

La Raccolten Sturmtruppen 3

The horrors and brutality of the Holocaust are captured in this gripping graphic novel, which follows the story of a couple, Kazik and Cessia, who lose a daughter at Auschwitz and barely survive the concentration camp themselves, in a historical saga based on the reminiscences of actual concentration-camp survivors.

A brand-new edition of the greatest work from comics master Joe Kubert! The astonishing true story of a family in Sarajevo, Bosnia, trapped in a city under siege as war and genocide rage around them, with only a fax machine to communicate. On the receiving end of these faxes from his trapped friend, Kubert brilliantly illustrates their struggle toward freedom against the worst kind of odds. It's the tale of a very real war, told from the perspective of innocent victims, but it's also full of strength, survival, and love.

Back in a new printing is this original vision of a forest filled with cute horny winged little fairies in tight fetish leather outfits. In Kondom's fairy-world, when a fairy turns 100 years old they become keepers and caretakers of the forest and all the little critters who live in the woods. While searching for a missing Stag Beetle, Pfil comes across an isolated house with three evil fairies who drug, bind and take her prisoner for their own sexual purposes.

The first assault units (Sturmtruppen) were formed during the spring and summer of 1916, when the Sturmbataillon Rohr was organized and after General Falkenhayn, head of the OHL, gave orders for the creation of special detachments. These detachments had the mission of spreading the Stosstrupptaktik, a new tactic which decisively transformed the fighting methods of the German Army. But long before this happened, another type of troops had been created within the German infantry during the winter of 1914-1915: the Shock troops (Stosstruppen), fresh infantry groups that were never officially recognized as such and never belonged to any permanent unit, but remained active until the end of the war and contributed to improving the offensive capacity of the German infantry. This book is a narration of the history of the shock and assault troops and covers their combat methods. Finally, it offers a comprehensive description of their uniforms, equipment, and weapons, along with a large number of illustrations and period photographs rarely seen.
