Justin Bieber has rocketed to

international fame thanks to homemade videos posted on YouTube. His meteoric rise to the top of the music charts is a Cinderella story—with a digital-age twist. Before he was famous, Justin had to overcome many struggles. His parents divorced when he was young. At school, he was frequently bullied because he was smaller than the other kids his age. But his decision to participate in a local talent contest—and then to post his performance online for family—would change his life forever. Discover the behind-the-scenes story of Justin's journey from growing up in a small Canadian town to becoming a global teenage heartthrob. Meet the people who helped get him his

break, and find out what Justin says you should never do on a first date.

"It's a big, big world It's easy to get lost in it..." —Justin Bieber, "Up" I love those lines in the lyrics.

Sometimes I feel like that's what everyone's expecting. My world got very big, very fast, and a lot of people expect me to get lost in it. I grew up in a small town in Canada. I taught myself to sing in front of my bedroom mirror and to play guitar on a hand-me-down. My mom posted my first videos on YouTube. Never in my wildest dreams did I think that I'd sell millions of records, sing for the president of the United States and sell out a massive arena tour. So no, I'm not lost. Not at all. If anything, onstage in front of my

fans, I'm home. I'm found. And that's what this book is about: my journey, from singing and busking on the sidewalk in Stratford, Ontario, to performing and showing my appreciation to millions of fans all over the world for making this dream a reality. My music and lyrics give a glimpse of what's in my heart, but I think this book is a window into my world. In here are hundreds of pictures of me that no one's ever seen before, and I'll tell you about who I was before I joined forces with Scooter Braun and Usher and got a record deal, and who I've become since I've been blessed with the opportunity to share my music with the world. This is my gift to you, the fans who've

Justin Bieber:

Singer and songwriter Justin Bieber is undeniably talented. By the age of twelve, he had taught himself to play four instruments and had performed with a professional jazz band. He often sings about idealized, romantic love and has charisma and star presence. However, even after being in the spotlight for years, Justin can sound a little awkward during interviews, which his fans appreciate because it makes him seem down-to-earth. Author

and evolving at lightning speeds. Our effective skills for using technology transcend time by focusing on how to find and use digital resources and tools rather than listing the resources that already exist. Focusing on the skills that support critical thinking and problem solving, decision making, and communication, the authors seamlessly merge technology to launch students toward independent productivity. This accessible and highly practical guide is rich with examples that will change the way you think about education while providing hands-on “how-to” guidance for creating a culture of excellence and innovation in your school and classroom.

The book explores what is distinctively 'new' within a range of currently popular everyday ways of generating, communicating and negotiating meanings. Revised, updated and significantly reconceptualised throughout, the book includes:

- Closer analysis of new literacies in terms of active collaboration
- A timely discussion of using wikis and other collaborative online writing resources
- Updated and expanded accounts of digital remix and blogging practices
- An explanation of social learning and collaborative platforms for social
