Children’s diverse experiences during periods of conflict, post-conflict and peacetime reveal that their roles in society and political communities are complex. Based on this premise, this book suggests that understanding children’s roles involves a critical analysis of where the child is situated within her/his family, within socio-political networks and within the state. Through examining various case studies in South Asia, a region that is marked as much by its homogeneity as by its immense diversity, the book observes that significant tensions exist between uni-

and local approaches to childhood. It reflects how the development of international and national discourses on children’s rights and protection is relevant to children’s everyday lives in situations of conflict.

Inspired by true events, this riveting narrative traces the lives of Safeena Malik, Deewan Bhat and Bilal Ahanagar, three childhood friends who grow up in an atmosphere of peace and amity in Srinagar, Kashmir, until the night of 20 January 1990 changes it all. While Deewan is forced to flee from his home, Safeena’s mother becomes ‘collateral damage’ and Bilal has to embrace a wretched life of poverty and fear. The place they called paradise becomes a battleground and their friendship struggles when fate forces them to choose sides against their will. Twenty

later destiny brings them to a crossroads again, when they no longer know what is right and what is wrong. While both compassion and injustice have the power to transform lives, will the three friends now choose to become sinful criminals or pacifist saints?The Tree with a Thousand Apples is a universal story of cultures, belongingness, revenge and atonement. The stylized layered format, fast-paced narration and suspenseful storytelling makes for a powerful, gripping read.

Either completely ignored in world affairs or lying at the center of confrontation, Afghanistan has ricocheted between these two extremes for over two centuries. First, it was the focal point of colonial rivalry between Russia and Britain in the nineteenth century. More recently, it became the last battlefield that pitted Soviet and Western influence in the Cold War. The ignominy of the Red Army’s Afghan adventure, ending in its withdrawal in 1989, hastened the failure of a century of Soviet political experimentation and allowed the rise of a new Asia and evolution of a new global configuration. Nevertheless, Afghanistan itself remains a region of seemingly insoluble turmoil and constant crisis.Despite the current disorientation by major world powers, Afghanistan’s impact on global politics, progress, and regional cooperation remains crucial to Central Asian, Middle Eastern, and South Asian well-being. Not only does the geographic position of the country give it important status, but the conflict that continues to destabilize the region can be located in the confrontation among three forces: Mullah, the traditional element of an archetypically pious Muslim society; Marx, the old and new communists and associated secular socioeconomic forces; and Mujahid, the fighters for a Muslim Afghanistan, mobilized as much by ardent nationalism as by their religious zeal. These three elements, which rarely are able to cooperate, have held power in Afghanistan in turns since the Soviet invasion in 1979. Their rivalry has not abated with the Soviet withdrawal but has instead resulted in a civil war that has crippled economic cooperation throughout the area. Moreover, in various guises, these three social forces influence the entire region from Iran to the new states of Central Asia.In this broad introductory volume, Ralph Magnus and Eden Naby, whose intimacy with Afghanistan spans three decades each, detail the country’s physical situation, human environment, and modern history, as well as the rise and fall of competing internal forces, most recently the Taliban. The authors offer analytical insight into Afghanistan’s political position within the restructured Central Asian region, the ethnic relationships that complicate its political history, and the potential for

In his Nautlius Award-winning classic Touching Spirit Bear, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

When asked this, I closed my eyes and went back in my own past. And I thought . . . . . of the days, when life’s most complex choices had a simple solution of Akkad Bakkad Bamby Bo! . . . of the seasons when rains were celebrated by making paper boats. . . . of the times when waiting at the railway crossing meant counting the bogies of the train passing by. When I opened my eyes, it seems Like it Happened Yesterday! Like it was yesterday that I broke my first tooth and fell in love for the first time. "Intensely moving. . .Powerfully evocative of the plight in which displaced populations find themselves."—Kirkus, STARRED Review "Hosseini's story, aimed at readers of all ages, does not dwell on nightmarish fates; instead, its emotional power flows from the love of a father for his son."—Publishers Weekly, STARRED BOX Review A short, powerful, illustrated book written by beloved novelist Khaled Hosseini in response to the current refugee crisis, Sea Prayer is composed in the form of a letter, from a father to his son, on the eve of their journey. Watching over his sleeping son, the father reflects on the dangerous sea-crossing that lies before them. It is also a vivid portrait of their life in Homs, Syria, before the war, and of that city's swift transformation from a home into a deadly war zone. Impelled to write this story by the haunting image of young Alan Kurdi, the three-year-old Syrian boy whose body washed upon the beach in Turkey in September 2015, Hosseini hopes to pay tribute to the millions of families, like Kurdi's, who have been splintered and forced from home by war and persecution, and he will donate author proceeds from this book to the UNHCR (the UN Refugee Agency) and The Khaled Hosseini Foundation to help fund lifesaving relief efforts to help refugees around the globe.
