the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to

## Read PDF Leaders Guidelines In Celebrate Recovery

question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life. Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround

## Read PDF Leaders Guidelines In Celebrate Recovery

ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational

psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to

## Read PDF Leaders Guidelines In Celebrate Recovery

abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources,

*courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to*

## Read PDF Leaders Guidelines In Celebrate Recovery

*figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring*

the Beatitudes, Celebrate Recovery helps people resolve painful problems in the context of the church as a whole."And then there's pastor John Baker, the founder of Celebrate Recovery... Big John and I shared something in common. We used to drink too much. And our hearts changed, and then we quit. That is a tried-and-true formula. The problem is government is not good at changing hearts. But people like John Baker have been good about it and successful doing that." ---President George W. Bush on Celebrate Recovery and its founder, John Baker, at the Faith-Based and Community Initiatives Conference, March 3, 2004.

## Read PDF Leaders Guidelines In Celebrate Recovery

You've undoubtedly heard the expression "time heals all wounds." Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the
