

## **Lds Hymn In German**

**"Hymns and Hymnwriters of Denmark" by J. C. Aaberg. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.**

**Since the publication of the Children's Songbook, many have asked Patricia Graham, chairman of the Primary Songbook Committee, about the making of the book and the history of its songs. Children and adults have been surprised and fascinated by the stories that accompany the history of the songs and the songbook. Patricia has gathered these stories into this impressive volume about the making of the Children's Songbook, using research that pulls from a variety of sources not available to the public. This book brings together a captivating array of stories of the miracles that occurred during the creation of the Primary songs. It not only provides a good historical read but also is a tool for those interested in knowing more about the children's music. Stories of the Children's Songbook is a valuable and inspiring book for young and old alike.**

**The International Bestseller A New York Times Editors' Choice Selection A Winner of the 2020 Lannan Literary Awards Fellowship "[An] absorbing, stirring novel . . . that, in more than one sense, remedies history." —The New York Times Book Review "A triumph, a novelistic rendition of one of the most difficult times in Vietnamese history . . . Vast in scope and intimate in its telling . . . Moving and riveting." —VIET THANH NGUYEN, author of The Sympathizer, winner of the Pulitzer Prize With the epic sweep of Min Jin Lee's Pachinko or Yaa Gyasi's Homegoing and the lyrical beauty of Vaddey Ratner's In the Shadow of the Banyan, The Mountains Sing tells an enveloping, multigenerational tale of the Tr?n family, set against the backdrop of the Vi?t Nam War. Tr?n Di?u Lan, who was born in 1920, was forced to flee her family farm with her six children during the Land Reform as the Communist government rose in the North. Years later in Hà N?i, her young granddaughter, H??ng, comes of age as her parents and uncles head off down the H? Chí Minh Trail to fight in a conflict that tore apart not just her beloved country, but also her family. Vivid, gripping, and steeped in the language and traditions of Vi?t Nam, The Mountains Sing brings to life the human costs of this conflict from the point of view of the Vietnamese people themselves, while showing us the true power of kindness and hope. The Mountains Sing is celebrated Vietnamese poet Nguy?n Phan Qu? Mai's first novel in English.**

**The Stories and the Messages**

*Jesus, Lover of My Soul by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.*

*Risky reading So how many family gatherings have been ruined by someone bringing up a particularly touchy subject and obnoxiously pressing it until relatives and friends either fled or committed assault and battery? How many Thanksgiving dinners have been spoiled by ugly political conversations or graphic descriptions of various medical problems? Well, Facebook is a lot like those family gatherings, except with a whole bunch of strangers invited. On Facebook, so-called friend*

Politics, Religion and Other Stuff...

Our Latter-Day Hymns

Deseret Sunday School Songs

*Musicians and congregations can join in the worship of our great God through the music of Saints of Zion. The Saints of Zion Songbook features fourteen hymns from the album arranged for piano and SATB choir as well as eleven shorter hymnal arrangements that are suitable for congregational singing or family worship.*

*While Adolf Hitler's National Socialist government was persecuting Jews and Jehovah's Witnesses and driving forty-two small German religious sects underground, the Church of Jesus Christ of Latter-day Saints continued to practice unhindered. How some fourteen thousand Mormons not only survived but thrived in Nazi Germany is a story little known, rarely told, and occasionally rewritten within the confines of the Church's history—for good reason, as we see in David Conley Nelson's Moroni and the Swastika. A page-turning historical narrative, this book is the first full account of how Mormons avoided Nazi persecution through skilled collaboration with Hitler's regime, and then eschewed postwar shame by constructing an alternative history of wartime suffering and resistance. The Twelfth Article of Faith and parts of the 134th Section of the Doctrine and Covenants function as Mormonism's equivalent of the biblical admonition to "render unto Caesar," a charge to cooperate with civil government, no matter how onerous doing so may be. Resurrecting this often-violated doctrinal edict, ecclesiastical leaders at the time developed a strategy that*

*protected Mormons within Nazi Germany. Furthermore, as Nelson shows, many Mormon officials strove to fit into the Third Reich by exploiting commonalities with the Nazi state. German Mormons emphasized a mutual interest in genealogy and a passion for sports. They sent husbands into the Wehrmacht and sons into the Hitler Youth, and they prayed for a German victory when the war began. They also purged Jewish references from hymnals, lesson plans, and liturgical practices. One American mission president even wrote an article for the official Nazi Party newspaper, extolling parallels between Utah Mormon and German Nazi society. Nelson documents this collaboration, as well as subsequent efforts to suppress it by fashioning a new collective memory of ordinary German Mormons' courage and travails during the war. Recovering this inconvenient past, Moroni and the Swastika restores a complex and difficult chapter to the history of Nazi Germany and the Mormon Church in the twentieth century—and offers new insight into the construction of historical truth.*
