It's time to take manifesting off auto-pilot, get behind the wheel, and start steering your life in the direction you want it to go! Manifesting on Purpose clarifies why we manifest what we do, why we experience the same things over and over again, until we step in and weed out our own mental gardens. Ever wonder how is it that 2 people can start off with the same opportunity, and one will become a massive success, while the other barely scrapes by? What's the defining factor? What do successful people know that we're missing? We've been taught that the harder we work the more money, happiness, and success we'll have in life; but if this was the case successful people would constantly we run ragged, and be bleary eyed from lack of sleep, instead of enjoying lots of free time pursuing their heart's desires. So, what are we missing? The Law of Attraction is always working, even when we're not focused on it. The Law of Attraction states that, "Like Attracts Like," we are all energy, so our thoughts get reflected back to us. Your thoughts create your physical reality. The problem? We're always thinking! Our thoughts, ungoverned, bounce around from idea to idea, and all too often, focus on the immediate problems in our lives, creating a feedback loop. Since we attract back what we think about, if we're focused on our problems, what's going to show up? More problems! Your mind is your most valuable asset. Your thoughts literally create your reality. Your current situation is a reflection of your previous thoughts. Most people,

however, do not consciously decide what they want, their subconscious belief systems run everything on auto-pilot; making most people feel as if they are victims of their circumstances. YOU ARE NOT A VICTIM OF CIRCUMSTANCE! You are in the driver's seat, you simply have to take control of the wheel! Take manifesting off auto-pilot, and create the life you want!"But I think positive thoughts," you say. Your conscious thoughts will always be secondary to your subconscious thoughts in the way of manifestation. Until you change your core beliefs to line up with who you wish to become, and what you wish to do, you cannot break the old cycles. Are you ready to take control? Have abundance in money, love, health, freedom, experiences, and all other areas of your life? Then let's get started!

The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

NATIONAL BOOK AWARD FINALIST • One of the first undocumented immigrants to graduate from Harvard reveals the hidden lives of her fellow undocumented Americans in this deeply personal and groundbreaking portrait of a nation. “Karla’s book sheds light on people’s personal experiences and allows their stories to be told and their voices to be heard.” –Selena Gomez FINALIST FOR THE NBCC JOHN LEONARD AWARD • NAMED A BEST BOOK OF THE YEAR BY THE LOS ANGELES TIMES, THE NEW YORK TIMES BOOK REVIEW, NPR, THE NEW YORK PUBLIC LIBRARY, BOOK RIOT, LIBRARY JOURNAL, AND TIME Writer Karla Cornejo Villavicencio was on DACA when she decided to write about being undocumented for the first time using her own name. It was right after the election of 2016, the day she realized the story she’d tried to steer clear of was the only one she wanted to tell. So she wrote her immigration lawyer’s phone number on her hand in Sharpie and embarked on a trip across the country to tell the stories of her fellow undocumented

immigrants—and to find the hidden key to her own. Looking beyond the flashpoints of the border or the activism of the DREAMers, Cornejo Villavicencio explores the lives of the undocumented—and the mysteries of her own life. She finds the singular, effervescent characters across the nation often reduced in the media to political pawns or nameless laborers. The stories she tells are not deferential or naively inspirational but show the love, magic, heartbreak, insanity, and vulgarity that infuse the day-to-day lives of her subjects. In New York, we meet the undocumented workers who were recruited into the federally funded Ground Zero cleanup after 9/11. In Miami, we enter the ubiquitous botanicas, which offer medicinal herbs and potions to those whose status blocks them from any other healthcare options. In Flint, Michigan, we learn of demands for state ID in order to receive life-saving clean water. In Connecticut, Cornejo Villavicencio, childless by choice, finds family in two teenage girls whose father is in sanctuary. And through it all we see the author grappling with the biggest questions of love, duty, family, and survival. In her incandescent, relentlessly probing voice, Karla Cornejo Villavicencio combines sensitive reporting and powerful personal narratives to bring to light remarkable stories of resilience, madness, and death. Through these stories we come to understand what it truly means to be a stray. An expendable. A hero. An American.

THE LAW OF ATTRACTION WORKS...IF YOU WORK IT! The fastest way to manifest your desires is by implementing a Law of Attraction action plan. Since everything in the Universe is energy, the necessary ingredient for manifestation is the consistent mental and emotional energy that you emit in the form of thoughts, feelings, words and actions. It's very important to remember that the phrase "Law of Attraction" contains the word ACTION. Too many people on this spiritual path get caught up reading lots of books about the Law of Attraction, attending numerous seminars and hearing lectures about the Universal Law, but they fail to use the powerful tools that will translate their desires from the invisible

world of cause to the visible world of manifestation. There are many books and audio programs on the market that explain what the Law of Attraction is and what it does, but few that actually teach people how to use this creative power on a daily basis. As a result, this book will provide you with advanced manifestation techniques, strategies, insights, and success stories that will help you quickly manifest your desires with the Law of Attraction. Many students of the Law of Attraction have expressed concerns about being overwhelmed with all the manifestation books and study materials on the market. A friend recently told me: "I went to a book store and saw so many Law of Attraction books that I couldn't decide which to buy." Another friend said, "I know what the Law of Attraction is and what it does, but I am having trouble understanding what I need to do each day to make it work for me." I responded by telling my friend that she is not alone with her concerns. There is a lot of information on the market explaining what the Law of Attraction does, yet much of it fails to explain what must

be done on a daily basis to make it work effectively. As a result of these concerns, I have written this book to guide readers through a series of real-life, daily scenarios that demonstrate what should be done each day in order to use the Law of Attraction effectively. The people interviewed for this book are among hundreds of people whom I have met during the course of my spiritual journey. I have met these wonderful people at seminars, workshops, lectures, churches, spiritual centers and through online forums on spirituality and personal growth. These enlightened individuals are among my growing community of spiritual friends who have shared their insights and experiences with me, and who comprise a growing support group of like-minded people who understand the importance of self-empowerment and spiritual evolution. Within yourself lies the cause of whatever enters into your life.
