This introduction avoids myths about da Vinci and presents a chronology of his life, a critical essay on his work, and selections of his drawings that support the claim that, above all other media, painting was da Vinci's primary medium. The flurry of his artistic activity and the importance of his work are showcased in this updated introduction to his life and art.**

The book published by Charta on Peter Greenaway's Last Supper shows the most famous painting in the world as probably only Leonardo and his helpers saw it with the help of torches, the only means of lighting at the time. The photography from which the printing devices were created for this publication is in a resolution that has never been obtained before, and it is the largest reproduction of the fresco to date. All this makes our book unique, and each and every page reveals details that only restorers have had the possibility of discovering, strokes of genius and nuances that no one except them and Leonardo have seen. This is the only book of its kind that allows readers to get so close to the fresco they can almost . . . touch it. All thanks to the genius of Peter Greenaway.

Approaching the 500th anniversary of Leonardo ' s death, the world- renowned da Vinci expert recounts his fifty- year journey with the work of the world ' s most famous artist A personal memoir interwoven with original research, Living with Leonardo takes us deep inside Leonardo da Vinci scholar Martin Kemp ' s lifelong passion for the genius who has helped define our culture. Each chapter considers a specific work as Kemp offers insight into his encounters with academics, collectors, curators, devious dealers, auctioneers, and authors— as well as how he has grappled with legions of " Leonardo loonies, " treaded vested interests in academia and museums, and fended off fusillades of non- Leonardos. Kemp explains his thinking on the Last Supper and the Mona Lisa, retells his part in the identification of the stolen Buccleuch Madonna, and explains his involvement on the two major Leonardo discoveries of the last 100 years: La Bella Principessa and Salvator Mundi. His engaging narrative elucidates the issues surrounding attribution, the scientific analyses that support experts ' interpretations, and the continuing importance of connoisseurship. Illustrated with the works being discussed, Living with Leonardo explores the artist ' s genius from every angle, including technical analysis and the pop culture works he inspired, such as The Da Vinci Code, and his enduring influence 500 years after his death.

This first complete English translation, including over 250 full-color images, is a longitudinal cultural history of how art came to be institutionalized in the history of western representational practices.

Sent by Pope Alejandro VI to oversee the completion of Da Vinci's "The Last Supper" at the beginning of 1497, Dominican inquisitor Fray Agustin Leyre investigates the master artist's omission of key elements and use of symbolic imagery, which suggests that a mysterious message has been coded into the painting. Reprint. 200,000 first printing.

Leonardo's Last Supper

l'arte rivelata dall'alta tecnologia

Many great works of art have been created that we call "Christian," but none has received as much acclaim as Leonardo da Vinci's Last Supper. Art lovers venerate it for its composition and noble aesthetics, whereas, for Christians, it epitomizes the intimacy between Christ and his disciples. In recent years--following the publication of bestselling fictional narratives and dubious historical studies--The Last Supper has also become the focus of intrigue, controversy, speculation, and sensation.

Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over-painting. Thus, for the first time since its creation more than five hundred years ago, we can contemplate Da Vinci's masterpiece in its more or less original form. This lavishly illustrated, full-color book reproduces many details of the restored work, and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations. The philosopher Rudolf Steiner called The Last Supper the world's most important work of art, adding that it revealed "the meaning of Earth existence." Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting—one that has lost nothing of its urgency in our modern world.

L'Ultima Cena o Il Cenacolo è una delle opere più grandiose, per dimensioni e complessità, dell'artista-scienziato che da sempre incuriosisce e appassiona per il suo genio e per il fascino della sua personalità: Leonardo da Vinci. Nell'ex-refettorio del convento di Santa Maria delle Grazie a Milano, si trova il dipinto parietale raffigurante l'ultima cena di Cristo, composto tra il 1494 e il 1498 su incarico di Ludovico il Moro. L'Ultima Cena dipinta da Leonardo da Vinci, in un prolungamento prospettico dell'ambiente reale, costituisce un'iconografia fra le più celebri e le più profondamente penetrate nell'immaginario collettivo occidentale: la scena è quella del momento in cui Gesù dichiara agli Apostoli di sapere che uno di loro lo tradirà. A causa della tecnica pittorica utilizzata da Leonardo, incompatibile con l'umidità dell'ambiente, l'opera versa da secoli in un cattivo stato di conservazione. Nonostante ciò Il Cenacolo fa parte della lista UNESCO dei beni dell'umanità da preservare ed è anche per questo motivo che si è tentato, per quanto possibile, di salvarguardarla nel corso di uno dei più lunghi e capillari restauri della storia, durato dal 1978 al 1999 con le tecniche più all'avanguardia del settore. Gli audioquadri Area51 Publishing sono un nuovo modo di conoscere, amare e godere l'arte. Ogni quadro è raccontato nel dettaglio per farti conoscere la storia, scoprire lo stile e vivere in prima persona l'emozione del dipinto. L'ebook dell'audioquadro è illustrato: al suo interno troverai infatti le immagini dei dettagli del dipinto che ti aiuteranno a notare ed apprezzare ogni elemento dell'opera.
