relationships and a
critical understanding of
the wider context in
which care takes place.

Leading, Managing,
Caring illustrates how
leadership and
management work in
everyday settings,
providing invaluable
support to those
practising or studying in
the area. The book
introduces the four core

Online Library
Leading And
Managing In
Nursing Revised
Reprint For

building blocks of the caring manager or leader: personal awareness, team awareness, goal awareness and contextual awareness. Together these form a firm foundation for understanding and practice. Drawing on up-to-date case studies, the authors explore how critical theoretical

Online Library
Leading And
Managing In
Nursing Revised
Reprint 5e

understanding can support practical attempts to work through complex situations with a diverse range of people. Also included is a toolkit containing carefully selected and practical tools for leading and managing change. This comprehensive textbook is suitable for existing and aspiring managers
