A classic memoir that's

gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s.

As a boy, Myers was

quick-tempered and physically strong, always ready for a fight.

He also read

voraciously—he would

boys' teasing. He

aspired to be a writer

(and he eventually

succeeded). But as his

hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort.
