The BPP Study Text provides a comprehensive treatment of the updated ACCA syllabus for P4. It addresses all learning outcomes and the higher skills required in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions.

The examining team reviewed P2 Practice & Revision Kit provides invaluable guidance on how to approach the exam and contains many of the long, case study questions that you will find in the exam. Three mock exams provide you with more essential practice and marking schemes show you how the examiner awards marks.
