"Sex, Your Woman and You: How to Sexually Please Your Woman in the Bedroom and Beyond" is the book to read to learn more about pleasing a woman.

'Drink Fuck Sleep' is a collection of essays depicting regrettable sexual experiences wherein alcohol was involved either before, during, or after. With gripping, personal accounts of tragic, heart-wrenching, sexually boundless, ultra-erotic, emotionally numbing, mind thrilling, and scintillating experiences, the featured writers narrow the divide between what people project and what they protect. It serves as a series of precautionary tales, as well as proof of life and the parallels of the human condition, regardless of our socioeconomic stations.

Living the life she has always dreamed of, Unique isn't about to let her past ruin her future with her fiancé, big time boxing promoter, Kennard. But the tales are turned on her and it leaves Unique fighting for her very life. As for Kennard, he is stunned to learn about her past, but more importantly he is not about to let anyone get away with hurting his woman. However, as Unique and Unique's best friend, Teeydah set out on a path of revenge, a new menace, a new betrayal rises.

A liberating journey through the life and times of Brittany Renner. This book details the experiences of a woman whom some love and others love to hate. It's a behind-the-scenes look into her life. Some may categorize and prejudice without knowing her story, but here is her truth. Written in a raw and real voice with witiness and humor, Brittany allows you to walk a mile in her shoes. Depending on your appetite for truth and reality, this book may make you laugh, cry, cringe, or all of the above. You should never judge a book by its cover.

How are you going to snag one if you don't know how to....Think Like a Guy? E! News anchor Giuliana DePandi knows that if you want a little piece of his heart, you're going to have to learn to get into his head--and she shares her knowledge as an on-the-town dater in L.A. into this funny but oh-so-practical and effective volume. DePandi knows what it's like "out there", and has done extensive work to learn what turns guys off...and on. Here's a pop quiz: Should you ...mention your mom on a first date? ...cook a guy breakfast after your first sleepover at his place? ...pick at your food when he takes you to dinner? ...tell him how many lovers you've had before he came along? ...leave him long voicemails if you can't reach him on the phone? The resounding answer to all the questions above according to DePandi, is: NO! You should, in fact, be busy and breezy, offer to pay for dinner, leave short voicemails (and none at all if you don't have anything concrete to say), stay well-dressed and -groomed, and make your guy feel like he's the first to introduce you to anything kinky in bed. Think Like a Guy is a hard-headed practical book for women who acknowledge that men and women sin and think differently.

NEW YORK TIMES BESTSELLER • The heart-wrenching, uplifting tale about a woman named Cupcake “[Cupcake] Brown's confessional . . . memoir is one you can't easily put down. Her life is nothing short of a miracle.”—Chicago Sun-Times There are shelves of memoirs about overcoming the death of a parent, childhood abuse, rape, drug addiction, miscarriage, alcoholism, hustling, gangbanging, near-death injuries, drug dealing, prostitution, and homelessness. Cupcake Brown survived all these things before she'd even turned twenty. And that's when things got interesting. . . . Orphaned by the death of her mother and left in the hands of a sadistic foster parent, young Cupcake Brown learned to survive by turning tricks, downing hard liquor, and ingesting every drug she could find while hitchhiking up and down the California coast. She stumbled into gangbanging, drug dealing, hustling, prostitution, theft, and, eventually, the best scam of all: a series of 9-to-5 jobs. A Piece of Cake is unlike any memoir you'll ever read. Moving in its frankness, this is the most satisfying, startlingly funny, and genuinely affecting tour through hell you'll ever take. Praise for A Piece of Cake “[Brown] reflects now with insight and honesty on her experiences. . . . An engaging account . . . of a remarkable life filled with pain and wisdom, hope and redemption.”—San Fracisco Chronicle “Dazzles you with the amazing change that is possible in one lifetime.”—Washington Post

Not all suspicious red flags mean trouble. Not all benign red flags mean innocence. This little book shares one hundred red flags ranging from seemingly innocent or even accidental to full-blown lies. It's amazing how many people in love will overlook the obvious red flags that we all know about. Flags about cell phone behaviour, erasing phone history, shutting down the computer. Everyone believes, "Oh, s/he would never do that to me. That's for other people." The fact you're reading this must mean something is making you feel uneasy. You need to trust your gut. More important, if you find yourself playing detective in your relationship, there are serious trust issues at play and that alone is a red flag. Realize that you are worth honesty and respect. Don't accept anything less.

"A great piece of psychological wisdom."—Playgirl YES, YOU CAN DO IT! You've heard about it on Donahue and Today. You've read about it in Time and New Woman. Now you can discover how to: • Find the love of your life • Make the chemistry of love happen—at will • Meet your love's unconscious needs • Establish instant trust and rapport • Anchor your happiness with a magic touch • Get him to say yes—so subtly, he won't even know you've done it • Keep love alive for a lifetime Now the magic is here, ready to use—if you dare. Revolutionary new scientifically tested and proven techniques show you how some women seem to find true love effortlessly. Now you can too! **The Vixen Manual****How to Find, Seduce & Keep the Man You Want****Grand Central Publishing**

**Part tell-all, part cautionary tale, this emotionally charged memoir from a former video vixen nicknamed 'Superhead' goes beyond the glamour of celebrity to reveal the inner workings of the hip-hop dancer industry—from the physical and emotional abuse that's rampant in the industry, and which marked her own life—to the excessive use of drugs, sex and bling. Once the sought-after video girl, this sexy siren has helped multi-platinum artists, such as Jay-Z, R. Kelly and LL Cool J, sell millions of albums with her sensual dancing. In a word, Karrine was H-O-T. So hot that she made as much as \$2500 a day in videos and was selected by well-known film director F. Gary Gray to co-star in his film, A Man Apart, starring Vin Diesel. But the film and music video sets, swanky Hollywood and New York restaurants and trysts with the celebrities featured in the pages of People and In Touch magazines only touches the surface of Karrine Steffans' life. Her journey is filled with physical abuse, rape, drug and alcohol abuse, homelessness and single motherhood—all by the age of 26. By sharing her story, Steffans hopes to shed light on an otherwise romanticised industry and help young women avoid the same pitfalls she encountered. If they're already in danger, she hopes to inspire them to find a way to dig themselves out of what she knows first-hand to be a cycle of hopelessness and despair.**

**If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners.Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today.**

**Book of Rhymes** explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

**Aggressive, explosive, and boasting awesome athletic ability, Dan Clark rose to tremendous fame as Nitro on American Gladiators. He quickly emerged as the most popular cast member and became a reality television superstar. But a twenty-year affair with steroids led to a life of pissing blood, smuggling drugs, destroying hotel rooms, getting arrested, growing breasts, and lying bloodied in the street after a vicious fight with his best friend. This is Clark's riveting, fiercely candid account of his life, career, and steroid addiction. From an upbringing defined by tragedy and a difficult search for identity to tales of performing center stage at Madison Square Garden and bedding Playboy Bunnies and porn stars, Clark explores the price of fame, the pressure of stardom, and how the whole steroid-fueled fantasy finally imploded. What began in high school as a way to speed up recovery from injury rapidly turned into an all-consuming addiction. With selfdeprecating humor and a trove of incredible stories, Clark provides an eye-opening report on the dangers of steroids both obvious and hidden -- and offers his thoughts on why steroid use remains a persistent problem today. More than just a pulpy exposé, Gladiator is a triumphant story of self-discovery and redemption.**

***The authors behind the ubiquitous dating bible that launched a worldwide movement are back, accompanied by their daughters, with brand new advice updated for the modern era. How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When The Rules was published in 1995, its message was straightforward: be mysterious. But for women looking for love today, it's not quite so simple. In a world of instant messaging, location check-ins, and status updates, where hook-ups have become the norm and formal one-on-one dates seem a thing of the past, it's difficult to retain the air of mystery that keeps men interested. Now, with help from their daughters, the original Rules Girls Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in today's information age create the happy love lives they want and deserve. Whether you're a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back in the dating game, this book has the answers you've been waiting for. The Rules include: Stay Away from his Facebook Profile Make Yourself Invisible and Other Ways to Get Out of Instant Messaging Stop Dating a Guy Who Cancels More than Once Text-Back Times Chart Don't Just Hang Out or See Him 24/7 TTYL: Always End Everything First-- Get Out of There! With chapters on such provocative concepts as domination, swinging, "the one-man gangbang," defilement, paid escorts, and others, this is the one book all couples need on their bedside table. As Karrine herself says: "It's time to turn your fantasies, and your partner's fantasies, into reality, and not just on birthdays and holidays or when your man finally paints the garage. They should never be just for special occasions, but an active part of your everyday life. From this point forward, you should take a bold step, make a liberating decision. It's time to turn fantasies and role-playing into a regular part of your sexual agenda!"***

***Mastering Multiple Position Sex takes the traditional sex position book a step further by outlining entire bedroom scenarios, from seduction to foreplay to positions, including the transitions in between. Both partners learn what to do, how to do it, and what to do next—eliminating any awkward or disappointing moments and creating the sexual tension that leads to amazing climaxes. Each of the 14 scenarios has a different theme, and features one method of foreplay, two sex positions, and the buildup to mutual orgasm. Each will be illustrated by instructive and sexy Quiver photography.***

For a decade, Confessions of a Video Vixen author Karrine Steffans and the details of her private life have been the subject of debate and scrutiny. But, as gossipmongers and critics speculated, assumed, and manufactured tall tales about the New York Times bestselling author, Karrine hid herself and her truth from the world, imprisoned by a life of society. In Vindicated: Confessions of a Video Vixen, Ten Years Later, Karrine takes readers into the belly of the beast as she harrowingly chronicles the systematic breakdown of her mind, body, and spirit at the hand of one man and the events that propelled her back to prosperity after losing everything. She candidly shares her struggle with the American dream, her desperation to appear normal, the lengths to which she went, and the price she paid for it all. This dark, long journey into the life of an abused and tormented woman, wife, and mother uncovers a long-guarded set of painful personal truths, reveals the inspiring details of her life-saving triumph, and will change the way you see Karrine Steffans.

Handle Your [entertainment] Business

There is a great mystique about the entertainment industry and a fervent desire in many to be part of it. But what many women don't realize is that most entertainment career guides are written from the point of view of the male executive, or are filled with industry and legal jargon-making them difficult to read and understand. Now, in Dreams First, Thembisa Mshaka uses her 15 years of experience in the music industry to expose the hidden truths that women need to know as they aspire toward entertainment careers, such as how to avoid compromising one's self-respect and the little-known fact that women run a large part of the business. This highly informative guide is for every woman wanting to know how to navigate the entertainment superhighway and find that job of a lifetime.

When your living space is attractive and inviting, guests respond. As a single woman, this is especially true for potential suitors you allow into that space. After all, how can he imagine himself in your life if he's not comfortable in your home? As your life changes, your decor changes and you must design your life around the relationship you desire and deserve. Your style doesn't just communicate who you are; it also tells people who you want to be. If you're a single woman looking to make a real connection, it's time to make sure your decor sends the right message. Decor and the Single Girl, by New York Times bestselling author Karrine Steffans, is a beautifully photographed guide for today's single woman ready to make room in her life for a man. But, before she makes that room, she has to decorate it--and not for the life she has, but for the life she wants! Each chapter offers easy, straight to the point, comprehensive advice, as well as helpful shopping links, and even quick quips on how to recognize when it's time to dump a man who may be unappreciative of the hard work a single girl goes through to make her home appealing and comfortable. From the first date to the day he or she moves in, Decor and the Single Girl helps the modern woman appreciate what a touch of traditionalism and forward planning can mean to her dating life and relationships.

A lighthearted guide to finding and maintaining a healthy, committed, and satisfying relationship offers insights into such topics as online dating, the reasons women are attracted to "bad boys," and the sources of male infidelity.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victim types. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. A novel depicting the violence and depravity of urban gang life profiles Lapeace, leader of the Eight Tray Crips in South Central L.A., whose battle with his arch-rival Anyhow kills innocent civilians and sends him on the run to escape retribution and the law.

Karrine Steffans has been on an incredible journey since birth. Infamous for chronicling her turmultuous youth, her questionable life choices, and her rise as a New York Times and international best selling author, this cultural icon, this vixen, started with prose. Writing since the age of five, Steffans was inspired when discovering Edgar Allan Poe at a young age. Motivated by her grandfather, later that year, she aimed for the coveted New York Times best sellers list. Twenty years later, she made it and it all started with poetry. In this booklet, the author shares some of her autobiographical poetry, once lost, and the origin of the inspiration to share them.

*From a powerful new voice in nonfiction comes this electrifying chronicle of a married man who leaves his wife to pursue a carefree bachelorhood - only to plunge into an abyss of shame, regret, and penis envy. Thirty-year-old Alan Wieder has everything a man could possibly want: a nice home in L.A., a thriving Hollywood career, and to top it all off, a beautiful and adoring wife. Then one day in 2005 - the Year of the Rooster - he wakes up with questions: Have I settled down too soon? Am I consigned to a humdrum future of marriage, kiddies, home-cooked meals and hybrid SUVs? How the %&! did this happen to me? And just like that - after ten years in a committed relationship - Alan decides to walk out on his wife to pursue his fantasy of becoming a hardcore bachelor. Explaining very little, thinking even less, he dives into his exhilarating new single existence - buying a vintage Porsche, moving into a tastefully decorated bachelor pad, ignoring his wife, and bedding as many chicks as possible. However, to Alan's surprise and dismay, becoming a single dude also unleashes in him a torrent of crippling insecurities that he didn't even know he had. And soon, his would-be swingin' bachelorhood is cut short - very short - by a strange and shameful obsession that drives him to utter madness. Some men leave their wives only to discover that the grass isn't greener. What Alan Wieder discovers - about the perils of newfound freedom, and about his own fragile male psyche - is far more agonizing and wretched. In this riveting and brutally honest memoir, Alan recounts the true story of his impulsive, wild, and ultimately disastrous foray into bachelorhood. A tragicomic tale of betrayal, sexual (mis)adventure, and ultimately redemption, Year of the Cock marks the debut of a remarkably talented new writer.*
