

## Just Shih Tzu Puppies 2019 Calendar

For almost twenty years, dog owners have turned to this compact guide for sensible, step-by-step advice how to housebreak their beloved pets—in just one week! Now revised and updated, pet expert Shirlee Kalstone's foolproof method for housebreaking your dog is available with a fresh new look and up-to-date information. Whether your dog is a puppy or getting on in years, whether your goal is to housebreak, paper train, or litter train, this practical, easy-to-follow plan will help you transform your pet into a dependable member of the household—in a way that works with both his innate behavioral instincts and your individual lifestyle. You'll never again have to worry about your dog acting out, feeling anxious or depressed—or ruining your brand-new rug—as you discover:

- The simple secret of successful housebreaking—understanding your dog as a den dweller
- Step-by-step programs tailored to both apartment dwellers and home owners, as well as to people who go to work, versus those who are home all day
- Schedules for training puppies and (re)training adult dogs
- How to identify your dog's natural behavioral rhythms—and use them to your advantage
- How to cope with housebreaking lapses, marking territory, separation anxiety, and health problems
- The power of praise and positive reinforcement, not punishment
- Including sample schedules and timetables, and a list of related resources and websites, here is the essential, proven advice that will make training a pleasure, for both you and your dog.

New York Times bestselling author Maria Goodavage takes us on a thrilling, delightful, globe-trotting journey to discover the heartwarming and fascinating new world of doctor dogs. In this groundbreaking book, Goodavage brings us behind the scenes of cutting-edge science at top research centers, and into the lives of people whose well-being depends on their devoted, highly skilled personal MDs (medical dogs). With her signature wit and passion, Goodavage explores how doctor dogs are becoming our happy allies in the fight against dozens of physical and mental conditions. We meet dogs who detect cancer and Parkinson's disease, and dogs who alert people to seizures and diabetic lows or highs and other life-threatening physical ailments. Goodavage reveals the revolutionary ways dogs are helping those with autism, anxiety, depression, schizophrenia, and post-traumatic stress disorder. And she introduces us to intrepid canines who are protecting us from antibiotic-resistant bugs, and to dogs who may one day help keep us safe from epidemic catastrophe. Their paycheck for their lifesaving work? Heartfelt praise and a tasty treat or favorite toy. The emotional element in Doctor Dogs delivers as powerfully as the science. You don't have to be a dog lover to care deeply about what these dogs are doing and what we are learning from them—although if you're not a dog lover, you probably will be by the end of the book.

The Ultimate Maltese Shih Tzu Dog Manual has the answers you need when researching this friendly, playful, toy-sized breed that is the perfect lap dog for the first time dog guardian looking for a small companion. Learn about this sweet-natured, non-shedding, loving dog and find out whether or not this canine will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Maltese Shih Tzu's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the Maltese Shih Tzu is the breed for you. If you already have a Maltese Shih Tzu, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book:
• Temperament
• Vital statistics
• Before you buy
• Choosing the right dog
• Health
• Daily care
• Feeding
• House training
• Medical care & safety
• Language
• Grooming
• Training
• Poisonous Foods & Plants
• Caring for your aging dog
•.... and much more.

Learn to communicate with your dog—using their safety “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:
• How you can get your dog to come when called by acting less like a primate and more like a dog
• Why the advice to “get dominance” over your dog can cause problems
• Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
• How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”
• Fascinating, insightful, and compelling. The Other End of the Leash is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

The Complete Shih Tzu

Shih Tzu 2020 Weekly Calendar with Room for Notes and Scriptures. Perfect Gift for Pet and Dog Owners.

**Do you think you've got what it takes to care for a Shih Tzu?** They're one of the most popular non-shedding small breeds, but there's a lot to know before bringing one into your life. They can be a bit stubborn, but their big personality and loving nature makes up for it. A Shih Tzu is the ideal pet for anyone who needs a dog with a perfect balance between playful and lazy. In *The Complete Guide to Shih Tzus* you will learn everything you need to know from start to end; how to choose a puppy, training, traveling, grooming, health care and senior care. You will also learn all about the background of the breed, its history, breed pre-disposed diseases, and special traits. All the information is specific to Shih Tzus and in an easy-to-read, comprehensive detail. Find answers to questions like: Is a Shih Tzu the right dog for me? I brought my Shih Tzu home. What now? How can I best train my Shih Tzu? What are some common mistakes should I avoid? This book is designed to help guide you through life with a Shih Tzu from puppy to old age and everything in between. Chapters include all the basics such as: What is a Shih Tzu? Choosing a Shih Tzu Preparing your Home for your Shih Tzu Bringing Home your Shih Tzu Basic Training Socializing with People and Animals Physical and Mental Exercise Teaching Your Shih Tzu Dealing With Unwanted Behaviors Traveling with Shih Tzus Grooming your Shih Tzu Basic Health Care Aging Shih Tzu Care Compiled by experienced Shih Tzu owner, Molly Weinfurter, the book will ensure there is nothing left for you to wonder or worry about. It will provide you with everything you need to know to help you care for, train and bond with your new Shih Tzu puppy. "The Complete Guide to Shih Tzus" will teach you exactly what you need to know before bringing your new Shih Tzu home, and prepare you to raise a happy healthy Shih Tzu well into its golden years!

Alexandra Rowan earned a double major degree in creative writing and communications. Shortly after her graduation in 2013 she died suddenly and without warning because of her use of hormone-based birth control. This book is a testament to her life, written by her father, David. My Beautiful Memory examines her life and death, and describes the difficult journey that her parents had to undertake following their loss. It concludes with an examination of the US drug industry's influence over the regulation of these drugs that kill over one thousand women each year. Alexandra was a young woman with a love of many things, but her chief passion was writing. Later parts of the book are written in her own words.

**PBLYE PET DOG 2020 CALENDAR AND PLANNER** if you love dogs and bible verses, then you will love this planner and calendar for 2020. There is simply no better way to stay organized and to plan for the future, than with your own booklet with your best notes, dates, events, and also a great place to store coupons and pictures as well. This wonderful pet calendar is loaded with 119 pages and is in a 6x9 book size, which is perfect for fitting in your purse or bag when you are on the go. Each page has three days listed, with plenty of room for writing and note taking. You will also find bible scriptures throughout the booklet as well. Some examples of these scriptures can be seen below: For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. - John 3:16 Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight. - Proverbs 3:5-6 Show me, Lord, my life's end and the number of my days; let me know how fleeting my life is. - Psalm 39:4 The book also includes the years of 2018 and 2019 at a glance, should you need to see what the previous day or date was during the previous two years. The same applies for 2020 and 2021 as well, with a quick glance of future dates and calendar dates. SIZE: 6x9 PAPER. Black and White Planner Pages PAGES: 119 Pages with area for notes COVER: Soft Cover (Matte) Order your copy today!

Using a question and answer format, a psychology professor and dog researcher unravels mysteries about the social and emotional lives of dogs, including whether or not they recognize themselves in a mirror and if they are smarter than cats. 15,000 first printing.

The Complete Happy Shih Tzu Guide

Nc Complete Guide to Shih Tzu Dogs

*There are 344 kinds of dogs in the world. But really—there are only two. Shih-Tzu’s & Shiba-Inu’s. This beautifully illustrated Children’s Book teaches the power of acceptance—and the importance of acknowledging the differences that make us all unique.*

*AllShihTzu’s GIANT Book of Shih Tzu Care is a remarkably comprehensive Shih Tzu-specific care book regarding puppies, adults, and seniors. Taking care of your canine family member requires a deep commitment to health, safety, comfort, and happiness. And, it’s hard to go this alone. With this book, we’ll be with you every step of the way to help navigate you through each stage of your Shih Tzu’s life. All topics are thoroughly explored with incredibly helpful detail: Appearance, barking (all possible scenarios), every behavioral issue and quirk you may encounter (27), body part specific care, care by season, skin & coat care, command training, exercise (6 sections), feeding and nutrition (10 sections including effective solutions for your picky eater), all female issues (including full pregnancy and whelping info), grooming (12 sections), and health issues (39 sections - including the most in-depth allergy guide imaginable). In addition, healing and walking-on-leash issues, exact step-by-step housebreaking (plus every possible hiccup answered, resulting in an exceptionally well-trained pup), territorial marking, instructions to resolve separation anxiety to help your Shih Tzu feel secure while gaining self-confidence, socialization and desensitization training, and much more. Importantly, you will never see aspects glanced over, leaving you asking, “Now what?” You will have the exact answers for what to do’ and how to resolve this’. Included in this book are exclusive and enlightening survey results regarding the behavior, personality, and health of 2,749 Shih Tzu. And, growth charts tracking the state of 129 Shih Tzu puppies. Contributors include several top reputable AKC Shih Tzu breeders and author and trainer Faye Dunningham who provides special-edition training sections regarding interacting with dogs (both ‘known’ and ‘unknown’), visitors, strangers, and situations. It’s a perfect guide for building self-confidence and restraint, allowing a Shih Tzu to be social, very well-behaved, and happy! Being 8.5x11” and 360 pages, this Shih Tzu care book for puppies and dogs truly is GIANT; however, it is also exquisitely formatted via various fonts, headers, and bullet points for enjoyable reading. Incorporated throughout are beautiful photos (b&w), along with charts, graphs, and other supplementary aids. Whether you have a new puppy or an older dog, let’s get started on a wonderful, fulfilling, fun, and healthy road for your Shih Tzu!*

*When you look at a cougar cub, do you see a future westerner or rock climber? If not, you should. The baby animals in this book share about their dreams for adulthood!*

*Traces the history of the breed, discusses a shih tzu’s care requirements, and includes information on training and common health concerns*

*Straight to the Point*

*My Old Dog*

*Loving And Caring For A Dog With Canine Cognitive Dysfunction*

*How to Housebreak Your Dog in 7 Days (Revised)*

*Dog Grooming Simplified*

A guide to the Shih tzu’s daily needs, special abilities, physical and personality traits, and susceptibility to health problems, with tips on what owners need to do to ensure a happy relationship with this lively little dog.

This is a wonderful story about a little Shih Tzu who is confronted by a bank of dogs called “The Ruffs.” He is pressured to join the gang or never visit his favorite park again. But there is a sense of hope when he meets a female Poodle who teaches him about the gentile art of jiu-jitsu.

The Shih Tzu is one of the most popular breeds of dog, and here at last is a book to do it justice. The ‘Best Of Breed’ series is a ground-breaking truly breed specific book, from the first page to the last and is perfect for all pet parents. Written by breed experts, this book will enrich your pets life and help you train and care for your dog from day one.

The True Story of a Stolen Dog and the Humans He Brought Together

The Inside Story of How Companion Animals Are Transforming Our Homes, Culture, and Economy

Cesar’s Way

The A-Z Shih Tzu Manual for New and Experienced Owners

Shares the uplifting story of a Border Collie who recognized an unprecedented number of human words to explore her role in advancing understandings about animal intelligence; recounting how she also demonstrated an ability to use deductive reasoning and imitation.100,000 first printing.

“Brilliant and uplifting. —Peter Zheutlin, New York Times bestselling author of Rescue Road and Rescued When Journalist Rory Kress met Izlie, she didn’t think twice about bringing her home. She found the twelve-week-old wheaten terrier in a pet shop and was handed paperwork showing Izlie had been born in a USDA-licensed breeding facility—so she couldn’t be a puppy mill dog, right? But a few years later, as Rory embarked on her own difficult journey to become a mother, her curiosity began to tug at her. Sure, Izlie was her fur baby, but who was her dad? Izlie did pick up her strange personality quirks? Like so many people, Rory had assumed the young puppy was a clean slate when she bought her. Those questions led Rory—with Izlie by her side—on a nationwide investigation, the first of its kind. From a dog livestock auction to the laboratory of one of the world’s leading animal behavioral scientists all the way up to the highest echelons of the USDA, they sought answers about who we’re trusting to be the watchdogs for our pet dogs. The Doggie in the Window is a story of hope and redemption. It opens it examines how internet puppy sales allow customers to get even farther from the truth of dog breeding, and offers fresh insights into one of the oldest bonds known to humanity. With Izlie’s help, we learn the real story behind the dog in the window—and how she got there in the first place. “Seidom have I been as moved and as educated by a book about dogs.” —Clive D. L Wynne, PhD, Director of Canine Science Collaboratory at Arizona State University

He Was Searching for a Lost Dog. He Found More Than He’d Ever Hoped For. On Valentine’s Day 2019, someone stole Steven Carino’s dog, Oliver. From his car. Having lost his mother at thirteen and grown up with an alcoholic father, he could always count on his dogs for comfort and company. But now, with his beloved Oliver missing, Steven felt utterly alone. Then, the miracle. In a series of near-impossible coincidences, people from different walks of life crossed paths with Oliver and with Steven. Hardworking immigrants, wealthy suburbanites, car mechanics

cops, gang members, a TV news reporter, social media followers around the world, and one very gifted hairdresser all played a part in Steven’s desperate journey to find Oliver. In the middle of it all, Steven realized that no one is ever truly alone—and that the power of community can be life-changing. Oliver is not just a book about a stolen dog. At its core, it’s a story about kindness, friendship, and the power of faith. As Steven says, “This is more than just a dog story. This is an everybody story. This is a love story.”

The bestselling author of the national Geographic Channel’s Dog Whisperer shows you how to develop the calm-assertive energy of a successful pack leader, and use it to improve your dogs’ lives—and your own. Be the Pack Leader is Cesar Millan’s guide for taking your relationship with your dog to a higher level. By developing the skills necessary to become the calm-assertive owner your dog needs in order for him to live a balanced, fulfilled life, you’ll improve your dog’s behavior and your own life as well. Be the Pack Leader is filled with practical tips and techniques in relating to your dog—and to others around you • The truth about behavioral tools, from leashes and harnesses to clickers and e-collars • How to satisfy the needs of your dog’s breed • Success stories from Cesar’s clients, viewers, and fans—including the Grogan family of Marley & Me fame • A quick-reference guide of specific, step-by-step procedures to tackling some of the most common dog behavior problems [Cesar] arrives amid chaos—and leaves behind peace. —Malcolm Gladwell, The New Yorker [Millan is] serene and mesmerizing. . . . *A fascinating look at rescue dogs—where they come from, why every dog lover should consider adopting one, and how to make them part of your family. America’s leading undercover animal investigator, Pete Paxton, has, among other exploits, infiltrated more than seven hundred puppy mills, worked undercover to close one of the largest and most infamous puppy mills in the United States, and shuttered the most notorious trafficker of dogs for experimentation in history. In this book, he shares stories of the amazing dogs he has rescued and brought to loving families, and also offers invaluable guidance and wisdom for anyone living with rescue dogs. Far too many people think rescue dogs have irredeemable anxieties, behavior issues, or other problems. In truth, rescue dogs can—and do—become wonderful companions. This groundbreaking book will help readers understand these dogs’ unique ways of thinking, learning, and loving, and leaves no questions unanswered about the plight of dogs commercially bred in the United States—and what every dog lover can do about it.*

*This book briefly describes the history, characteristics, and behavior of the German Shepherd.*

*Everything you need to know about keeping a Shih Poo as a pet. This small dog is a crossbreed with both poodle and shih tzu ancestry and they make a great pet. Before purchasing a Shih Poo, there are quite a few things to learn. To make sure that the Shih Poo is going to be a good fit for you, consider all of the factors that go into making the Shih Poo the dog it is before you decide to bring one home. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care for their animals to give them a happy home. Shih Poo temperament, care, costs, feeding, health, training, where to buy all included. This book is a must have guide for anybody passionate about a Shih Poo. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping a Shih Poo as a pet.*

*Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book.With over 190 breeds recognized by the American Kennel Club along with individual breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. The Straight to the Point is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set right or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns be or she will be able to groom any breed with ease. The dogs pictured in this book are top winning show dogs groomed according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed.Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in this text, the groomer will be able to present a well-balanced, well-blended pet trim to the pet owner.*

*This title introduces young dog lovers to the sports of racing and lure coursing, covering everything from the history of the sport to conditioning, training, and competing. The Shih Tzu

AllShihTzu’s GIANT Book of Shih Tzu Care

Shih Tzu Dogs – The Complete Owners Guide From Puppy to Old Age

Buying, Caring For, Grooming, Health, Training and Understanding Your Shih Tzu.

“No Dog Should Die Alone” was the attention-grabbing — and heart-stirring — headline of journalist Laura T. Coffey’s TODAY show website story about photographer Lori Fusaro’s work with senior shelter pets. While generally calm, easy, and already house-trained, these animals often represent the highest-risk population at shelters. With gorgeous, joyful photographs and sweet, funny, true tales of “old dogs learning new tricks,” Coffey and Fusaro show that adopting a senior can be even more rewarding than choosing a younger dog. You’ll meet endearing elders like Marnie, the irresistible shih tzu who has posed for selfies with Tina Fey, James Franco, and Betty White; Remy, a soulful nine-year-old dog adopted by elderly nuns; George Clooney’s cocker spaniel, Einstein; and Bretagne, the last known surviving search dog from Ground Zero. They may be slower moving and a tad less exuberant than puppies, but these pooches prove that adopting a senior brings immeasurable joy, earnest devotion, and unconditional love.

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America’s most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar’s Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar’s formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection. In that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside story of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You’ll learn:
• What your dog really needs may not be what you’re giving him
• Why a dog’s natural pack instincts are the key to your happy relationship
• How to relate to your dog on a canine level
• There are no “problem breeds,” just problem owners
• How to choose a dog who’s right for you and your family
• The difference between discipline and punishment
• And much more
Filled with fascinating anecdotes about Cesar’s longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you’ll need to forge a stronger, more rewarding connection with your four-legged companion.

Now in paperback and with an update about pets during COVID. In the last 20 years pets have gone from the backyard to sleeping on our beds, then showing up in every corner of America. Pet Nation tells the story of this seismic shift and the economic, media, legal, political, and social dramas springing from this cultural transformation. Since 1998 the pet population in the U.S. has almost doubled - about two-thirds of the country now owns a pet. No longer left to wander the neighborhood, dogs and cats eat special food, get individualized medical attention, and even fly in the cabin. As founder of the Animal Policy Group, Mark Cushing provides an inside look at the rise of Pet Nation, tracking the myriad ways pets are acquired (a “Canine Freedom Train” runs south to north), reporting on pet rights legislation (and the unseen problems that come with elevating their status), pet healthcare (revealing the truth and myths about large scale breeders), and

discovering that despite what many organizations would have us believe, there is a shortage of dogs. Insightful, surprising, and full of great stories, Pet Nation opens our eyes to the big changes happening in front of us right now. It shows us not only what our love of animals says about pets, it shows us what it says about ourselves.

A revised edition of the best-selling reference on canine psychology incorporates the latest scientific findings and interviews with top breeders and trainers to enable dog lovers to evaluate a pet's intelligence, read dog body language, and adapt a training program suited to an animal's specific needs. By the author of How Dogs Think. Original. 10,000 first printing.

Pebbles is a dog that thinks he is a frog. Pebbles finds love, acceptance and friendship from his slimy pals and proves he has what it takes to be a frog by saving Cuddle Pond.

Chrissy digs up clues to help Autumn solve a historical disappearance and a modern-day murder mystery. Autumn Clarke is getting her life back to normal with the help of her extraordinary shih tzu, Chrissy, when the death of a local philanthropist reveals the man's dark family secrets, as well as unexpected ties to Autumn. When Chrissy discovers a dog-eared diary in the dead man's family home, Autumn discovers that things in the Clarke family are not quite as they seem. Can Autumn interpret the hidden clues in the dog-eared diary to crack the most puzzling disappearance in Knollwood history? Are the recent murders connected to the past? Is Chrissy more insightful than Autumn realized? "I have fallen in love with Chrissy and Autumn and their continuing journey to health while finding themselves in the middle of a murder mystery adventure. My pre-teen daughter and I enjoyed reading The Dog-Eared Diary and then discussing the clues, plot twists, and characters." --Antoinette Brickhaus, Maryland "Through the relationship between Autumn and Chrissy, Wing also shows the importance of therapy animals and how much they can help those who need them. Add a sweet romance to the intrigue of the mystery and you've got a book that you won't want to put down." -- Melissa Alvarez, Intuitive, animal communicator and author of Animal Frequency and Llewellyn's Little Book of Spirit Animals " Diane Wing has created a wonderfully endearing little character in Chrissy the Shih Tzu. It really shines through that the author is a lover of animals and dogs. I can see these books quickly becoming a cherished addition to the cozy mystery genre." --J. New, author of The Yellow Cottage Vintage Mysteries Book #2 in the Chrissy the Shih Tzu Mysteries Learn more at [www.DianeWingAuthor.com](http://www.DianeWingAuthor.com) From Modern History Press
