *An American Childhood*—illuminates the dedication, absurdity, and daring that characterize the existence of a writer. A moving account of Dillard's own experiences while writing her works, *The Writing Life* offers deep insight into one of the most mysterious professions.

Eminent scholars discuss the politics and practices of generating scholarship in rhetoric and composition studies. *Publishing in Rhetoric and Composition* is a collection of essays about the politics and practices of generating scholarship in rhetoric and composition. The contributors to this book, many of whom are current or past editors of the discipline's most prestigious scholarly journals, undoubtedly have their finger on the pulse of composition's most current scholarship and offer invaluable insight into the production and publication of original research. They discuss publishing articles and reviews, as well as book-length projects, including scholarly monographs, edited collections, and textbooks. They also address such topics as how composition research is valued in English departments, recent developments in electronic publishing, the work habits of successful academic writers, and the complications of mentoring graduate students in a publish-or-perish profession. An inviting and helpful tone makes this an ideal textbook for research methodology and professional writing courses.
