Awhfe

educators in touch with
the literature, people,
and resources that will
keep them informed of
the current and future
state of the art in
computer education, this

Acces PDF Learning
Keyboarding With Professor
Awhfe

guide provides citations
from 1976 through March
1982 compiled from
computer searches of
ERIC, Magazine Index,
and Newspaper Index, and
from manual searches of

Awhfe

Education Index,
Microcomputer Index, and
the library and
information files of the
San Mateo Educational
Resources Center. Each
section begins with a

brief introduction.

Within each section,
citations are arranged
by document format:
journal and newspaper
articles, microfiche,
documents, and books and

Awhfe

reports. A list of
acronyms is included.
Individual chapters
focus on the following
topics: futures/trends,
computer literacy,
philosophy, classroom

applications, management
applications,
selection/evaluation
criteria,
teacher/administrator
education, research
studies, home computers,

and

references/resources. An
appendix lists
additional information
sources, and author and
subject indexes are
provided. (LMM)
