The Lenovo Way to Profitability and Growth In 2005, the Chinese corporation Lenovo acquired what was seen as a sacred American icon--IBM's personal computer business. It has since grown to become the world's biggest PC company and is now rapidly growing in the global mobile space. The Lenovo Way reveals practical methods for managing a truly diverse workforce operating around the world, drawn from both China and the United States. Gina Qiao is Senior Vice President of HR at Lenovo. Yolanda Conyers is Vice President of HR Operations and Chief Diversity Officer at Lenovo.

Video is the single most effective tool that marketers have to raise brand awareness, increase sales, drive website traffic and deliver ROI on marketing budgets. Driven by consumer demand and with the backing of the largest social media platforms, our world is becoming 'video first'. Video Marketing Strategy allows marketers to harness the power of video and create effective video campaigns. This in-depth look at the world's most powerful medium helps brands to radically magnify their voice by tapping into a level of emotional engagement that can't be achieved any other way. The book explores both theory (why are humans so affected by video on mobile devices?) and practice (what's the key to making videos that deliver results?).It looks at how multiple videos form wider campaigns and

covers content hubs, activation strategies and testing. It is filled with invaluable advice, tips and strategies for incorporating video into a wider content marketing plan. Written by an award-winning video marketer with decades of experience, Video Marketing Strategy gives readers the magic formula to create engaging, effective content. Truly global in scope, it features case studies from around the world, and shows how marketers from all sectors and industries have used video campaigns successfully. Featuring insights from prominent industry practitioners Video Marketing Strategy is jam-packed with guidance on how to make videos that cut through the market place and deliver measurable results.
