“Let Prosperity Meditations become your daily devotional reading. Read it. Use it. Explore it. And, expect miracles.” —Dr. Joe Vitale, author, Zero Limits A simple guide filled with affirmations and meditations to attract abundance, success, wealth, and creativity instantly! If you want to draw prosperity into your life, first abandon the idea that spiritual people must be poor. Prosperity Meditations can help you develop a new, fresh, optimistic, and empowering attitude about money. By using its methods, you can change your belief about prosperity and thereby draw greater wealth into your life on all levels: spiritual, emotional, mental, physical, material, environmental, and planetary. You have the power to create affluence in all areas of life—not just material. The Creator is waiting for you to open to the unlimited riches of heaven that are always available to you. All you need is to learn how to receive the boundless bounty that is your birthright. How does poverty help spiritual people fulfill their laudable, idealistic dreams and aspirations? Wouldn't the world be a better place if spiritual people, who aspire to do good, had access to limitless wealth? Could you help heal the planet and lift people's consciousness if you had greater resources at your disposal? If you say yes, this book can help you manifest your fondest dreams and desires through the mental alchemy of meditation—a process that can change your mind, which, in turn, can change your life and thereby positively transform the planet.

The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

The first major literary presentation of Nostradamus's Prophecies, newly translated and edited by prizewinning scholars The mysterious quatrains of the sixteenth-century French astrologer Nostradamus have long proved captivating for their predictions. Nostradamus has been credited with anticipating the Great Fire of London, the rise of Adolf Hitler, and the September 11 terrorist attacks. Today, as the world grapples with financial meltdowns, global terrorism, and environmental disasters—as well as the Mayan prediction of the apocalypse on December 21, 2012—his prophecies of doom have assumed heightened relevance. How has The Prophecies outlasted most books from the Renaissance? This edition considers its legacy in terms of the poetics of the quatrains, published here in a brilliant new translation and with introductory material and notes mapping the cultural, political, and historical forces that resonate throughout Nostradamus's epic, giving it its visionary power.

Archaeological evidence has shown us that a fascination with the movements of the planets and the celestial constellations has existed for many thousands of years. This book is a well-illustrated, comprehensive guide that charts the origins and history of this ancient art, explains the Zodiac and its planetary influences and provides a wealth of information on each of the signs of the Zodiac.

Mantreswar was the greatest astrologer of the 12th century from the South of India. He compiled in Sanskrit the principles of Predictive Astrology propagated by Maharshi Parashar, Jaimini and various other great astrologers in his famous work Phaldeepika. This is one of the best books on Predictive Astrology. It includes the essence of Parashar, Jaimini and many more masters. Four hundred and fifty Yogas of Bhavartha Ratnakar of Shri Ramanuja have been added to benefit the title Phaldeepika; Bhavartha Bodhini. The 28 chapters in the book cover various topics: the characteristics, house divisions, strength of planets, career, various yogas, raja yogas, marriage, children, longevity, periodic influence of planets, the effect of transits and ashtakvargas. The 11th chapter exclusively deals with the nativity of women; the 22nd chapter gives the interpretations and calculation of the Kalachakra dashas. This English edition also includes many horoscopes, tables and a glossary of Sanskrit and Hindi words. The language is easy to understand and even beginners after studying this book for a few months will be able to arrive at the right interpretations and timing of events.

Presents Kamadeva, the Hindu god of desire, in tales, art, and ritual. Also covers Kamadeva's appearance in Buddhist lore.

What is one to make of a group of goddesses that includes a goddess who cuts her own head off, a goddess who sits on a corpse while pulling the tongue of a demon, or a goddess who prefers sex with corpses? Tantra visions of the Divine Feminine deals with Practical insight and advice for working with the chakra that serves as the foundation for awakening well-being throughout our body and our life. The energy center known in Sanskrit as muladhara is called the root chakra. It is located in a layer of our subtle body called pranamaya kosha, at the base of our spine in the tailbone area. The root chakra is our connection to the earth and to humanity at large. When this chakra is closed, muddled, and unhealthy, we experience fear, timidity, worry, doubt, anger, frustration, panic, self-loathing, survival mode, and defensiveness, and we manifest unhealthy habits, addictions, narcissism, aggressive behavior, bullying, and a sense of entitlement or victimhood. Earth Energy Meditations provides an answer to these maladies. It helps us reconnect with the earth and primal energies with powerful, easy-to-use methods of guided meditation, affirmation, visualization, breathing, and physical movements. By practicing these techniques, we can reap the benefits of an open, clear, and healthy root chakra. We can return to a sense of stability, security, protection, and centered well-being. We can enjoy strength of character, integrity, perseverance, persistence, self-acceptance, self-worth, practicality, healthy survival instinct, and prosperity. Awaken the root to yourself and your connection to the world with Earth Energy Meditations.

Ganesha is the first son of Shiva and Parvati. He is the Lord of the Multitudes. He is the door-keeper; he holds the key to the inner sanctum of the heart, where the Divine Mother resides. He is the first to be worshipped so that the endeavors we embark upon are free of obstacles. The Ganesha Puja presents a philosophy that we can practice. It is a great place to start learning puja, and a wonderful doorway into meditation and worship. In addition, at the end of the book, Swamiji has included an article addressing the 36 principles of Tantra philosophy and how they relate to Yoga, Karma, and ultimately how to retrace our steps from the manifest back to the unmanifest. It is true that without Wisdom, it is impossible for any seeker to unlock the doors to the secret of Enlightenment. Ganesha Puja is presented with original Sanskrit mantras, Roman transliteration, and a complete English translation.

"Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention--specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. Healing Mantras is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for - Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These mantras can be repeated aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you drive on the freeway, as you meditate, or as you cook." Sound can help and sound can heal, and Healing Mantras now makes this sound medicine available to everyone.

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

NEW YORK TIMES BESTSELLER - Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classic ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to a way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means "dispeller of darkness, someone who opens the door doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that dimensional shift in the way you perceive and experience life." The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiant presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy. Praise for Sadhguru and Inner Engineering "Contrarian and contemporary, Inner Engineering is a loving invitation to live our best lives and a profound reassurance of why and how we can."--Sir Ken Robinson, author of The Element, Finding Your Element, and Learning to Be Creative "I am inspired by Sadhguru's capacity for joy, his exuberance for life, and the depth and breadth of his curiosity and knowledge. His book is filled with moments of wonder and challenge. I highly recommend it for anyone interested in self-transformation."--Mark Hyman, M.D., director, Cleveland Clinic Center for Functional Medicine, and New York Times bestselling author of a fascinating read of Sadhguru's insights and his teachings. If you are ready, it is a tool to help awaken your own inner intelligence, the ultimate and supreme genius that mirrors the wisdom of the universe. It is significant that the stories of Vishnu rose to prominence after the rise of Buddhism. Prior to that, Hinduism was the religion of the elite-based complex rituals known as yagna and esoteric stories known as the Aranyakas and the Upanishads. Bestselling author Devdutt Pattanaik offers insights into the stories and pictures of Vishnu.

The *New York Times*–bestselling author's classic guide to astrology: "What makes Sun Signs different is that much of the writing is done with humor" (*The Boston Globe*). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman's *Sun Signs* changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman's *Sun Signs* quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book's simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

Examines the history, practices, and philosophies of magic and alchemy in Western history.

What you are about to learn right now is rather obscure. In fact, there is only one other book written on this particular topic. It's a hidden side of an otherwise popular spiritual practice. What you will learn is the Dark Mantras of Subjugation called Vashikaran. I call them dark because they are meant to "subjugate" or "command" people and events to your will. Often mantras are associated with pure and spiritual practices. We use mantras to achieve altered states of consciousness, We use them to attract divine blessings. Seldom do we hear about people using mantras to control another person or persons. That kind of thing was relegated to black magick and witchcraft here in the west. But is it truly black magic? Is there actually such a thing as white and black magick in the eastern traditions? Or perhaps we, in the west interpret these things in stark black and white terms? In this book, we will discuss the Vashikaran Mantras and their dark powers

The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. It is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. The topics discussed in this book are morality, ethics, governance and several others.

Saundaryalahari is a rare Tantric work whose authorship is attributed to Samkaracarya. It is a long poem of one hundred verses; a hymn of praise to the Divine Mother; an invocation and a prayer that awakens man from stupor to a state of effulgent energy and creativity. In this monograph the original Sanskrit text of each verse is presented in Devanagari script accompanied with its Roman transliteration. English rendering of the verses and explanatory notes are provided with an eye to modern readership. Inclusion of yantras in their pictorial symbols focus attention on underlying potencies of each verse. The possibility of attainment of power and success by single-minded recitation of the verses is stressed on. The monograph will be of special interest to mother worshippers of all denominations. Students of religion and philosophy will find it appealing. the general reader with a love for poetry and literature will also like it.
