This is a powerful account of the story of Africa told through the life of one of its contemporary shapers, Reginald Abraham Mengi of Tanzania. I Can, I Must, I Will comes at a time when Africa is casting a new vision that is guided largely by the power of entrepreneurship. There could be no better guiding light for that vision than the spirit of courage, determination and dedication to self-improvement that is so vividly represented by the life and work recounted in this book. Like Africa itself, Dr. Mengi is a person of humble origins. But his character and personality were shaped by a family history that imbued in him a sense of self-confidence and commitment to setting goals and seeking to accomplish them. In addition to these personal values, the book also reveals a self-driven person with unflinching commitment to duty. Nothing seems to stand in the way of Dr. Mengi in his determination to reaffirm his self-worth through the pursuit of excellence.

Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child. Thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written while Brecht was in exile in the United States during the Second World War, The Caucasian Chalk Circle is a politically charged, much-revived and complex example of Brecht's epic theatre. This new Student Edition contains introductory commentary and notes by Kristopher Imbriggota from the University of Puget Sound, US, offering a much-needed contemporary perspective on the play. The introduction covers: - narrative structure: play about a play within a play ("circle") - songs and music - justice and social systems - context: Brecht, exile, WWII, socialism - notions of collective and class - fable and story adaptation, folk fairy tale Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.

Made Simple

Elements of Banking: Made Simple discusses the fundamental concepts of banking. The book covers the various banking services, such as saving, lending, and investment. In the first two chapters, the text reviews the history of banking and money system. The succeeding four chapters deal with customers. These chapters cover types of customers and the accounts available to them. Next, the legal bases of banking are discussed, while the British banking systems are primarily concerned in Chapters 8 to 11. The next four chapters cover the banking services, which include lending, savings, and investment. Chapters 16 to 18 discuss banking and international trade. The next chapter deals with promoting banking services, and the last chapter tackles the Institute of Bankers. The book will be of great interest to the undergraduate students of accountancy, business administration, and management.

Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

The very best of the world's best researchers have discovered a way to develop Africa: Way Omega. Now Africa's heads of state are at a summit to approve it. If they do, it promises Africa will start developing immediately. Unknown to the summit are aggrieved conspirators plotting to defeat Way Omega and replace it with a rival strategy: Path Alpha. Their path, they say, is the only way. Should the summit still follow Way Omega, or make a U-turn? Fathers of Nations is a satire on contemporary African politics.

For many scholars, the study of community and community development is at a crossroads. Previously dynamic theories appear not to have kept pace with the major social changes of our day.

Given our constantly shifting social reality we need new ideas and research that pushes the boundaries of our extant community theories. Theory, Practice, and Community Development stretches the traditional boundaries and applications of well-established community development theory, and establishes new theoretical approaches rooted in new disciplines and new perspectives on community development. Expanded from a special issue of the journal Community Development, Theory, Practice, and Community Development collects previously published and widely cited essays, as well as new theoretical and empirical research in community development. Compiled by the editors of Community Development, the essays feature topics as varied as placemaking, democratic theory and rural organizing. Theory, Practice, and Community Development is vital for scholars and practitioners coming to grips with the rapidly changing definition of community.
