**"Leaf of Freedom" is the vibrant and inspirational story of Carol Emmons, a young, thoughtful, and sensitive Midwestern country girl. Against a backdrop of 1920's rural life, the reader will experience, along with Carol, her dreams, adventures, challenges, romance, and much more. Carol is an only child who lives with her mother and Civil War veteran grandfather on a small farm. Though her family is poor and of little formal education, Carol is rich in spirit and thought. Her colorful descriptions of her everyday life, anecdotes, and adventures are filled with right-on human insight. The reader will share many fun times and exiting adventures as Carol grows, chapter-by-chapter, from a little barefoot girl of 10 into an able young woman of 16. So too will the reader share her challenges, and a couple of heart-wrenching conflicts which Carol must face along her way.**

There's an old saying: "Learn from other people's mistakes. Life is too short to make them all yourself." Gabriel Jacob Israel tried to make them all herself. Thankfully—she failed. Neither her sordid childhood nor her troubled teens nor her misguided twenties could stop an almighty God from making sure this once-wayward girl failed every attempt to do bad all by herself. A journey through the raw, real, and oftentimes graphic events of Gabriel's life, The Breaking is the true story of a love that blooms between a young woman and the God who refused to give her up without a fight. You will discover, like Gabriel did, that despite your past, God is well able to set your best days in front of you.

Stray Leaves from the Port-folio of a Methodist Local Preacher

Friends' Intelligencer

***The Soldier of the Leaf chronicles the life of Marvin Brown from early childhood through his career with the New York City Department of Parks and Recreation. His impressions as a child of the south in the mid 1940s and 1950s provide glimpses of the struggles of poor and middle class blacks in Cairo and Savannah, Georgia. At age 14 he and two friends hitchhiked from Savannah, Georgia to New York City. His vivid and dramatic account of this dangerous journey is both hilarious and informative. His naivety, good luck and strength of character helped him meet and form a lasting bond with a family that embraced him as their own. He struggles to find the right job in New York City and by happenstance he gets a job as a skate guard with the Wollman Rink in Central Park, and that's when his life's story really begins. We follow Marvin through learning the ropes as a skate guard, becoming a supervisor and then a principal supervisor. He shares 20 years of rich stories about the staff, processing the ice, faulty equipment, New York City bureaucrats and the patrons of the rink. He also takes us on an excursion to Sweden and Finland and on his return to New York he is able to parlay his experience and great work ethic into a senior position, Service and Maintenance Supervisor for 75 swimming pools in New York City. He recounts the trials and tribulations in managing incompetent staff, structural problems with filter plants and pools and handling dangerous chemicals. Marvin provides an interesting and humorous journey into the career of an exceptional New York City civil servant.***

During the American Civil the Wabash Intelligencer and the Wabash Plain Dealer frequently printed letters from Wabash County men serving in the Union army. The letter writers are a remarkable cast of characters: young and old, soldiers, doctors, ministers, officers, enlisted men, newspaper men, and a fifteen-year-old printers ' devil who enlisted as a drummer boy. These are not stories of generals or battle strategies; they are the stories of the ordinary soldiers and their everyday lives. They describe long tiring marches across state after state, crossing almost impossible terrain, facing shortages of rations and supplies, enduring extremes of weather where they froze one day and sweltered the next, and encountering guerrillas that harried the wagon trains. The correspondents wrote of walking over the bodies of fallen comrades and foes alike, of mules and their wagons sinking into muddy roads that became like quicksand, of shipwrecks, and of former slaves.

How Like a Leaf

**Winner of the Caughey Western History Prize Winner of the Robert G. Athearn Award Winner of the Lawrence W. Levine Award Winner of the TCU Texas Book Award Winner of the NACCS Tejas Foco Nonfiction Book Award Winner of the María Elena Martínez Prize Frederick Jackson Turner Award Finalist “A page-turner...Haunting...Bravely and convincingly urges us to think differently about Texas’s past.” –Texas Monthly Between 1910 and 1920, self-appointed protectors of the Texas–Mexico border—including members of the famed Texas Rangers—murdered hundreds of ethnic Mexicans living in Texas, many of whom were American citizens. Operating in remote rural areas, officers and vigilantes knew they could hang, shoot, burn, and beat victims to death without scrutiny. A culture of impunity prevailed. The abuses were so pervasive that in 1919 the Texas legislature investigated the charges and uncovered a clear pattern of state crime. Records of the proceedings were soon filed away as the Ranger myth flourished. A groundbreaking work of historical reconstruction, The Injustice Never Leaves You has upended Texas’s sense of its own history. A timely reminder of the dark side of American justice, it is a riveting story of race, power, and prejudice on the border. “It’s an apt moment for this book’s hard lessons...to go mainstream.” –Texas Observer “A reminder that government brutality on the border is nothing new.” –Los Angeles Review of Books**

Stories of Words. Words used as misunderstanding, satire that goes straight over the wall and the secret of why words hurt so much.Words go deep inside us. Children are proud when they learn to read, then they find out how much words that are their's hurt them. The stories are funny and sad and lonely and scared and brash and boasting. They are objects we invented that along the way became our soul and our heart that are used against us. And that we use against them.
