Stories from My Life  
The Last Thing He Told Me

**Graduating from high school is a big step for any girl. She is leaving her childhood behind and beginning the rest of her life. She is also leaving her mother's protective circle of love and guidance. One of the greatest gifts a mother can give her daughter at this pivotal moment in her life is good counsel. In *And One More Thing Before You Go...Maria Shriver, bestselling author, acclaimed journalist, First Lady of California, and mother of two daughters, provides a loving and heartfelt guide for girls as they go off to college. Expanded from a speech given to her young friend Ally's graduating class, Maria writes as a wiser, more experienced girlfriend, but also as both the daughter of a mother whose advice she still seeks and as the mother of daughters for whom she wishes a fulfilling and happy life. In this stirring and inspiring guide, Maria talks to young women about how to find abundance and emotional richness, and how not to overlook life's most special gifts. Her ten rules -- told in a witty and poignant anecdotal style -- offer a firm grasp on what's really important in life. And One More Thing Before You Go...is a book that transcends age groups, a book that will make you laugh, cry, and open your eyes to a new way of looking at life. Thoughtful, compassionate, and above all, filled with love, And One More Thing Before You Go...is a book that will make every mother cry and every daughter stop and think about her mother's words.***

**"If Singletree's only florist didn't deliver her posies half-drunk, I might still be married to that floor-licking, scum-sucking, receptionist-nailing hack-accountant, Mike Terwilliger." Lacey Terwilliger's shock and humiliation over her husband's philandering prompt her to add some bonus material to Mike's company newsletter: stunning Technicolor descriptions of the special brand of "administrative support" his receptionist gives him. The detailed mass e-mail to Mike's family, friends, and clients blows up in her face, and before one can say "instant urban legend," Lacey has become the pariah of her small Kentucky town, a media punch line, and the defendant in Mike's defamation lawsuit. Her seemingly perfect life up in flames, Lacey retreats to her family's lakeside cabin, only to encounter an aggravating neighbor named Monroe. A hunky crime novelist with a low tolerance for drama, Monroe is not thrilled about a newly divorced woman moving in next door. But with time, beer, and a screen door to the nose, a cautious friendship develops into something infinitely more satisfying. Lacey has to make a decision about her long-term living arrangements, though. Should she take a job writing caustic divorce newsletters for paying clients, or move on with her own life, pursuing more literary aspirations? Can she find happiness with a man who tells her what he thinks and not what she wants to hear? And will she ever be able to resist saying one . . . last . . . thing?**

And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

Richard Reed built Innocent Drinks from a smoothie stall on a street corner to one of the biggest brands in Britain. He credits his success to four brilliant pieces of advice, each given to him just when he needed them most. Ever since, it has been Richard's habit, whenever he meets somebody he admires, to ask them for their best piece of advice. If they could tell him just one thing, what would it be? Richard has collected pearls of wisdom from some of the most remarkable, inspiring and game-changing people in the world - in business, tech, philanthropy, politics, sport, art, spirituality, medicine, film, and design. From Hollywood greats like Judi Dench and Richard Curtis, to entrepreneurial legends like Richard Branson and Simon Cowell; from sports stars and TV personalities like Andy Murray and James Cordon to political activists and born survivors like Mandela's Comrades and Katie Piper, Richard has picked some of the world's most interesting brains to give you a lesson in how to live, how to love, how to create and how to succeed.

The Columbo Phile: A Casebook

A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often left feeling overwhelmed by this constant influx of information. The very knowledge that was supposed to set us free has instead led to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain.

New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as "a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter" (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, One More Thing has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.

In JUST ONE MORE THING, Peter Falk takes us on an acting journey that begins not in Hollywood but in Hartford, where he worked as a management analyst for the Connecticut State Budget Bureau. His time there was no more successful than an earlier attempt to find work with the Central Intelligence Agency. At loose ends, Falk turned to an old college interest: acting. He came to prominence as an actor in 1956 in the highly successful Off-Broadway revival of 'The Iceman Cometh' with Jason Robards. Although he worked continuously for the next three years, bouncing from one Off-Broadway theater to the next, a theatrical agent advised him not to expect much work in motion pictures because of his glass eye. Surgeons had removed his right eye, along with a malignant tumor, when he was three years old. But in 1958, the actor made the jump to Hollywood, where he landed his first movie, 'Murder Incorporated', and was nominated for an Oscar. Next came Frank Capra's 'A Pocketful of Miracles' starring Bette Davis, which garnered Falk his second Oscar nomination. Falk was a favorite among moviegoers during the 1960s, admired for his roles in classic comedies such as 'It's A Mad, Mad, Mad, Mad World' and 'The Great Race'. However, it was through his collaboration with filmmaker John Cassavetes that Falk entered into his most creative period in 1970. Motion pictures such as 'Husbands' and 'A Woman Under the Influence' helped launch the independent film movement. Nevertheless, Falk continued to act in light film comedies, including 'The In-Laws' and Neil Simon's 'The Cheap Detective' and 'Murder by Death', among others. Yet it was through television that Falk reached his widest audience. He has portrayed the beloved Lt. Columbo since the 1970s, winning four Emmys. The series was so successful that ten years after it's demise, 'Columbo' was re-launched, bringing Falk to a new generation of viewers. JUST ONE MORE THING also chronicles the author's more recent work, such as movie appearances in 'A Shark's Tale' and Paul Reiser's 'The Thing About My Folks', as well stories of growing up in New York, Hollywood and Broadway luminaries, and the author's accomplished passion for drawing and painting.

When Columbo hit the airwaves in 1971, in quickly became the hottest TV detective series of the decade. Series creators Richard Levinson and William Link received an Emmy Award for their work; Peter Falk received three. The Columbo Phile offers fascinating behind-the-scenes information about the creation of the character, the writing of the devious mystery plots, and the alterations between perfectionist Peter Falk and the bottom-line concerns of Universal Studios. Originally published in 1989 and long out-of-print, this 30th Anniversary Edition of the essential Columbo book features a new preface by author Mark Dawidziak, an overview of post-1989 Columbo developments, including the twenty-four new ABC mysteries, and a personal remembrance of Peter Falk. It remains today the definitive guide to the rumpled Lieutenant Columbo and his career.

For fans of David Nicholls, a brilliantly funny and touching new novel from the bestselling author of HOW TO TALK TO A WIDOWER, selected for the Richard and Judy Book Club. Meet Silver. Forty-four, divorced and living alone. His once celebrated music career is now a faded memory and his ex-wife is about to marry another man. The only good thing in Silver's life is his Princeton-bound teenage daughter, Casey - and she would probably say the exact opposite about him. So in Silver's opinion, things could be going better ... a lot better. Then Casey drops a bombshell: she's pregnant. Yes, it was her first time, and, no, she hasn't told her mom. Silver knows things have got to change, and when he discovers he has a fatal heart condition that means he could drop dead at any minute, he decides it's time to make a list: 1. Be a better father 2. Be a better man 3.

Fall in love 4. Die But the question is, can Silver rebuild his life, regain the respect of his family, and be there for Casey when she needs him most, or has he left it all too late?
