

Last Days Of Jesus

What do history and archaeology have to say about Jesus' death, burial, and resurrection? In this superb general-reader book, two of the world's most celebrated writers on the historical Jesus share their greatest findings. Together, Craig A. Evans and N. T. Wright concisely and compellingly convey the drama and the world-shattering significance of Jesus' final days on earth. Certain to be a best seller during the Lent/Easter season and beyond!

Discusses a recent archaeological discovery in Jerusalem that the authors claim is the earliest evidence of the resurrection of Christ, and reopens the historical discussion about the family tomb of Jesus.

In this imaginative retelling, John Pritchard explores the Gospel of Luke by looking through the eyes of the disciple John. The Journey to Jerusalem follows Luke's account from Luke 9:51, as Jesus set his face to go to Jerusalem. Perfect for individual or group study, The Journey to Jerusalem provides weekday readings for Lent, from Ash Wednesday to Good Friday, along with a poem for each Saturday. Questions for reflection and discussion are also included.

The Final Days of Jesus

The Last Days

In *The Final Days of Jesus*, Mark Smith brings his experience as a classical historian to bear on the life of the historical Jesus, piecing together the volatile political context of first-century Judaea, as well as the lives of Pontius Pilate, Annas, and Joseph Caiaphas. The claim that 'the Jews crucified Jesus' has spawned a long and tragic history of Christian anti-Semitism. Smith challenges this claim through detailed exploration of Roman, Jewish, and Christian written sources and a broad range of archaeological evidence, such as the ossuary of Caiaphas, the 'Hidden Gate', and the rich vein of research devoted to the archaeology of ritual purity. The result is an earthy and nuanced portrait of Jewish life under Roman rule. From his discussion of the multiplicity and brutality of Roman executions to the intricate personal relationships among elites

Read Book Last Days Of Jesus

that provided the means of collaboration and redress, Smith details the complex push-pull of forces between Rome and the Temple as they collided in one history-changing week. Ever since the gospels were written there have been questions about the momentous events that occurred during the final days of Jesus. Renowned archaeologist Shimon Gibson breaks new ground examining the critical last days of the life of Jesus using his extraordinary access to firsthand archaeological findings as principal evidence. Gibson explains: “The purpose of this book is to unravel once and for all the mystery surrounding the final days of Jesus in Jerusalem: why he went there; how he came to be arrested, tried, and crucified; and where his place of burial was located. There is no doubt that some of my conclusions regarding Jesus and Jerusalem may be controversial.” Describing the events of the final days of Jesus chronologically, beginning with his entrance into Jerusalem on a donkey and ending with his burial in a tomb after having been crucified, Gibson unveils a vivid picture of first-century Jerusalem; its monuments, streets, and houses; and, of course, the Jewish Temple that was the jewel in the crown of the city. The Jesus that emerges in these pages is a teacher and healer who captures the fascination of the crowds. As a man from an accomplished and well-off rural background, trained in matters of ritual purification by John the Baptist, and as a believer in alternative healing methods, Jesus's speeches and teachings—made in the tinder-box atmosphere of Passover festivities in Jerusalem—scared the Jewish and Roman authorities to such a degree that they decided to have him put to death. Gibson reveals how archaeology has a major role to play not only in how the gospels should be read and understood, but also in understanding Jesus in his world. Millions of readers have thrilled to bestselling authors Bill O'Reilly and historian Martin Dugard's *Killing Kennedy* and *Killing Lincoln*, page-turning works of nonfiction that have changed the way

Read Book Last Days Of Jesus

we read history. Now the iconic anchor of The O'Reilly Factor details the events leading up to the murder of the most influential man in history: Jesus of Nazareth. Nearly two thousand years after this beloved and controversial young revolutionary was brutally killed by Roman soldiers, more than 2.2 billion human beings attempt to follow his teachings and believe he is God. Killing Jesus will take readers inside Jesus's life, recounting the seismic political and historical events that made his death inevitable - and changed the world forever.

This continuation of the Deeper Connections series takes us behind the scenes of main events in Jesus' life to understand what made him extraordinary and to learn how to draw on his transforming power. It is only when we drink deeply from the life of Christ that we can be rescued from our failures and spiritual death.

Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

The Last Days of Jesus His Life and Times Macmillan

The author of The Jesus Dynasty draws on St. Paul's letters and other early sources to reveal the apostles' sharply competing ideas about the significance of Jesus and His teachings while controversially demonstrating how St. Paul independently shaped Christianity as it is known today. 75,000 first printing.

Read Book Last Days Of Jesus

Paul's life, letters, and theology are unified by the theme of the overlapping of two ages—this age and the age to come. With the life, death, and resurrection of Jesus Christ, the age to come (i.e., kingdom of God) broke into this present age but didn't end it. Where other important doctrines such as justification by faith, reconciliation, and the cross of Christ were key players in Paul's theology, Marvin Pate compellingly demonstrates that the overarching theme driving the Pauline corpus was indeed Paul's inaugurated eschatology. In fact, Paul's apocalyptic framework was only one of a number of other rival eschatologically focused religious perspectives of the day, such as the Imperial Cult, Hellenistic/syncretistic religion, and the merkabah Judaizers. Paul's vigorous debates with the churches he served centered on the exclusivity of the gospel of Christ that he preached: the nonnegotiable apocalypse of Jesus the Messiah. Apostle of the Last Days will be welcomed in the classroom as a one-volume treatment of Paul's life and letters as well as his theology.

What Really Happened

Visions, Prophecy, and Politics in the Book of Revelation

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

For hundreds of years, we thought we knew what happened during Jesus' last days. Holy Thursday, Good Friday and Easter Sunday are not only

observed by Christians around the world, but are also recognized in calendars and by non-practitioners as commemorating the true timeline of events in the life of Christ. But apparent inconsistencies in the gospel accounts of Jesus' final week have puzzled Bible scholars for centuries. In *The Mystery of the Last Supper*, Colin Humphreys uses science to reveal the truth about Jesus' final days. Reconciling conflicting Gospel accounts and scientific evidence, Humphreys reveals the exact date of the Last Supper in a definitive new timeline of Holy Week.

Recalls how Jesus taught people to love, how he was crucified for his teachings, and how his resurrection brought hope to the world.

The anchor of *The O'Reilly Factor* and best-selling author of *Lincoln's Last Days* presents a fact-filled historical examination of Jesus that considers the political and cultural factors that contributed to his trial, conviction and sentencing.

Reconstructing the Final Days of Jesus

What the Gospels Really Teach about Jesus's Final Days in Jerusalem

Biblical theology and doctrines of Jehovah's Witnesses.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to the book, all empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. Will Self introduction by Will Self.

Two thousand years ago, Jesus walked across Galilee; everywhere he traveled he gained followers. His contemporaries are familiar historical figures: Julius Caesar, Caesar Augustus, Herod the Great, Pontius Pilate. It was an era of oppression, when every man, woman, and child answered to the brutal rule of Rome. In this world, Jesus lived, and in a volatile political and historical context, Jesus died—and changed the world forever. Adapted from Bill O'Reilly's bestselling historical thriller *Killing Jesus*, and richly illustrated, *The Last Days of Jesus* is a riveting, fact-based account of the life and times of Jesus.

Anyone wrestling with Jesus' understanding of the last days must begin by braving the tempest of controversy surrounding the interpretation of Mark 13—a passage on which virtually every NT scholar of the last century has felt compelled to comment. From Strachan to Schniewind, Perrin to Drewermann, rabbit trails to roadways, Beasley-Murray charts the complex and sometimes confusing paths of interpretation. Obviously, any interpreter who wishes to begin at ground-zero must take seriously the forces that have shaped the modern understanding of Jesus' words concerning the End. This study culminates nearly 40 years

Read Book Last Days Of Jesus

research, for Beasley-Murray's passion for Mark 13 began in 1954 with the release of *Mark 13 and the Future*; the present volume is a completely revised and expanded edition of that work, whose longevity as a centerpiece in discussions on Mark 13 warranted its revision and expansion.

The Last Days of Christ the Vampire

The Mystery of the Last Supper

A profound exploration of the Bible's most controversial book—from the author of *Beyond Belief* and *The Gnostic Gospels* The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (*The Philadelphia Inquirer*), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which

Read Book Last Days Of Jesus

religion speaks, Pagels has written what may be the masterwork of her unique career. He rose from the dead... His power grew over the ages. Enslaving minds and bodies through his religious cult and direct telepathic control, Jesus Christ promised people eternal life in return for obedience. Professor Holbach thinks Christ the Vampire is just a metaphor giving him nightmares. But when he starts telling his story, he and his friends are attacked and must flee for their lives. This is the story of how they fight back against the ancient horror. Read the Book. Soon you will see the writing on the wall. Then you will live the reality...

With few exceptions, the Oberammergau Passion Play has been presented by the inhabitants of the village of Oberammergau, Bavaria, Germany every 10 years since 1634. The play is a staging of Jesus' Passion story, covering the final period of his life from his visit to Jerusalem to the journey to the cross.. In his new book and study, *The Passion Play: Living the Story of Christ's Last Days*, author and pastor Rob Fuquay follows the biblical story of the Passion and how it has been experienced through the centuries against the backdrop of this amazing play. Perfect for Lent, this study takes you on a journey to the origins of the Passion Play and helps you understand how the play has been used both as a ritual of praise and later as a weapon through its anti-Semitic past. The book and study help readers and small groups feel a sense of connection to the play while recognizing their own place in the story of Jesus.

Additional components for a six-week study include a DVD featuring Rob Fuquay filmed on location in Oberammergau, Germany and a comprehensive Leader Guide.

'Murder at Golgotha' is a scientific investigation into the last days of Jesus's life, his

death, and his resurrection.

How the Apostle Transformed Christianity

Teachings of Presidents of the Church: Brigham Young

Apostle of the Last Days

This continuation of the Deeper Connections series takes us behind the scenes of main events in Jesus' life to understand what made him extraordinary and to learn how to draw on his transforming power. It is only when we drink deeply from the life of Christ that we can be rescued from our failures and spiritual death."

Specifically, it is about the present evil age that we live in right now. For many Christians, the expression "these last days" refers to the time right before the second coming of Christ—but according to the apostles, the last days started with the first coming of Christ and continue even today.

As more and more false prophets and teachers arise, it is vital that we become better equipped to discern biblical truth. Understanding the Last Days offers a practical, hands-on study of Bible prophecy and the tools necessary to interpret and understand the times to come.

Many Christians are unclear on the details of events during the week leading up to Jesus's crucifixion. Here, top Jesus scholars Marcus J. Borg and John Dominic Crossan offer what

Read Book Last Days Of Jesus

they believe is the real story of Jesus' final week in Jerusalem; together they reveal a radical and little-known Jesus Using the gospel of Mark as their guide, Borg and Crossan present a day-by-day account of Jesus's final week of life. The Last Week depicts Jesus giving up his life to protest power without justice and to condemn the rich who lack concern for the poor. In this vein, at the end of the week Jesus marches up Calvary, offering himself as a model for others to do the same when they are confronted by similar issues. Informed, challenged, and inspired, we not only meet the historical Jesus, but meet a new Jesus who engages us and invites us to follow him.

Six In-Depth Studies Connecting the Bible to Life

A Poem ...

Evangelical Dictionary of Theology (Baker Reference Library)

The Archaeological Evidence

Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology. Every article from the original edition has been revisited. With some articles being removed, others revised, and many new articles added, the result is a completely new dictionary covering systematic, historical, and philosophical theology as well as theological ethics.

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness.

Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the

Read Book Last Days Of Jesus

gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young’s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and

commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the

prophet, seer, and revelator, President Brigham Young. This is the first book to describe and analyze, sequentially and in detail, all the persons, places, times, and events mentioned in the Gospel accounts of Jesus's last week in Jerusalem. Part reference guide, part theological exploration, Eckhard Schnabel's Jesus in Jerusalem uses the biblical text and recent archaeological evidence to find meaning in Jesus's final days on earth. Schnabel profiles the seventy-two people and groups and the seventeen geographic locations named in the four passion narratives. Placing the events of Jesus's last days in chronological order, he unpacks their theological significance, finding that Jesus's passion, death, and resurrection can be understood historically as well as from a faith perspective. Combining a chronological arrangement of the biblical text with insightful commentary, this book serves as a day-by-day guide to Jesus's final week on earth, complete with a quick-reference glossary and color maps.
