

Last Another Day Dangerous Days Zombie Apocalypse Book 1

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jaalibrud. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

The Dead have risen Nadia, alone and frightened, runs not only from the infected but also the guilt that haunts her footsteps. With her, she carries a secret, one that could change everything. Haunted by the death of his beloved, Logan wanders the highways in search of redemption. In saving Nadia, he finds a measure of peace, and together, they hold the key to survival. But back home, Max faces a new enemy. One that will not be defeated without great sacrifice. Backed by the rest of the camp, he prepares for battle. A fight that could cost them everything. Will they Die Another Day? The sun beats down on the South African veldt, shining on the last remnants of humanity. A few hold on to their values while others prey on the weak, replacing the undead as the new apex predator in the food chain. Die Another Day is a Zombie Apocalypse adventure for fans of Horror and Dystopia. Its blood-spattered pages are filled with gore and action, yet has a strong emotional heart that will leave you craving more. Get your copy today and join the fight for humanity's survival.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

In the tradition of *The Wire*, the " utterly absorbing " (The New York Times) story of the cinematic transformation of Miami, one of America ' s bustling cities—rife with a drug epidemic, a burgeoning refugee crisis, and police brutality—from journalist and award-winning author Nicholas Griffin. Miami, Florida, famed for its blue skies and sandy beaches, is one of the world ' s most popular vacation destinations, with nearly twenty-three million tourists visiting annually. But few people have any idea how this official capital of Latin America came to be. The Year of Dangerous Days is " an engrossing, peek-behind-your-fingers history of an American city on the edge " (Kirkus Reviews). With a cast that includes iconic characters such as Jimmy Carter, Fidel Castro, and Janet Reno, this slice of history is brought to life through intertwining personal stories. At the core, there ' s Edna Buchanan, a reporter for the Miami Herald who breaks the story on the wrongful murder of a black man and the shocking police cover-up; Captain Marshall Frank, the hardboiled homicide detective tasked with investigating the murder; and Mayor Maurice Ferr é, the charismatic politician who watches the case, and the city, fall apart. On a roller coaster of national politics and international diplomacy, these three figures cross paths as their city explores one of the worst race riots in American history as more than 120,000 Cuban refugees land south of Miami, and as drug cartels flood the city with cocaine and infiltrate all levels of law enforcement. In a battle of wills, Buchanan has to keep up with the 150 percent murder rate increase; Captain Frank has to scrub and rebuild his homicide bureau; and Mayor Ferr é must find a way to reconstruct his smoldering city. Against all odds, they persevere, and a stronger, more vibrant, Miami begins to emerge. But the foundation of this new Miami—partially built on corruption and drug money—will have severe ramifications for the rest of the country. Deeply researched, " well-written " (New York Journal of Books), and covering many timely issues including police brutality, immigration, and the levels of crisis. The Year of Dangerous Days is both a clarion call and a dramatic rebirth story of one of America ' s most iconic cities.

At Day's Close: Night in Times Past

A Poem, in Twelve Books. The Author John Milton

Deadcore

Why Today's Super-Connected Kids Are Growing Up Less Rebellious, More Tolerant, Less Happy--and Completely Unprepared for Adulthood--and What That Means for the Rest of Us

A stunning new young adult adventure set in the kingdoms of the Remnant, by the author of the New York Times–bestselling *Remnant Chronicles* and the *Jenna Fox Chronicles*. A formidable outlaw family that claims to be the first among nations. A son destined to lead, thrust suddenly into power. Three fierce young women of the Rahtan, the queen's premier guard. A legendary street thief leading a mission, determined to prove herself. A dark secret that is a threat to the entire continent. When outlaw leader meets reformed thief, a cat-and-mouse game of false moves ensues, bringing them intimately together in a battle that may cost them their lives—and their hearts. The Remnant Chronicles *The Beauty of Darkness The Heart of Betrayal The Kiss of Deception Praise for Dance of Thieves: "Pearson is a gifted storyteller and spinner of eminently satisfying romances and fantasy. Fans will thrill at these newest protagonists, especially the women warriors, who are equal partners in the play for power."* —Publishers Weekly*"This novel has it all—romance, conflict, danger, and humor. A must-have for all fantasy YA shelves."* — School Library Journal

Suicide attacks on Israelis, bombings, assassinations, and bloodshed in Jerusalem, Gaza, and the West Bank dominate the news from the Middle East. It is the most troubled region on earth. At its heart is the conflict between Palestinians and Israelis - and the legacy of six days of war in 1967. After the state of Israel emerged from war in 1948, both sides knew more battles were coming. In June 1967, years of slow-burning tension exploded. In six extraordinary days, Israel destroyed the armed forces of Egypt, Jordan, and Syria. But far from bringing peace, as many Israelis hoped, their stunning victory turned into a curse. From the initial battle order issued to the Israeli air force on Monday June 5, 1967 to the final ceasefire on the evening of Saturday the 10th, the Six-Day War was a riveting human drama. Building on his first-hand experience of the region after his five years as the BBC's Middle East Correspondent, as well as extensive original research, Jeremy Bowen presents a compelling new history of the conflict. Six Days recreates day by day, hour by hour, the bullying and brinckmanship that led four nations to war, interweaving testimonies of combatants from all sides in a seamless narrative. A rigorous and original piece of modern history is as vivid as fiction, Six Days not only sheds new light on one of the key conflicts of the twentieth century, it explains much about the Middle East and the problems the region still faces today.

The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question—and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction—and what really solves it. He uncovered a range of remarkable human stories—of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; and of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs—with extraordinary results. Chasing the Scream is the story of a life-changing journey that transformed the addiction debate internationally—and showed the world that the opposite of addiction is connection.

An account of the Trump presidency draws on interviews with firsthand sources, meeting notes, diaries, and confidential documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest.

The Dangerous Days of Daniel X

Short Story Collection -

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS Join authors Randy Chandler, Ben Chetnam, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre. FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." THE STORIES DEAD JIJU BY RANDY CHANDLER He's the mystery man on the news. Where he shows up, the shit goes down. The dead are rising, the immigration issue has reached the boiling point, and the world is on the edge of a nuclear war. DEADCORE is a collection of four short stories that explore the darkest corners of the zombie genre. PROPPELLER HATS FOR THE DEAD) BY DAVID JAMES KEATON At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. ZOMBIE SAFARI BY BEN CHEETHAM Survivors of a zombie apocalypse have carved out new existences on islands, only visiting the mainland to hunt zombies. But a trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human.

A collection of short stories based on the book: Last Another Day When Brian is attacked by a mad man, he unwittingly takes the virus home to his wife, Morgan, endangering the very person he loves the most. Maria, an abused wife, loses the freedom she seeks but exacts a terrifying revenge on her oppressor, the man who once promised to love and cherish her till death do them part. The outbreak hits the city of Johannesburg, forcing a terrified young mother into the streets. Will she and her children survive the night? Learn more about the world and characters as the hope of being rescued.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo across the island, the boys realize that they are as vulnerable as the animals they hunt.

4 Hardcore Zombie Novellas

The Inspiration for the Feature Film "The United States vs. Billie Holiday"

The young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

Fate hangs in the balance... Max fights a losing battle to keep his loved ones safe. Faced with the specter of starvation and disease, he's forced to make a decision. One that could be their salvation, or their doom. ??? Hatred will corrupt even the fiercest... Enraged by the loss of Mpho, Michael sets off on a quest for revenge. Hi journey takes him far from his friends, but even farther from himself. Can he regain his senses before it's too late, or will the darkness in his soul finally reign victorious? All it takes is one mistake... As the sun sets against the backdrop of the African veldt, shining on the last remnants of humanity. A few hold on to their loved one's bodies, humanity's last hope rests in the hands of ordinary men and women called to do extraordinary things. For fans of all things zombie comes your next obsession, a thrilling series that you won't want to end. This is the final book in the Dangerous Days Series and packs a serious apocalyptic punch! Complete Series now available. Scroll up and grab your copy today!

One man's death will change the future. Only two people can save him - if they have the courage to trust each other. Elizabeth Barritt fought hard for the life she has, finally putting the ugly memories of a childhood trapped in the foster care system behind her. She has the chance to move forward, to reach out for a new, exciting future, surrounded by the art that is her passion. All she has to do is take the first step. Enter Jackson Kane, who bursts into her life, literally out of thin air. He is a time traveler, on the hunt for a way to change the future. He is a man who has spent his entire life protecting Elizabeth from that agent, she makes a decision that will change her life, in ways she can't even begin to grasp. She takes him home. Once he is healed enough to travel, Kane goes after the agent, chasing him back to war-torn London. But his journey back takes a sideways turn, forcing Elizabeth to make another choice. She follows him into the past, to help him stop one man from changing their future. Together, they learn to trust. What they don't expect is the connection between them - a connection that will change their lives. Includes an exclusive preview of First Breath, Book Two of the Love in Time series.

Humanity teeters on the edge...Max prepares to battle Ke Tau, a brutal killer who hungers for ultimate power. His efforts are hampered by dwindling supplies and the ever-present threat of the undead. With morale at an all-time low, the camp's inhabitants will have to stand together and face their fears if they wish to survive.Now the leader of a burgeoning town, Martin is eager to see his friend once more and establish an alliance. They set off across the breadth of South Africa, but will they arrive in time to help? As the hope of being rescued.

African veldt, darkness threatens those who struggle to survive within its cold embrace. With the dawn of a new era, humanity's last hope rests in the hands of ordinary men and women called to do extraordinary things. ??? This is book 3 in the Dangerous Days Series and packs a serious apocalyptic punch!Scroll up and grab a copy of Live Another Day today.

The Little Prince

In the Still of Night

iGen

A Captain's Duty

As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person/perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation!and the world.

#1 NEW YORK TIMES BESTSELLER | ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist:books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. ⚡The kind of book that can be life-changing.⚡The New York Times ⚡Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.⚡USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

"Remarkable!Ekirch has emptied night's pockets, and laid the contents out before us." ⚡Arthur Krystal, The New Yorker Bringing light to the shadows of history through a "rich weave of citation and archival evidence" (Publishers Weekly), scholar A. Roger Ekirch illuminates the aspects of life most often overlooked by other historians:those that unfold at night. In his "triumph of social history" (Mail on Sunday), Ekirch's "enthralling anthropology" (Harper's) exposes the nightlife that spawned a distinct culture and a refuge from daily life. Fear of crime, of fire, and of the supernatural; the importance of moonlight; the increased incidence of sickness and death at night; evening gatherings to spin wool and stories; masqued balls; inns, taverns, and brothels; the strategies of thieves, assassins, and conspirators; the protective uses of incantations, meditations, and prayers; the nature of our predecessors' sleep and dreams:Ekirch reveals all these and more in his "monumental study" (The Nation) of socio-cultural history, "maintaining throughout an infectious sense of wonder" (Booklist).

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson about compassion and acceptance but he gets a new best friend! Grades 3-4

The Every-Other-Day Diet

The Cogs of Alusura is a steam punk adventure following the exploits Eleanor and Simon Braider. As they travel the land of Alusura hunting down their rogue teammates who have killed the King and Queen, they uncover a dark secret that will shake their country to the core and push their very marriage to the brink. Along the way they must fend off hordes of ferocious, elemental fungus monsters that prowl the night and feed on those who leave the safety of Alusura's walled cities. The Dunsday Clock gauges the threat of nuclear war. Currently, the clock is set at six minutes before midnight. What happens after the hands reach midnight? Survivalist Leoland Dawett finds out when he and his family are plunged into the nightmare of their country returned to a third-world state. No phones. No computers. No television. At first, Leoland thinks basic survival is the answer. Until he crosses the path of the wrong guy... Someone who wants to do more than just survive... "I share the country's admiration for the bravery of Captain Phillips and his selfless concern for his crew. His courage is a model for all Americans." --President Barack Obama It was just another day on the job for fifty-three-year-old Richard Phillips, captain of the Maersk Alabama, the United States-flagged cargo ship which was carrying, among other things, food and agricultural materials for the World Food Program. That all changed when armed Somali pirates boarded the ship. The pirates didn't expect the crew to fight back, nor did they expect Captain Phillips to offer himself as hostage in exchange for the safety of his crew. Thus began the tense five-day stand-off, which ended in a daring high-seas rescue when U.S. Navy SEALs opened fire and picked off three of the captors. "It never ends like this," Captain Phillips said. And he's right. A Captain's Duty tells the life-and-death drama of the Vermont native who was held captive on a tiny lifeboat off Somalia's anarchic, gun-plagued shores. A story of adventure and courage, it provides the intimate details of this high-seas hostage-taking—the unbearable heat, the death threats, the mock executions, and the escape attempt. When the pirates boarded his ship, Captain Phillips put his experience into action, doing everything he could to safeguard his crew. And when he was held captive by the pirates, he marshaled all his resources to ensure his own survival, withstanding intense physical hardship and an escalating battle of wills with the pirates. This was it: the moment where training meets instinct and where character is everything. Richard Phillips was ready.

These Guidelines review the use of medicines such as methadone, buprenorphine, naltrexone and clonidine in combination with psychosocial support in the treatment of people dependent on heroin or other opioids. Based on systematic reviews of the literature and using the GRADE approach to determining evidence quality, the guidelines contain specific recommendations on the range of Issues faced in organizing treatment systems, managing treatment programmes and in treating people dependent on opioids. Developed in collaboration with internationally acclaimed experts from the different regions of the globe, this book should be of interest to policy makers, program managers, and clinicians everywhere who seek to alleviate the burden of opioid dependence.

A Long Walk to Water

Riots, Refugees, and Cocaine in Miami 1980

Sir Gawain and the Green Knight (A New Verse Translation)

A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. Reprint. 20,000 first printing.

Chase Williams is a demon hunter in the Circle, or at least he was supposed to be. On his fifteenth birthday, Chase stepped up to the altar to claim his elemental power, but it never came. Elemental magic is passed down to a hunter through the bloodline, but on Chase's birthday, the bloodline stopped. Exiled without the Circle's protection, Chase has spent two years trying to survive a world riddled with half-demons and magic. When he has a run in with a frightened and seemingly innocent demon, he learns the Circle's agenda has changed: the Circle plans to unlock a portal and unleash pure-blood demons into the world. Vowing to stop them, and knowing he can't do it alone, Chase forms a reluctant alliance with Rayna - a sexy witch with an attitude and a secret. In their attempt to stop them, Chase and Rayna find themselves in the middle of the Circle's plan, leaving one of them to decide what their friendship is worth, and the other's life depending on it.

Possessing supernatural abilities that enable him to change animals, objects, and himself into any shape of his choosing, Daniel protects the earth from alien predators while seeking the entities responsible for the murders of his parents.

Daddy's Briefcase

Half Past Midnight

Six Days

After a collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she meets the hypnotically charming and strangely intense Murosky's Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is lurking just off the coast. It's been there, waiting for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning away from her destiny, if she can survive. Young Adult Paranormal
