In the final installment of Beyond the Spiderwick Chronicles, Nick and Laurie had thought they solved their giant problems when they drove all the giants into the sea. But now, the Grace kids have come back to tell them they may have more trouble coming their way! It turns out the giants control the population of Hydra, a dragon like creature that is creating sinkholes all over Florida. But with the mermaids refusing to return the giants to the shore, the nixie's still missing and the threat of a Nickleodeon Florida driving closer, the kids have to take matters in their own hands. Will Nick and Laurie be able to stop the destruction they unwittingly caused? Can a new giant hunter help save the day? Can Arthur Spiderwick's Field Guide help them out of this or are they on their own? Find out in the final conclusion of the Spiderwick saga!

On the mysterious Summer Isle, siblings Max and Carter discovered the magical land where the villainous Pied Piper led the children of Hamelin centuries ago. They were trapped outside of time in a never-ending clash against a vicious rat army. After a desperate battle with a cruel soul-stealing magician, Max and Carter found themselves separated: Max with their newfound allies (human and trollson alike), Carter with ... the Piper. Now Max is determined to reunite with her lost brother, restore her parents' stolen souls, and escape the Summer Isle once and for all. But the wicked Grannie Polga doesn't intend for the siblings to leave without a fight. But what role will the Piper play when all is said and done—and can he redeem himself from his own dark choices when his secrets are finally revealed?—Provided by publisher.

Marie Rutkoski's startling debut novel, the first book in the Kronos Chronicles, about the risks we take to protect those we love, brims with magic, political intrigue, and heroism. Petra Kronos has a simple, happy life. But it's never been ordinary. She has a pet tin spider named Astrophil who likes to hide in her snarled hair and give her advice. Her best friend can trap lightning inside a glass sphere. Petra also has a father in faraway Prague who is able to move metal with his mind. He has been commissioned by the prince of Bohemia to build the world's finest astronomical clock. Petra's life is forever changed when, one day, her father returns home – blind. The prince has stolen his eyes, enchanted them, and now wears them. But why? Petra doesn't know, but she knows this: she will go to Prague, sneak into Salamander Castle, and steal her father's eyes back. Joining forces with Neel, whose fingers extend into invisible ghosts that pick locks and pockets, Petra finds that many people in the castle are not what they seem, and that her father's clock has powers capable of destroying their world. This imaginative companion to the New York Times bestselling Secret Series leaves, prompts, and leads readers through the steps of writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless "author":I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not "missing." A certain author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!

Bad News

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

Fer must save her realm from the Forsworn, a group destroying the land with their broken oaths, in Moonkind, the conclusion to award-winning author Sarah Prineas's fantasy-adventure series, which includes Winterling, Summerkin, and the short story Thrice Sworn. As the Lady of the Summerlands, Fer has vowed to serve her people without the deception of the glamorie, and she had trusted other leaders to fulfill the same promise. But not all of the Lords and Ladies want to keep their oaths, and they've unleashed the consequences of their betrayal onto the lands. Only Fer, with the help of the puck-boy Rook, can fight the stillness invading the realm. But can she trust Rook? And can she protect her people before it's too late? Sarah Prineas combines a brave and resourceful young heroine with a richly detailed fantasy world and beloved folklore into a story that will delight middle-grade fans of Diana Wynne Jones, Ingrid Law, and Rick Riordan.

"Wonderfully witty." —Chris Grabenstein, New York Times bestselling author of Escape from Mr. Lemoncello's Library and coauthor with James Patterson of the House of Robots and Treasure Hunters series Take one part Roald Dahl, a pinch of the Mysterious Benedict Society, and a dash of Lemony Snicket, then add a league of adventurous children, a little magic, and a centuries-old feud with witches, and you get this quirky and darkly hilarious middle-grade series! Long ago, the evil wizard Calixto Swift committed a terrible crime against twelve-year-old Anastasia's family, a crime that began the Perpetual War between witches and the people of Nowhere Special. The witches have long since been banished, but deep in the darkest, most forbidden back alleys of Nowhere Special lies Calixto's mysterious, unbreakable glass cabinet. And that cabinet holds the key to Anastasia's missing grandfather . . . if Anastasia, Ollie, Quentin, and Gus (aka the League of Beasty Dreadfuls) can decipher the clues and figure out how to open it. Steel yourselves, dear Readers! As the feud between the witches and Anastasia's family heats up in book 3 of the League of Beasty Dreadfuls series, our heroes' wild sleuthing will put them far closer to WITCH MAGIC than proper children should ever be! Prepare for SHOCKING revelations about who Anastasia really is! It is safe to say that this may be the League's Most Dangerous and Important Puzzle yet!

"For young detective Aggie Morton and her friend Hector, a spa stay becomes a lot more thrilling when TWO dead bodies are found in this third book in the Aggie Morton, Mystery Queen series, inspired by the life of Agatha Christie as a child and her most popular creation, Hercule Poirot. For fans of Enola Holmes. Aspiring writer Aggie Morton is ready to enjoy an invigorating trip to a Yorkshire spa, where her widowed mother can take the waters and recover from a long mourning period. Having solved yet another murder -- not to mention rescuing her best friend Hector from certain death -- over Christmas, Aggie is looking forward to more splendid adventures with Hector, who has joined Aggie, her mother and Grannie Jane on this trip. There is even a potential new friend in George, a young patient at the spa. But rumors abound about the spa's recently deceased former patient, and then another body appears under mysterious circumstances. Has there been a murder -- or even two murders? Aggie's Morbid Preoccupation kicks in and once again she and Hector will have to put their deductive skills and imaginations to work, as their restful trip takes a sudden, dangerous turn."--

League of Beasty Dreadfuls #3: The Witch's Glass

The Little Mermaid (Limited Edition)

Escape from Mr. Lemoncello's Library

Who has not asked himself at least once whether telekinesis and telepathy are real? But have you ever wondered if there is a place to... learn these skills? Aiden Conner has not excelled at being a normal child, especially since his parents disappeared. But to go from his so-called normal life to ending up in a hidden and secret city whose inhabitants use telekinesis and read minds, to be haunted by a formidable enemy searching for him even before Aiden was born, and to storm into an enemy camp in the heart of modern New York with a pair of fluttering swords? These are things Aiden did not imagine even in his wildest dreams (and he's had some wild ones). But Aiden's greatest challenge will be figuring out the right thing to do, because the telekinesis world he's fallen in love with is at stake and everything depends on him and him alone.

Faced with a mysterious, deadly fog bank in a seaside Scottish village, new friends Nolie and Bel look for ways to stop it--coming across an ancient spell that requires magic, a quest, and a sacrifice.

What is real and what is imaginary? Do evil creatures lurk in the shadows? Do demons attack the helpless? Are there such things as invisible men? For generations, storytellers have given substance to our worst fears. In Ask the Bones, master storytellers Arielle North Olson and Howard Schwartz retell a varied selection of the world's most frightening folktales. Be warned-these stories could scare you to death! Illustrated by David Linn. "These twenty-two stories provide a wide variety of supernatural happenings that won't disappoint the young horror acolyte." (The Horn Book, starred review)

One scary day can change everything . . . Little Bear loves the woods, his home, and going on adventures with his best friend, Big Bear. Big Bear is so big and strong and brave. He always protects Little Bear and helps him feel safe. Then something scary happens to Big Bear. He's caught in a forest fire. Even after he escapes and is safe, Little Bear can tell that Big Bear is not the same. He runs, roars, or freezes in fear when ordinary things happen in the woods that remind him of that traumatic day. How can Little Bear's big, strong, brave friend be so scared now? And how can Little Bear be a good friend? In Big Bear Was Not the Same, Joanna Rowland, author of the bestselling book The Memory Box, gently introduces young readers to the common feelings of fear, anxiety, and anger that can follow a traumatic event, and shows them how to have empathy and compassion for themselves and for loved ones experiencing the effects of trauma. Includes backmatter written by a family therapist with information on how to talk about trauma with children.
