big surprise, and an unlikely friendship, by Caldecott Medalist and New York Times-bestselling author Kevin Henkes. Egg is not only a perfect Easter gift, but also a classic read-alone and read-aloud that will appeal all year long. This masterful and stylistically original picture book introduces young children to four eggs. One is blue, one is pink, one is yellow, and one is green. Three of the eggs hatch, revealing three baby birds who fly away. But the green egg does not hatch. Why not? When the three birds return to investigate, they're in for a big surprise! What will happen next? With a compelling mix of comic-

goes horribly wrong. Aboard the spacecraft Leonora Christine, fifty crewmembers, half men and half women, have embarked on a journey of discovery like no other to a planet thirty light-years away. Since their ship is not capable of traveling faster than light, the crew will be subject to the effects of time dilation and relativity. They will age five years on board the ship before reaching their destination, but thirty-three years will pass on Earth. Experienced scientists and researchers, they have come
