Annie Chartres Vivanti: Transnational Politics, Identity, and Culture explores the work of British Italian writer Annie Chartres Vivanti (1866-1942). This volume provides a multidisciplinary approach to the study of Vivanti in order to analyze the diverse and complex writing experiences in which she engaged. Essays examine Vivanti’s work thro and her career as journalist, writer, and singer as well as her literary works.

La storia di un periodo di vita del protagonista che si dibatte tra l'amore del passato e quello del presente con sentimenti profondi e sesso sfrenato.

Based on diaries and email correspondence that she kept from 1981-2004, here Sud Amiry evokes daily life in the West Bank town of Ramallah. Capturing the frustrations, cabin fever, and downright misery of her experiences, Amiry writes with elegance and humor about the enormous difficulty of moving from one place to another, the to absurdity of her dog receiving a Jerusalem identity card when thousands of Palestinians could not, and the trials of having her ninety-two-year-old mother-in-law living in her house during a forty-two-day curfew. With a wickedly sharp ear for dialogue and a keen eye for detail, Amiry gives us an original, ironic, and firsthand glimpse into the

More than two millennia have passed, but Alexander the Great is still a household name. His life was an adventure story and took him to every corner of the ancient world. His memory and glamour persist, and his early death at thirty-three has kept him evergreen in our imaginations with a legacy that meant something different to every age— in the Middle Ages he became an exemplar of knightly chivalry, he was a star of Renaissance paintings, and by the early twentieth century he even came to resemble an English gentleman. But who was he in his own time? In Alexander the Great, Anthony Everitt judges Alexander’s life against the criteria of his own age and considers all his contradictions. We meet the Macedonian prince who was naturally inquisitive and fascinated by science and exploration, who enjoyed the arts and used the poet Homer’s great epic, the Iliad, as a bible. As his empire grew, stretching from Greece and Macedonia to Ancient Egypt and Persia and all the way to India, Alexander exhibited respect for the traditions of his new subjects and careful judgment in administering rule over a vast territory. But his career also had a dark side. An inveterate conqueror, who in his short life built the largest empire to that point in history, Alexander glorified war and was known to commit acts of great cruelty. As debates continue about the meaning of his life, Alexander’s death remains an unsolved mystery. Did he die of natural causes, felled by a fever, or did his marshals, angered by his tyrannical behavior, kill him? An explanation of his death can lie only in what we know of his life, and Everitt ventures to solve that puzzle, offering an ending to Alexander’s story that has eluded so many for so long.

With more than 250 images, new information on international cinema—especially Polish, Chinese, Russian, Canadian, and Iranian filmmakers—an expanded section on African-American filmmakers, updated discussions of new works by major American directors, and a new section on the rise of comic book movies and computer generated special effects, this is the most up to date resource for film history courses in the twenty-first century.

First it's just a missing favourite CD, then music playing in an empty kitchen at midnight ... Alone with only her cat and the hard-boiled thriller she is translating from Czech, Elizabeth Skvorecky is unsettled. Is there someone or something in the house? Poltergeist? Ghost? Or is she losing her mind?

**For fans of the Calendar Girl series I always knew I was different from other women... An eminent psychiatrist has established there are five stages of grief: denial, anger, bargaining, depression and acceptance. When Dominik died, I experienced none of these. I initially found myself reeling in shock, and then all I could do was miss him, miss him and miss him over and again. Missed his presence, his words, the familiar hard warmth of his body in the bed next to me when I awoke on cold winter mornings and, shamelessly, evoked all the many ways he would make love to me, the rawness of his domination and how I opened myself to him and his desires like no other man before him...**

But the minute thirteen-year-old Zinny discovered the old, overgrown trail that ran through the woods behind her family’s house, she realized that things were about to change. It was her chance to finally make people notice her, and to have a place she could call her very own. But more than that, Zinny knew that the trail somehow held the key to all kinds of questions. And that the only way to understand her family, her Aunt Jessie’s death, and herself, was to find out where it went. From Newbery Medal-winning author Sharon Creech comes a story of love, loss, and understanding, an intricately woven tale of a young girl who sets out in search of her place in the world—and discovers it in her own backyard. This cultural history of Mussolini’s dictatorship discusses the meanings of modernity in interwar Italy. The work argues that fascism appealed to many Italian intellectuals as a new model of modernity that would resolve the European crisis as well as long-standing problems of the national past.

Susan Sontag: An Annotated Bibliographycatalogues the works of one of America’s most prolific and important 20th century authors. Known for her philosophical writings on American culture, topics left untouched by Sontag’s writings are few and far between. This volume is an exhaustive collection that includes her novels, essays, reviews, films and interviews. Each entry is accompanied by an annotated bibliography.

She was everything that I wanted.He was everything that I despised.Until she wasn't.Until he wasn't.Killian Corneli was a walking calamity. He reached inside of me and touched every single inch of my ruined soul, but he didn't just touch it. He caressed, petted, and captivated it. He tailored me to fit into the palm of his hands. The same hands that possess so much cruelty, were the very same that comforted me.I thought I knew him.He thought he knew me.This isn't a fairy tale, or some achingly beautiful story about two soul mates who instantly fall irrevocably in love with each other.This is a story about a love so painful, so rich, that it destroys everything and everyone around it.Including ourselves.Midnight Mayhem is the platform to which Killian performs his tricks on, but the greatest trick wouldn't come from him.It would come from me.Tricksters don't have hearts.They just pretend that they do.Tick. Tock. Tick. Tock.

From the award-winning author of Rook comes a delicious and twisty tale, filled with spine-tingling intrigue, juicy romance, and dangerous family secrets. When a rumor that her uncle is squandering away the family fortune surfaces, Katharine Tulman is sent to his estate to have him committed to an asylum. But instead of a lunatic, Katharine discovers a genius inventor with his own set of childlike rules, who is employing a village of nine hundred people rescued from the workhouses of London. Katharine becomes torn between protecting her own livelihood and preserving the peculiar community she grows to care for deeply -- a conflict made more complicated by her developing feelings for her uncle's handsome apprentice. As the mysteries of the estate begin to unravel, it is clear that not only is her uncle's world at stake, but also the state of England as Katharine knows it. With twists and turns at every corner, this extraordinary adventure will captivate readers with its thrills and romance.

Perché l'edonismo gode di una pessima reputazione? Per quali ragioni? Il senso comune associa la ricerca del piacere alla perdizione? E perché piacere e dolore sono così distanti eppure così vicini? Nella coorte dei giorni nostri, in cui l'aura di incertezza accompagna stanca le nostre esistenze, la necessità di ricercare il piacere è ineludibile e doverosa per scongiurare il rischio di sopravvivere. Un Cappuccetto rosso dalla parte del lupo, una densa riflessione sul piacere e le sue forme, sul piacere che stride, scricchiola, cigola, insomma che fa davvero uno strano rumore. Una trasposizione interpretativa, un ri-posizionamento necessario: nuove leniti, nuove valigie, nuovi itinerari, nuove fondazioni. Serendipità. Non sprechiamo quest'occasione.

Very smart, very funny and very right-on.

This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.
