In this extremely positive, motivational, and often laugh-out-loud memoir, Jake Paul pauses long enough from his supercharged day-to-day as a nineteen year old social media heartthrob and costar on the Disney Channel series Bizaardvark to share his takes on life, love, fame, and shooting for the moon. Growing up as a regular kid in Ohio, Jake Paul always knew he wanted to do something big, but he wasn't sure what that thing was—that is, until he found his calling as one of Vine's most famous comedians. As a high school sophomore, Jake began making comedy videos with his older brother, Logan, and posting them online. With every carefully staged prank, Jake and Logan's following grew—and after a few stumbling blocks, Jake finally forged his own way. Eventually, he traded his childhood home in Cleveland for sunny, sparkling Hollywood. In *You Gotta Want It*, Jake reflects on the path that led him to stardom. From learning the value of a disciplined work ethic, to achieving his goals and aspirations along the way to digital celebrity, to the crazy behind-the-scenes details of his journey as a creator and actor, Jake relates the most hysterical and intimate details of his life thus far—all with the signature humor, honesty, and unstoppable attitude that have won him millions of devoted followers.

One of the greatest players of all time, Duncan Edwards's story is one of tragic heroism. From a working-class Dudley upbringing, Edwards rose to great heights at Manchester United. In only five years, he helped United to win two league championships and to reach the semi-finals of the European Cup. Edwards made his England debut in a game against Scotland at just 18 years and 183 days. He went on to play 18 games for his country, including all four of the qualifying matches for the 1958 World Cup, in which he was expected to be a key player. Sir Bobby Charlton has described him as 'the only player that made me feel inferior' and Terry Venables claimed that, had he lived, it would have been Edwards, not Bobby Moore, who would have lifted the World Cup as captain in 1966. Page-turning and poignant, author James Leighton tells a story of a magnificent sportsman and great man - the perfect contrast to the headline-grabbing footballers of today.

USA TODAY BESTSELLING BOOK! *Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his Indigenous culture is "an illuminating, inside account of homelessness, a study of survival and freedom" (Amanda Lindhout, bestselling coauthor of *A House in the Sky*). Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude. Worse, the ghost of Jesse's drug-addicted father seemed to haunt the memories of every member of the family. Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine, Jesse knew he would die unless he turned his life around. Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, *From the Ashes* is ultimately a celebration of love and "a story of courage and resilience certain to strike a chord with readers from many backgrounds" (*Library Journal*).

THE HILARIOUS SUNDAY TIMES BESTSELLER Ant: As the old Chinese proverb says, 'Good things come in pairs'. Dec: And as another Chinese proverb says, 'If you've been in a double act with your best mate for thirty years, why not write a book about all your most memorable moments in three decades of showbusiness?' Ant: Less catchy that one, isn't it? Dec: But no less true. And after three decades together, we've written that book. Covering everything from a pirate radio storyline in Byker Grove through to the biggest shows on telly, this is our story. Ant: Thirty years, eh? Amazing. Dec: Absolutely. Especially when you consider we are both still 27 years old. Ant and Dec hold a special place in the hearts of TV viewers everywhere. This is their epic story, with never-before-seen photography and the very best tales from their 30 years in TV. From their modest beginnings in Byker Grove through to their "unique" time as pop stars and an award-laden TV career, those three decades have flown by in the blink of an eye. They've also featured an incredible cast of supporting characters, including their first scriptwriter - (an unknown comedian called David Walliams), Saturday night fun and games with countless Hollywood A-listers, and celebrities they torture - sorry, work with - every year in the jungle. Told through the lens of every TV show they've made, as well as everything they've learnt along the way, this is the riotously funny journey of two ordinary lads from Newcastle who went on to achieve extraordinary things.

"These are thoughts for us all, sooner or later—and this is a book I'll keep with me, as long as I live."—David Sexton, The Scotsman In 2008, art critic Tom Lubbock was diagnosed with a rare brain tumor and told he had only two years to live. Physically fit and healthy, and suffering from few symptoms, he faced his death with the same directness and courage that had marked the rest of his life. Lubbock was renowned for the clarity and unconventionality of his writing, and his characteristic fierce intelligence permeates this extraordinary chronicle. With unflinching honesty and curiosity, he repeatedly turns over the fact of his mortality, as he wrestles with the paradoxical question of how to live, knowing we're going to die. Defying the initial diagnosis, Tom survived for three years. He savored his remaining days; engaging with books, art, friends, his wife and their young son, while trying to stay focused on the fact of his impending death. There are medical details—he vividly describes the slow process of losing control over speech as the tumor gradually pressed down on the area of his brain responsible for language—but this is much more than a book about illness; rather, it's a book about a man who remains in thrall to life, as he inches closer to death. "I hope that if I am ever diagnosed with a terminal illness I will remember to reread Until Further Notice, I Am Alive. It is, in its tough-minded way, truly joyous."—Lynn Barber, Sunday Times

FROM THE STAR of the award-winning BBC sitcom *Miranda*, comes Miranda Hart's hilarious account of life with her beloved dog Peggy, a gorgeous white bichon frise. 'Hilariously funny and often moving memoir ... we loved every word *****' Heat 'Open, honest ... her misadventures are hilariously described ... charming and funny' Daily Express * * * * * Hello dear book browser and welcome to *Peggy & Me*, the story of my life since getting a beautiful Shih-Tzu Bichon Frise cross puppy (I call the breed a Shitty Frise – fun) in the form of Peggy. Some of you may be thinking: "a book about a dog, how totally brilliant, I need hear no more, I'm sold." In which case we should be best friends and go out to tea together, every day. Others of you may be thinking: "a book about a dog, how totally mad, she must have officially lost it." In which case I completely understand. For I once viewed dog owners with much suspicion. The way they obsessively talk about their dogs often using voices for them to reply; the way they have a light covering of dog hair all over their clothes and sofas; and worse, an alarming comfort and ease around excrement. But I now get why people become so mad about their hounds. It wasn't instant love I have to admit. Getting a puppy when I was at a low ebb in my life wasn't easy – there was a lot of challenging, what I call, dog administration (dog-min), and the humiliating first trip to the vet still haunts me. It's been a bumpy old road, but Peggy has been lovingly by my side through some life-changing moments and I wouldn't have coped without her. Most surprisingly she has taught me a huge amount – not how to get an old pie packet out of a bin and lick it (I could already do that), but real lessons about life and love and trust and friendship. Put aside any doggy reservations and come walkies with Peggy and me ...
