on leaders and leadership. For decades the emphasis has been placed on increasing the number of leaders with specific attributes, such as women or those from ethnic minorities, to encourage a true representation of society. This far-reaching book takes a wider view, challenging the reader to recognise

Read Free Leadership Theory And Practice 7th Edition

the importance of diversity issues and to embed diversity as central within leadership theory and practice.

Drawing on their extensive research the authors establish a clear understanding of what diversity means and use this to develop a distinct approach to conceiving leadership, preparing leaders and acting as

Read Free Leadership Theory And Practice 7th Edition

leaders. They explain how diversity should be a holistic issue which touches every aspect of leadership and is vital to ensuring effective and appropriate leadership for education in pluralist societies. The authors explore the history of approaches to addressing inequities in access to leadership positions and the

According to John
Adair, the most
important word in
the leader's
vocabulary is "we"
and the least
important word is
"I". But if this is

Read Free
Leadership
Theory And
Practice 7th
Edition

true, it raises one important question:

why do

psychological

analyses of

leadership always

focus on the leader

as an individual – as

the great "I"? One

answer is that

theorists and

practitioners have

never properly

understood the

Read Free
Leadership
Theory And
Practice 7th

psychology of "we-ness". This book fills this gap by presenting a new psychology of leadership that is the result of two decades of research inspired by social identity and self-categorization theories. The book argues that to succeed, leaders

Read Free
Leadership
Theory And
Practice 7th
Edition

need to create, champion, and embed a group identity in order to cultivate an understanding of 'us' of which they themselves are representative. It also shows how, by doing this, they can make a material difference to the groups,

Read Free Leadership Theory And Practice 7th Edition

organizations, and societies that they lead. Written in an accessible and engaging style, the book examines a range of central theoretical and practical issues, including the nature of group identity, the basis of authority and legitimacy, the

Read Free
