Malva is the princess of Galnicia, destined to marry the Prince of Andemark. Or so her parents think. On the eve of her wedding, she escapes at dead of night from under her parents' noses, little realising that she is letting herself in for a life of peril and adventure, including being shipwrecked in a huge storm and captured as part of a harem. Hugely visual, the book tells of the wonder of frozen steppes and oriental palaces, of sailing ships and treasure islands. This is a book of drama, magic and excitement, where challenges have to be overcome, friendships cemented and hearts broken.

Certaines des blessures d'Ellana lui laisseront des cicatrices, mais l'h éro î ne fera tout pour suivre la Voie, devenir une v éritable Marchombre et embrasser sa destin ée. Dernier tome de la s érie Ellana, cè sixi è me opus, fort et é mouvant, resserre les liens entre Jilano et son é l è ve et conclut avec briè ce r é cit pr é quel de La Qu ê te d'Ewilan.

A Sister Fidelma Mystery

A wildly original, fantastical adventure—and now an animated move, Jack and the Cuckoo-Clock Heart—this international bestseller will charm readers of all ages. Edinburgh, 1874. Born with a frozen heart, Jack is near death when his mother abandons him to the care of Dr. Madeleine—witch doctor, midwife, protector of orphans—who saves Jack by placing a cuckoo clock in his chest. And it is in among tear-filled flasks, eggs containing memories, and a man with a musical spine. As Jack gets older, Dr. Madeleine warns him that his heart is too fragile for strong emotions: he must never, ever fall in love. And, of course, this is exactly what he does: on his tenth birthday and with head-over-heels abandon. The object of his ardor is Miss Acacia—a bespectacled young street performer with a life is doubly at risk—his heart is in danger and so is his safety after he injures the school bully in a fight for the affections of the beautiful singer. Now begins a journey of escape and pursuit, from Edinburgh to Paris to Miss Acacia's home in Andalusia. Mathias Malzieu's The Boy with the Cuckoo-Clock Heart is a fantastical, wildly inventive tale of love and heartbreak—by turns poignant and funny, joys, and ultimately the greater costs, of owning a fully formed heart.

In the first volume of Guy Gavriel Kay's classic trilogy The Fionavar Tapestry, five Toronto university students encounter a man who will change their lives, taking them from our world to discover their roles in an epic war looming in the first of all the worlds: Fionavar.

Only a teenager when Delphine was born, Lucile raised two daughters largely alone. She was a former child model from a Bohemian family, younger and more glamorous than the other mothers: always in lipstick, wayward and wonderful. But as Delphine grew up, Lucile's occasional sadness gave way to overwhelming despair and delusion. She became convinced she was telepathic, in control of the away all her money: she was hospitalized, medicated, and released in a kind of trance. Young Delphine was left to wonder: What changed her, or what shaped her all along? In this brilliant investigation into her own family history, Delphine de Vigan attempts to "write her mother," seeking out something essential as she interviews aging relatives, listens to recordings, and reads Lucile's own writings and rambunctious joy, of dark secrets and silences. There are untimely deaths and failures of memory. There are revelations and there is the ultimately unknowable. And in the face of the unknowable, personal history becomes fiction: De Vigan must choose from differing accounts and fill in important gaps, using her writer's imagination to reconstruct a life. De Vigan writes her most expansive novel and marvelous sympathy. Nothing Holds Back the Night is a remarkable work, universally recognizable and singularly heartbreaking.

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of SAVED From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. A QUEST OF HEROES (BOOK #1 IN THE SORCERER’S RING) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King’s men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King’s Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King’s Court and be taken seriously. But King’s Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King’s Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king’s daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king’s sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. Meg has just about had it with all of the Suits' rules—and her dad's silence. If he won't help, it's time she got some answers for herself. In A.D. 664, King Oswy of Northumbria has convened a synod at Whitby to hear debate between the Roman and Celtic Christian churches and decide which shall be granted primacy in his kingdom. At stake is much more than a few disputed points of ritual; Oswy's decision could affect the survival of either church in the Saxon kingdoms. When the Abbess Etain, a leading speaker for the Celtic church, is found murdered, suspicion falls upon the Roman faction. In order to diffuse the tensions that threaten to erupt into civil war, Oswy turns to Sister Fidelma of the Celtic Church (Irish and an advocate for the Brehon Court) and Brother Eadulf of the Roman church (from east Anglia and of a family of hereditary magistrates) to find the killer. But as further murders occur and a treasonous plot against Oswy matures, Fidelma and Eadulf soon find themselves running out of time.

Encore apprentie marchombre, Ellana est chargée par son maître Jilano d’escorter une caravane au chargement mystérieux. Mais le doute et la trahison la guettent tout au long de son parcours périlleux.

I came to create the Leggets from a picture I’d seen at a country fair. It was this picture on the side of a big ridge fair truck with a beautiful woman on the front of it. She had dark and lovely black hair and a fair skin like a model and the best boobs and the perfect waistline and a sinister smile, but below her waist were eight black widow spider legs. I nearly freaked out! Oh boy, I imagined all sorts of stuff, and then somewhere inside my brain, I wondered what it would be like if she had kids. And so the idea of a bubbly and delightful character named Charlotte Legget was created. She wasn’t named Charlotte at first; I called her Carmyn. I didn’t really like that name, and over the course of time, I thought of a good name for a spider. Then I remembered the spider in Charlotte’s web, except this one is spiderlike human like her parents. So the Leggets came to live on the island of Sapelo with humans, and they so want to be accepted by humans. They are good spiders too. The Leggets are as normal looking as humans, but they are spiders with the desire to live in the human society and be accepted and treated equally by humans. There are a few problems in this first story with the neighbors accepting them, but they work out. It is a very delightful story with ten or eleven more tales to it.
