The perfect book for young readers looking to explore some of life's biggest questions. Thousands of years ago, ancient philosophers asked some important questions: "What is real?", "What is the point of my existence?", "Why is there evil in the world?", and "What can I know?" These questions have gone on to spark passionate debates about our existence and how we understand the world around us. In this engaging and accessible introduction to philosophy, readers aged 11+ will be introduced to a variety of philosophical ideas through the teachings of Plato, Confucius, Simone de Beauvoir, and many more.

Vibrant, reader-friendly illustrations bring the history of ideas and thinking to life, and provide topics for reflection and debate. With biographies of the most influential philosophers from around the world, young readers will explore the questions that have been fundamental to the development of scientific study, logical thinking, religious beliefs, freedom in society, and much more. Thought experiments peppered throughout will help to connect readers with the theories presented so they can apply them to their own lives.

Warsbooks with a new, dynamic, action-packed visual approach. With themed colourful pages and specially commissioned photography, LEGO Star Wars: The Dark Sides shows minifigures and vehicles in action. A thrilling retelling of the Star Wars saga in the style of classic epic poetry "I look not to myself but to the Force, In which all things arise and fall away." Journey to a galaxy far, far away like never before--through lyrical verse and meter. Like the tales of Odysseus and Beowulf, the adventures of Luke Skywalker, Han Solo, Princess Leia, Jyn Erso, Obi-Wan Kenobi, Darth Vader, and the Emperor are fraught with legendary battles, iconic heroes, fearsome warriors, sleek ships, and dangerous monsters. Beginning with Rogue One's rebel heist on Scarif to secure the plans to the Death Star and continuing through the climax of Return of the Jedi, author Jack Mitchell uses the ancient literary form of epic poetry to put a new spin on the Star Wars saga. Punctuated with stunning illustrations inspired by the terracotta art of Greek antiquity, *The Odyssey of Star Wars: An Epic Poem* presents the greatest myth of the 20th century as it would have been told nearly 3,000 years ago. Presents character profiles for over two hundred heroes, villains, and droids in "Star Wars: The Clone Wars", and details their allegiances, talents, and homeworlds.
