All resources come together with grammar explanations and vocabulary definitions so you can follow along. Each resource is written naturally (what a native Korean speaker might read or write) and similar to what you can find in real Korean writing – you're getting the real deal. This book contains over 700 vocabulary words, and all are listed in the glossary for easy reference. Through this book you'll practice Korean reading at an advanced level, while refining and expanding your grammar, vocabulary, and reading skills along the way.
