

Lady Of Hay

“A juice box of suburban satire laced with Alfred Hitchcock” (The Washington Post)—a novel of art, motherhood, and the intensity of female friendships, set in the posh hills above Los Angeles, from the New York Times bestselling author of California NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Boston Globe • San Francisco Chronicle • New York Observer • Huffington Post • The Millions • Nylon • Vulture • Bustle High in the Hollywood Hills, Lady Daniels has separated from her husband. She’s going to need help with their toddler son if she’s going to finish the memoir she can’t stand writing. From a Craigslist ad, she hires S, a magnetic young artist, to live in the guesthouse behind the pool, take care of Lady’s young son, and keep an eye on her older, teenage one. S performs her job beautifully and quickly draws the entire family into her orbit—but she isn’t exactly who she seems. As Lady and S grow closer, old secrets and new betrayals come to light, jeopardizing what they hold most dear. Praise for Woman No. 17 “Woman No. 17 is propulsive and moving, and considers vital questions with empathy and sly intelligence. . . . A winning novel.”—The New York Times Book Review “Lepucki’s exploration of personal relationships takes on an increasingly noirish tone: Much like Chekhov’s gun, a swimming pool introduced early in the book takes on the shadows of a floating body long before the reader realizes this might be a possibility.”—Elle “Edan Lepucki’s Woman No. 17 is part family melodrama, part twisty self-reflection. . . . Very funny.”—GQ “While Woman No. 17 does possess all the trappings of a frothy page-turner—stormy arguments, showy melodrama, and (oops!) an affair—there are some quiet, serious moments, too. It’s the intersection between the two that makes this read both scintillating and thought-provoking.”—San Francisco Chronicle

Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee’s family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able seek out and forgive her family’s killers. The triumphant story of this remarkable young woman’s journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss.

A stunning, lyrical picture book - a timely fable about climate change and the transformative power of kindness. There was once a bear, a great, white bear - Queen of Beasts. Her kingdom was a beautiful, cold, glistening place. But over the years the ice disappeared, slipping away like sand through an hourglass. Slowly, slowly, one by one, the other animals moved on. The Great Bear has no choice but to leave her snowy realm to search for food, friends and a new home. She soon discovers a world that is growing hotter whilst hearts grow colder - until one small act of kindness changes everything. The Bear in the Stars is a story about loss, kindness and new beginnings. A beautiful and inspirational book for readers of all ages.

The whole "big city, successful career, loyal, hot girlfriend" experiment has been a miserable failure for veterinarian Tess Robinson, so she's moved back home to a small town in the Scottish countryside. She doesn't count on a run-in with the stuck-up, maddening, local landowner Lady Susannah Karlson, who tries to boss Tess around as if she owns the whole town...which she sort of does. Closeted, wealthy, ice queen Lady Karlson is having the worst year—becoming widowed, being embroiled in a public feud over her vast estate, and now finding herself at odds with the sharp-tongued new vet who has just blown in from London. The annoying woman is so unsuitable to tend her horses, so impertinent, and so frustratingly cute. As their clashes build and they're thrust together against a back-drop of eccentric village busybodies, class warfare, and deadly dangers, the circling women start to wonder if there might be something more to the rising tensions between them. It can't all be hate, can it? In a world of expectations, this quirky, enemies-to-lovers lesbian romance is about making your own path.

A sharp and biting funny novel about a professor whose calm-ish midwestern life gives way to a vortex of crises—and her attempts to salvage the pieces without going to pieces herself In the space of a few torrid months on the Iowa prairie, Phillipa Maakestad—long-married theater professor and mother of an unstable daughter—grapples with a life turned upside down. After falling headlong into a passionate affair during a semester spent teaching in Ohio, Phillipa returns home to Iowa for her daughter Ginny's wedding. There, Phillipa must endure (among other things) a wedding-day tornado, a menace of a mother-in-law who may or may not have been a Nazi collaborator, and the tragicomic revenge fantasies of her heretofore docile husband. Naturally, she does what any newly liberated woman would do: she takes a match to her life on the prairie and then steps back to survey the wreckage. Set in the seething political climate of a contentious election, Thisbe Nissen's new novel is sexy, smart, and razor-sharp—a freight train barreling through the heart of the land and the land of the heart.

The health spa is known for its luxurious offerings and prestigious clientele, and the wealthy, socialite background Lyra desperately wanted to leave behind is perfect for this undercover job. What Lyra lacks in investigative experience she makes up for in gut instinct, and her gut isn't happy that she's saddled with a partner by Luther Pell, Raina's dangerous lover, who wants to bring in someone with more experience to help. Lyra suspects that Simon is much more than what he seems, and her instincts are confirmed when they arrive at the spa and pose as a couple: Simon has a unique gift that allows him to detect secrets, a skill that is crucial in finding Raina. The unlikely duo falls down a rabbit hole of twisted rumors and missing socialites, discovering that the health spa is a façade for something far darker than they imagined. With a murderer in their midst, Raina isn't the only one in grave danger—Lyra is next.

A startling reevaluation of Lady Byron's marriage and the untold story of her complex life as single mother and progressive force. The center of public attention after her tumultuous marriage to Lord Byron, Annabella Milbanke transformed herself from a neglected wife into a figure of incredible resilience and social vision. After she and her infant child were cast out of their home, she was left to navigate the stifling and unsupportive social environment of Regency England. Far from a victim or an obstacle to Byron's work, however, Lady Byron was a rebel against the fashionable snobbery of her class, founding the first Infants School and Co-Operative School in England. A poet and talented mathematician, Lady Byron supported the education of her precocious daughter, Ada Lovelace, now recognized and lauded as a pioneer of computer science, and saved from death her "adoptive daughter" Medora Leigh, the child of Lord Byron's incest with his sister. Lady Byron was adored by the younger abolitionist Harriet Beecher Stowe and by many notable friends. Yet her complex relationships with her family, including the sister Byron loved, runs like a live wire through this skillfully told and groundbreaking biography of a remarkable woman who made a life for herself and became a leading light in her century.

A powerful tragedy distilled into a small masterpiece by the Nobel Prize-winning author of *Beloved* and, almost like a prelude to that story, set two centuries earlier. Jacob is an Anglo-Dutch trader in 1680s United States, when the slave trade is still in its infancy. Reluctantly he takes a small slave girl in part payment from a plantation owner for a bad debt. Feeling rejected by her slave mother, 14-year-old Florens can read and write and might be useful on his farm. Florens looks for love, first from Lina, an older servant woman at her new master's house, but later from the handsome blacksmith, an African, never enslaved, who comes riding into their lives . . . At the novel's heart, like *Beloved*, it is the ambivalent, disturbing story of a mother and a daughter — a mother who casts off her daughter in order to save her, and a daughter who may never exorcise that abandonment.

The Life and Legends of Matilda de Braose

A Hundred Small Lessons

Through the richly intertwined narratives of two women from different generations, Ashley Hay, known for her “elegant prose, which draws warm and textured portraits as it celebrates the web of human stories” (New York Times Book Review) weaves an intricate, bighearted tale of the many small decisions—the invisible moments—that come to make a life. “Readers who loved the quiet introspection of Anita Shreve’s *The Pilot’s Wife* and Elizabeth Strout’s *Olive Kitteridge* will enjoy the detailed emotional journeys of Hay’s characters. Their stories will linger long after the final page is turned” (Library Journal). When Elsie Gormley falls and is forced to leave her Brisbane home of sixty-two years, Lucy Kiss and her family move in, eager to make the house their own. Still, Lucy can’t help but feel that she’s unwittingly stumbled into an entirely new life—new house, new city, new baby—and she struggles to navigate the journey from adventurous lover to young parent. In her nearby nursing facility, Elsie traces the years she spent in her beloved house, where she too transformed from a naïve newlywed into a wife and mother, and eventually, a widow. Gradually, the boundary between present and past becomes more porous for her, and for Lucy—because the house has secrets of its own, and its rooms seem to share with Lucy memories from Elsie’s life. Luminous and deeply affecting, *A Hundred Small Lessons* is a “lyrically written portrayal” (BookPage, Top Pick) of what it means to be human, and how a place can transform who we are. It’s about a house that becomes much more than a home, and the shifting identities of mother and daughter; father and son. Above all else, this is a story of the surprising and miraculous ways that our lives intersect with those who have come before us, and those who follow.

Daughters of Fire

Two women, centuries apart. Linked in a place haunted by its history . . .

The riveting true story of decadence, deception, and murder among British aristocrats in colonial Kenya In 1941, with London burning in the Blitz, a group of hedonistic English nobles partied shamelessly in Kenya. Far removed from falling bombs, the wealthy elites of "Happy Valley" indulged in morphine, alcohol, and unrestricted sex, often with their friends' spouses. But the party turned sinister in the early hours of a January morning for Josslyn Hay, Lord Erroll, who had been enjoying the favors of the beautiful young wife of a middle-aged neighbor. Hay was found dead, a bullet in his brain. The murder shocked the close-knit community of wealthy expatriates in Nairobi and shined a harsh light on their louche lifestyle. Three decades later, author James Fox researched the slaying of Lord Erroll, an unsolved crime still sheathed in a thick cloud of rumor and innuendo. What he discovered was both unsettling and luridly compelling. White Mischief is a spellbinding true-crime classic, a tale of privileged excess and the wages of sin, and an account of one writer's determined effort to crack a cold and craven killing.
