Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines.

Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and

slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used

to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

KLR650 (2008-2012), Sarah Jardin has been quite dreadfully in love with David Rochester her whole life. As the youngest of five daughters, her family and society neglect her. She's outspoken, brash, and terribly ungraceful. In short, not at all a lady...until she's taken under the benevolent

wing of Lady Lancaster and invited to join the Young Ladies Garden Society. But Sarah's new life—filled with the mysteries and intrigues of high society—is interrupted by an unexpected scandal. Her scandal. In a moment of kindness, David comforts her...and they are discovered and forced to marry. Ancient Greek Beliefs explores the mysteries of the ancient myths and religious beliefs of a great people. The text is divided into three sections, Greek mythology, the ancient Greeks, and conclusions. A brief history and lengthy glossary are included. The book is designed as a basic text for the introduction to ancient Greek mythology and beliefs, and the text muses about the religious lessons we might learn from them. It contains abridged stories of Greek mythology, including the extant Greek plays, and considers portions of the works of the great writers,
