

## Lawrence In Arabia War Deceit Imperial Folly And The Making Of The Modern Middle East

Country clubs and garden parties. The last thing Cassandra wants is to spend the summer before her senior year marooned in a snooty Massachusetts shore town. Cass craves drama and adventure, which is hard when she just feels stuck. But when a dreamy stranger shows up on her family's private beach, claiming that it is his property—and that the year is 1925—Cass is swept into a mystery a hundred years in the making. As she searches for answers in the present, Cass discovers a truth that thrusts Lawrence's life into jeopardy. It won't matter which century he is from if he won't live to see tomorrow. Desperate to save the boy who's come to mean everything to her, Cassandra must find a way to change history...or risk losing Lawrence forever. "Until We Meet Again is tragically beautiful with twists you won't see coming."—Martina Boone, author of *Compulsion* and the *Heirs of Watson Island* trilogy "A beach house, a mystery, and time-travel love make *Until We Meet Again* a romantic, engaging read."—Deb Caletti, National Book Award Finalist for *Honey, Baby, Sweetheart*

A mid-level diplomat assigned to the backwater Middle Eastern kingdom of Kutar in the mid-1980s, David Richards discovers the unintended consequences of American involvement in the continuous tribal conflict that troubles the country, when an error in judgment by an American military advisor leaves the capital city of Laradan at the mercy of a rebel force. Reprint.

A fascinating insight into the untold story of how British-French rivalry drew the battle-lines of the modern Middle East. In 1916, in the middle of the First World War, two men secretly agreed to divide the Middle East between them. Sir Mark Sykes was a visionary politician; François Georges-Picot a diplomat with a grudge. They drew a line in the sand from the Mediterranean to the Persian frontier, and together remade the map of the Middle East, with Britain's 'mandates' of Palestine, Transjordan and Iraq, and France's in Lebanon and Syria. Over the next thirty years a sordid tale of violence and clandestine political manoeuvring unfolded, told here through a stellar cast of politicians, diplomats, spies and soldiers, including T. E. Lawrence, Winston Churchill and Charles de Gaulle. Using declassified papers from the British and French archives, James Barr vividly depicts the covert, deadly war of intrigue and espionage between Britain and France to rule the Middle East, and reveals the shocking way in which the French finally got their revenge. 'The very grubby coalface of foreign policy ... I found the entire book most horribly addictive' *Independent* 'One of the unexpected responses to reading this masterful study is amazement at the efforts the British and French each put into undermining the other' *The Spectator*

Introducing key themes including the role of sources, Marxism, radicalism, gender and race, this reader brings into focus recent historiographic trends to promote further debate across related disciplines including philosophy and literature.

Lawrence of Arabia

***Examines the Allied victory over Germany in 1918 and its long-range consequences, offering an unsparing portrait of the diplomatic blunders, horrific violence, and colorful personalities that circled around this momentous event. Reprint.***

***A manifesto about America's unchallenged war machine, from an Afghanistan veteran and new kind of military hero. Before engaging in war, Erik Edstrom asks us to imagine three, rarely imagined scenarios: First, imagine your own death. Second, imagine war from "the other side." Third: Imagine what might have been if the war had never been fought. Pursuing these realities through his own combat experience, Erik reaches the unavoidable conclusion about America at war. But that realization came too late-the damage had been done. Erik Edstrom grew up in suburban Massachusetts with an idealistic desire to make an impact, ultimately leading him to the gates of West Point. Five years later, he was deployed to Afghanistan as an infantry lieutenant. Throughout his military career, he confronted atrocities, buried his friends, wrestled with depression, and struggled with an understanding that the war he fought in, and the youth he traded to prepare for it, was in contribution to a bitter truth: The War on Terror is not just a tragedy, but a crime. The deeper tragedy is that our country lacks the courage and conviction to say so. Un-American is a hybrid of social commentary and memoir that exposes how blind support for war exacerbates the problems it's intended to resolve, devastates the people allegedly being helped, and diverts assets from far larger threats like climate change. Un-American is a revolutionary act, offering a blueprint for redressing America's relationship with patriotism, the military, and military spending.***

**'Beautifully written and deeply researched' The Observer Upon victory in 1945, Britain still dominated the Middle East. But her motives for wanting to dominate this crossroads between Europe, Asia and Africa were changing. Where 'imperial security' - control of the route to India - had once been paramount, now oil was an increasingly important factor. So, too, was prestige. Ironically, the very end of empire made control of the Middle East precious in itself: on it hung Britain's claim to be a great power. Unable to withstand Arab and Jewish nationalism, within a generation the British were gone. But that is not the full story. What ultimately sped Britain on her way was the uncompromising attitude of the United States, which was determined to displace the British in the Middle East. Using newly declassified records and long-forgotten memoirs, including the diaries of a key British spy, James Barr tears up the conventional interpretation of this era in the Middle East, vividly portraying the tensions between London and Washington, and shedding an uncompromising light on the murkier activities of a generation of American and British diehards in the region, from the battle of El Alamein in 1942 to Britain's abandonment of Aden in 1967. Reminding us that the Middle East has always served as the arena for great power conflict, this is the tale of an internecine struggle in which Britain would discover that her most formidable rival was the ally she had assumed would be her closest friend. 'Bustles impressively with detail and anecdote' Sunday Times 'Consistently fascinating' The Spectator 'Barr draws on a rich and varied trove of sources to knit a sequence of dramatic episodes into an elegant whole. Great events march through these pages' Wall Street Journal**

*Lawrence of Arabia, set against the history, politics, and society of the times.*

*A necessary and unprecedented account of America's changing relationship with Israel When it comes to Israel, U.S. policy has always emphasized the unbreakable bond between the two countries and our ironclad commitment to Israel's security. Today our ties to Israel are close—so close that when there are differences, they tend to make the news. But it was not always this way. Dennis Ross has been a direct participant in shaping U.S. policy toward the Middle East, and Israel specifically, for nearly thirty years. He served in senior roles, including as Bill Clinton's envoy for Arab-Israeli peace, and was an active player in the debates over how Israel fit into the region and what should guide our policies. In Doomed to Succeed, he takes us through every administration from Truman to Obama, throwing into dramatic relief each president's attitudes toward Israel and the region, the often tumultuous debates between key advisers, and the events that drove the policies and at times led to a shift in approach. Ross points out how rarely lessons were learned and how distancing the United States from Israel in the Eisenhower, Nixon, Bush, and Obama administrations never yielded any benefits and why that lesson has never been learned. Doomed to Succeed offers compelling advice for how to understand the priorities of Arab leaders and how future administrations might best shape U.S. policy in that light.*

*Written between 1919 and 1926, this text tells of the campaign against the Turks in the Middle East, encompassing gross acts of cruelty and revenge, ending in a welter of stink and corpses in a Damascus hospital.*

*the 2004 presidential campaign and election, the future of Social Security, and the increasing threat, including devastating weather patterns, of global warming. The result is an illuminating dialogue with one of the leading thinkers of our time—and a startling picture of the turbulent times in which we live.*

*From the bestselling author of Lawrence in Arabia, a piercing account of how the contemporary Arab world came to be riven by catastrophe since the 2003 United States invasion of Iraq. In 2011, a series of anti-government uprisings shook the Middle East and North Africa in what would become known as the Arab Spring. Few could predict that these convulsions, initially hailed in the West as a triumph of democracy, would give way to brutal civil war, the terrors of the Islamic State, and a global refugee crisis. But, as New York Times bestselling author Scott Anderson shows, the seeds of catastrophe had been sown long before. In this gripping account, Anderson examines the myriad complex causes of the region's profound unraveling, tracing the ideological conflicts of the present to their origins in the United States invasion of Iraq in 2003 and beyond. From this investigation emerges a rare view into a land in upheaval through the eyes of six individuals—the matriarch of a dissident Egyptian family; a Libyan Air Force cadet with divided loyalties; a Kurdish physician from a prominent warrior clan; a Syrian university student caught in civil war; an Iraqi activist for women's rights; and an Iraqi day laborer-turned-ISIS fighter. A probing and insightful work of reportage, Fractured Lands offers a penetrating portrait of the contemporary Arab world and brings the stunning realities of an unprecedented geopolitical tragedy into crystalline focus.*

**NATIONAL BESTSELLER** • On April 4, 1968, James Earl Ray shot Martin Luther King Jr. at the Lorraine Motel. The nation was shocked, enraged, and saddened. As chaos erupted across the country and mourners gathered at King's funeral, investigators launched a sixty-five day search for King's assassin that would lead them across two continents. With a blistering, cross-cutting narrative that draws on a wealth of dramatic unpublished documents, Hampton Sides, bestselling author of *Ghost Soldiers*, delivers a non-fiction thriller in the tradition of William Manchester's *The Death of a President* and Truman Capote's *In Cold Blood*. With *Hellhound On His Trail*, Sides shines a light on the largest manhunt in American history and brings it to life for all to see. With a New Afterword

*Michael Korda's Hero is an epic biography of the mysterious, Englishman whose daring exploits made him an object of intense fascination, known the world over as 'Lawrence of Arabia. An Oxford Scholar and archaeologist, T.E. Lawrence was sent to Cairo as an intelligence officer in 1916 and vanished into the desert in 1917. He united and led the Arab tribes to defeat the Turks and eventually capture Damascus, an adventure he recorded in the classic Seven Pillars of Wisdom. A born leader, utterly fearless and seemingly impervious to pain and danger, he remained modest, and retiring. Farsighted diplomat, brilliant military strategist, the first media celebrity, and acclaimed writer, Lawrence was a visionary whose achievements transcended his time: had his vision for the modern Middle East been carried through, the hatred and bloodshed that have since plagued the region might have prevented. The democratic reforms he would have implemented as British High Commissioner of Egypt, are those the Egyptians are now demanding, 91 years later. Ultimately, as this magisterial work demonstrates, Lawrence remains the paradigm of the hero in modern times.*

*A major New York Times bestseller by NBC's Chief Foreign Correspondent Richard Engel—this riveting story of the Middle East revolutions, the Arab Spring, war, and terrorism seen close up*

*“should be required reading” (Booklist, starred review). In 1997, young Richard Engel, working freelance for Arab news sources, got a call that a busload of Italian tourists was massacred at a Cairo museum. This is his first view of the carnage these years would pile on. Over two decades he has been under fire, blown out of hotel beds, and taken hostage. He has watched Mubarak and Morsi in Egypt arrested and condemned, reported from Jerusalem, been through the Lebanese war, covered the shooting match in Iraq and the Libyan rebels who toppled Gaddafi, reported from Syria as Al-Qaeda stepped in, and was kidnapped in the Syrian cross currents of fighting. Engel takes the reader into Afghanistan with the Taliban and to Iraq with ISIS. In the page-turning *And Then All Hell Broke Loose*, he shares his “quick-paced...thrilling adventure story” (Associated Press). Engel takes chances, though not reckless ones, keeps a level head and a sense of humor, as well as a grasp of history in the making. Reporting as NBC’s Chief-Foreign Correspondent, he reveals his unparalleled access to the major figures, the gritty soldiers, and the helpless victims in the Middle East during this watershed time. His vivid story is “a nerve-racking...and informative portrait of a troubled region” (Kansas City Star) that shows the splintering of the nation states previously cobbled together by the victors of World War I. “Engel’s harrowing adventures make for gripping reading” (The New York Times) and his unforgettable view of the suffering and despair of the local populations offers a succinct and authoritative account of our ever-changing world.*

*A powerful debut novel tells of a wartime photographer who plays an unfortunate role in the disappearance of a friend and colleague as they cover a third-world conflict together and his subsequent struggle to cope with his feelings guilt and grief upon returning to New York. Reprint. A wealth of new research and thinking on Lawrence, the Arab Revolt, and World War One in the Middle East, providing essential background to today's violent conflicts Rarely is a book published that revises our understanding of an entire world region and the history that has defined it. This groundbreaking volume makes just such a contribution. Neil Faulkner draws on ten years of field research to offer the first truly multidisciplinary history of the conflicts that raged in Sinai, Arabia, Palestine, and Syria during the First World War. In *Lawrence of Arabia's War*, the author rewrites the history of T. E. Lawrence's legendary military campaigns in the context of the Arab Revolt. He explores the intersections among the declining Ottoman Empire, the Bedouin tribes, nascent Arab nationalism, and Western imperial ambition. The book provides a new analysis of Ottoman resilience in the face of modern industrialized warfare, and it assesses the relative weight of conventional operations in Palestine and irregular warfare in Syria. Faulkner thus reassesses the historic roots of today's divided, fractious, war-torn Middle East.*

*Until We Meet Again*

*Empire and its Legacy in the Middle East*

*Lawrence and Aaronsohn*

*Masters of Mayhem*

One hundred years ago, Captain Lawrence and an unlikely band of Arab irregulars captured the strategic port of Aqaba after an epic journey through waterless tracts of desert. Their attacks on railways during the Great War are well known and have become the stuff of legend, but while Lawrence himself has been the subject of fascinating biographies, as well as an award-winning film, the context of his war in the desert, and his ideas on war itself, are less well-known. This new title offers a high-paced evaluation of T. E. Lawrence 'of Arabia' and the British military operations in the Near East, revising and adding to conventional narratives in order to tell the full story of this influential figure, as well as the Ottoman-Turkish perspective, and the Arabs' position, within the context of

## Download Ebook Lawrence In Arabia War Deceit Imperial Folly AndThe Making Of The Modern Middle East

the war. It is also a study of warfare and the manner in which Lawrence and others made their assessments of what was changing, what was distinctive, and what was unique to the desert environment. This book sets Lawrence in context, examines the peace settlement he participated in, and describes how Lawrence's legacy has informed and inspired those partnering and mentoring local forces to the present day.

Almost fifty years after Britain and France left the Middle East, the toxic legacies of their rule continue to fester. To make sense of today's conflicts and crises, we need to grasp how Western imperialism shaped the region and its destiny in the half-century between 1917 and 1967. Roger Hardy unearths an imperial history stretching from North Africa to southern Arabia that sowed the seeds of future conflict and poisoned relations between the Middle East and the West. Drawing on a rich cast of eye-witnesses — ranging from nationalists and colonial administrators to soldiers, spies, and courtesans — *The Poisoned Well* brings to life the making of the modern Middle East, highlighting the great dramas of decolonisation such as the end of the Palestine mandate, the Suez crisis, the Algerian war of independence, and the retreat from Aden. Concise and beautifully written, *The Poisoned Well* offers a thought-provoking and insightful story of the colonial legacy in the Middle East.

How a second lieutenant from Oxfordshire and a Jewish agronomist from Palestine mapped the land and conflicts of the modern Middle East. Historian Florence provides new perspectives on the origins of the Arab-Israeli conflict. In the turmoil of World War I in 1922, his dreams of an independent Arabia shattered, T.E. Lawrence enlisted in the RAF under the assumed name John Hume Ross. Though methodical and restrictive, life there seemed to suit Lawrence: "The Air Force is not a man-crushing humiliating slavery, all its days. There is sun & decent treatment, and a very real measure of happiness, to those who do not look forward or back." With poetic clarity, Lawrence brings to life the harsh realities of barracks life and illuminates the strange twilight world he had slipped into after his war experiences. For anyone interested in the life of one of the 20th century's most enduring heroes and his life beyond the well-documented Arab revolt, *The Mint* is essential and compelling reading. Anthony Sattin is a British journalist, broadcaster, and author of several acclaimed works of travel and history focusing on the Middle East.

regular tasks of baking shrak bread on an open fire and collecting water from the spring. And as Marguerite feels herself becoming part of the Bedouin community, she is thankful for the twist in fate that has led her to this contented life. Marguerite's light-hearted and guileless observations of the people she comes to love are as heart-warming as they are valuable, charting Bedouin traditions now lost to the modern world.

Clears up misconceptions about the life and career of the enigmatic British soldier  
One of the Best Books of the Year: The Christian Science Monitor NPR The Seattle Times St. Louis Post-Dispatch Chicago Tribune A New York Times Notable Book Finalist for the National Book Critics Circle Award in Biography The Arab Revolt against the Turks in World War I was, in the words of T. E. Lawrence, " a sideshow of a sideshow. " As a result, the conflict was shaped to a remarkable degree by a small handful of adventurers and low-level officers far removed from the corridors of power. At the center of it all was Lawrence himself. In early 1914 he was an archaeologist excavating ruins in Syria; by 1917 he was riding into legend at the head of an Arab army as he fought a rearguard action against his own government and its imperial ambitions. Based on four years of intensive primary document research, Lawrence in Arabia definitively overturns received wisdom on how the modern Middle East was formed.

The assassination of Archduke Franz Ferdinand on June 28, 1914 by a Serbian nationalist has set off a crisis in Europe. Since the Congress of Vienna in 1815, peace had largely prevailed among the Great Powers, preserved through international conferences and a delicate balance of power. Now, however, interlocking alliances are threatening to plunge Europe into war, as Austria-Hungary is threatening war against Serbia. Germany is allied with Austria-Hungary, while Russia views itself as the protector of Serbia. Britain is torn between fear of a German victory and a Russian one. France supports Russia but also needs Britain on its side. Can war be avoided one more time? Europe on the Brink plunges students into the July Crisis as representatives of the European powers. What choices will they make?

***The Arab Revolt against the Turks in World War I was, in the words of T.E. Lawrence, "a sideshow to a sideshow." As a result, the conflict was shaped to a remarkable degree by four men far removed from the corridors of power. Curt Pruefer was an effete academic attached to the German embassy in Cairo, whose clandestine role was to foment jihad against British rule. Aaron Aaronsohn was a renowned agronomist and committed Zionist who gained the trust of the Ottoman governor of Palestine. William Yale was the fallen scion of the American aristocracy, who traveled the Ottoman Empire on behalf of Standard Oil, dissembling to the Turks in order gain valuable oil concessions. At the center of it all was Colonel Thomas Edward Lawrence. In early 1914 he was an archaeologist digging ruins in Syria; by 1919 he was riding into legend at the head of an Arab army, as he fought a rearguard action against his own government and its imperial ambitions. Based on four years of intensive primary document research, Lawrence in Arabia definitively overturns received wisdom on how the modern Middle East was formed. Sweeping in its action, keen in its portraiture, acid in its condemnation of the destruction wrought by European colonial plots, this is a book that brilliantly captures the way in which the folly of the past creates the***

*“Written with great accuracy, detail, enthusiasm, and insight . . . a new perspective on the well-trodden story of the Arab Revolt” (Military History Matters on its Book of the Year, Silver Award-winner). Striking where the enemy is weakest and melting away into the darkness before he can react. Never confronting a stronger force directly, but using audacity and surprise to confound and demoralize an opponent. Operations driven by good intelligence, area knowledge, mobility, speed, firepower, and detailed planning, and executed by a few specialists with indigenous warriors—this is unconventional warfare. T. E. Lawrence was one of the earliest practitioners of modern unconventional warfare. His tactics and strategies were used by men like Mao and Giap in their wars of liberation. Both kept Lawrence’s Seven Pillars of Wisdom close at hand. This book examines the creation of the “Hedgehog” force, looks at the formation of armored car sections and other units, and focuses on the Hejaz Operations Staff, the Allied officers and men who took Lawrence’s idea and prosecuted it against the Ottoman Turkish army, assisting Field Marshal Allenby to achieve victory in 1918. Stejskal concludes with an examination of how Hedgehog influenced special operations and unconventional warfare, including Field Marshal Wavell, the Long Range Desert Group, and David Stirling’s SAS. “Makes a convincing case that the roots of modern special operations, particularly effective guerrilla warfare, are to be found in British participation in the Arab Revolt against Ottoman Turkish rule during WWI.” —Publishers Weekly*

*A personal journey through some of the darkest moments of the cold war and the early days of television news Marvin Kalb, the award-winning journalist who has written extensively about the world he reported on during his long career, now turns his eye on the young man who became that journalist. Chosen by legendary broadcaster Edward R. Murrow to become one of what came to be known as the Murrow Boys, Kalb in this newest volume of his memoirs takes readers back to his first days as a journalist, and what also were the first days of broadcast news. Kalb captures the excitement of being present at the creation of a whole new way of bringing news immediately to the public. And what news. Cold War tensions were high between Eisenhower’s America and Khrushchev’s Soviet Union. Kalb is at the center, occupying a unique spot as a student of Russia tasked with explaining Moscow to Washington and the American public. He joins a cast of legendary figures along the way, from Murrow himself to Eric Severeid, Howard K. Smith, Richard Hottelet, Charles Kuralt, and Daniel Schorr among many others. He finds himself assigned as Moscow correspondent of CBS News just as the U2 incident—the downing of a US spy plane over Russian territory—is unfolding. As readers of his first volume, *The Year I Was Peter the Great*, will recall, being the right person, in the right place, at the right time found Kalb face to face with Khrushchev. Assignment Russia sees Kalb once again an eyewitness to history—and a writer and analyst who has helped shape the first draft of that history.*

***The Life & Legend of Lawrence of Arabia***

***Lawrence of Arabia's Secret Dispatches during the Arab Revolt, 1915-1919***

***Lawrence after Arabia***

An intimate biography of the years that turned T. E. Lawrence into Lawrence of Arabia. Lawrence of Arabia's heroism during the Arab revolt and his disgust at the subsequent betrayal of the Arabs in the postwar negotiations have become the stuff of legend. But T. E. Lawrence's adventures in the Levant began long before the outbreak of war. This intimate biography is the first to focus on Lawrence in his twenties, the untold story of the awkward archaeologist from Oxford who, on first visiting "The East," fell in love with Arab culture and found his life's mission. Few people realize that Lawrence's classic autobiography, *Seven Pillars of Wisdom*, was not the first book to carry that iconic title. Lawrence himself burned his original draft. Anthony Sattin here uncovers the story Lawrence wanted to conceal: the truth of his birth, his tortuous relationship with a dominant mother, his deep affection for an Arab boy, and the personal reasons that drove him from student spy. Drawing on surviving letters, diaries, and accounts from close confidantes, Sattin brings a biographer's eye for detail and a travel writer's verve to Lawrence's extraordinary journeys through the region with which his name is forever connected. In a masterful parallel narrative, *The Young T. E. Lawrence* charts the maturation of the man and the incipient countries he treasured, both coming of age at a time when the world's foundations were coming undone.

'The best study of Lawrence of Arabia' Sunday Times  
Controversial and provocative, revised and updated, this edition of Lawrence James' acclaimed biography penetrates and overturns the mythology which surrounds T. E. Lawrence, yet remains dispassionate and generous in spirit throughout. It presents a fascinating study of one of the twentieth century's most remarkable figures. *Lawrence in Arabia: War, Deceit, Imperial Folly and the Making of the Modern Middle East* Anchor

The Arab Revolt against the Turks in World War One was, in the words of T.E. Lawrence, 'a sideshow of a sideshow'. Amidst the slaughter in European trenches the Western combatants paid scant attention to the Middle Eastern theatre. As a result, the conflict was shaped to a remarkable degree by a small handful of adventurers and low-level officers far removed from the corridors of power. At the centre of it all was Lawrence. In early 1914 he was an archaeologist excavating in the sands of Syria; by 1917 he was battling both the enemy and his own government to bring about the vision he had for the Arab people. Operating in the Middle East at the same time, but to wildly different ends, were three other important players: a German attaché, an American oilman and a committed Zionist. The intertwined paths of these four young men - the schemes they put in place, the battles they fought, the betrayals they endured and committed - mirror the grandeur, intrigue and tragedy of the war in the desert.

Lawrence of Arabia on War

A Prince of Our Disorder

A Line in the Sand

Britain's Struggle with America to Dominate the Middle East

The Life of T. E. Lawrence

*T. E. Lawrence's dispatches during the Arab Revolt have been published before, but only in an edited and incomplete form, as they were printed for a strictly limited wartime readership in the Arab Bulletin. Now, in this scholarly edition, they are published in full for the first time. They give us a direct inside view of his dealings with the Arab leaders and show us how he presented them to his superiors in Cairo. These wartime writings reveal vividly his impressions of the periods he spent in the desert and the conditions he found there, and they record how the Arab uprising developed and how he became increasingly involved in it. They make fascinating reading for, in his sometimes outspoken way, he reported on the military potential of the Arab fighters and recommended how they should be supported in their struggle against the Ottoman empire. This new collection of his dispatches is a valuable addition to the literature on Lawrence for it allows readers to trace the course of the revolt as he wrote about it at the time. They are printed in chronological order with full explanatory notes. The editor Fabrizio Bagatti provides a perceptive introduction which sets them in their wartime context, fills in the military and political background to the strategic situation in the Middle East and describes Lawrence's important role as an intermediary between the Arabs and the British.*

*27 Articles is Lawrence of Arabia's classic set of guidelines on military leadership in the Middle East. The 100th anniversary edition features a new introduction by foreign policy expert John Hulsman and a new afterword from CBS News President David Rhodes, addressing the articles' lasting lessons. In 1916, T.E. Lawrence was deployed to the Arabian Peninsula to aid with the Arab Revolt against the Ottoman Empire. It was the middle of World War I and the British command was throwing its weight behind the long-rebellious southern territories of the Ottoman Empire. Lawrence had extraordinary success fighting alongside the coalition of Arab revolutionaries, and his story has since become legend. Worried that Lawrence would die on the*

## Download Ebook Lawrence In Arabia War Deceit Imperial Folly AndThe Making Of The Modern Middle East

*battlefield and that his knowledge would vanish with him, British command asked Lawrence to write out a series of guidelines on his own tactics and teachings. 27 Articles, the text of Lawrence's guidelines, has become required reading for military leaders. Lawrence's deployment was the West's first modern involvement in war in the Middle East, and his campaign held myriad lessons for future generations. Despite being a century old, the articles are deeply prescient on the challenges America has faced in its wars in Iraq and Afghanistan. Terse and to the point, Lawrence's articles begin on the battlefield but their value extends well beyond, into the fields of management, leadership, and business. On the 100th anniversary of 27 Articles' original publication, foreign policy John Hulsman and CBS News President David Rhodes now speak to the articles' ongoing importance, outlining the wisdom they hold for political, military, and business leaders on into the future. The Dangerous Life and Mysterious Disappearance of Fred Cuny*
