Knights of the Roundtable, and the search for the Holy Grail have been beloved for centuries and are the inspiration of many modern fantasy novels, films, and shows. These legends began when an obscure Celtic hero named Arthur stepped on to the stage of history sometime in the sixth century, generating a host of oral tales that would be inscribed some 900 years later by Thomas Malory in his classic Morte D'Arthur (The Death of Arthur). The Great Book of King Arthur brings these legends into the modern age, using accessible prose for
