

Let Your Life Speak By Parker Palmer

“This impassioned book invites readers to the deep end of life where authentic soul work and human transformation become pressing concerns.” —Publishers Weekly 2019
Independent Publisher Book Awards Gold Medalist in the Aging/Death & Dying Category From bestselling author Parker J. Palmer comes a brave and beautiful book for all who want to age reflectively, seeking new insights and life-giving ways to engage in the world. “Age itself,” he says, “is no excuse to wade in the shallows. It’s a reason to dive deep and take creative risks.” Looking back on eight decades of life—and on his work as a writer, teacher, and activist—Palmer explores what he’s learning about self and world, inviting readers to explore their own experience. In prose and poetry—and three downloadable songs written for the book by the gifted Carrie Newcomer—he meditates on the meanings of life, past, present, and future. With compassion and chutzpah, gravitas and levity, Palmer writes about cultivating a vital inner and outer life, finding meaning in suffering and joy, and forming friendships across the generations that bring new life to young and old alike. “This book is a companion for not merely surviving a fractured world, but embodying—like Parker—the fiercely honest and gracious wholeness that is ours to claim at every stage of life.” —Krista Tippett, New York Times-bestselling author of *Becoming Wise* “A wondrously rich mix of reality and possibility, comfort and story, helpful counsel and poetry, in the voice of a friend . . . This is a book of immense gratitude, consolation, and praise.” —Naomi Shihab Nye, National Book Award finalist
From the creator of the popular website *Ask a Manager* and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party
Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The*

No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Using the successful Inside-Out program, in which incarcerated and non-incarcerated college students are taught in the same classroom, this book explores the practice of community-based learning, including the voices of teachers and participants, and offers a model for courses, student life programs, and faculty training.

Should governments be involved in economic affairs? Challenging prevailing wisdom about the benefits of self-regulating markets, Nina Bandelj and Elizabeth Sowers offer a uniquely sociological perspective to emphasize that states can never be divorced from economy. From defining property rights and regulating commodification of labor to setting corporate governance standards and international exchange rules, the state continuously manages the functioning of markets and influences economic outcomes for individuals, firms and nations. The authors bring together classical interventions and cutting-edge contemporary research in economic sociology to discuss six broad areas of economy/state connection: property, money, labor, firms, national economic growth, and global economic exchange. A wealth of empirical examples and illustrations reveals that even if the nature of state influence on economy varies across contexts, it is always dependent on social forces. This accessible and engaging book will be essential reading for upper-level students of economic sociology, and those interested in the major economic dilemmas of our times. .

Let Your Life Speak

How to be Heard

In this provocative essay on that least understood virtue, compassion, the authors challenge themselves and us with these questions: Where do we place compassion in our lives? Is it enough to live a life in which we hurt one another as little as possible? Is our guiding ideal a life of maximum pleasure and minimum pain? Compassion answers no. After years of study and discussion among themselves with other religious, and with men and women at the very center of national politics, the authors look at compassion with a vigorous new perspective. They place compassion at the heart of a Christian life in a world governed far too long by principles of power and destructive control. Compassion, no longer merely an error of human mistakes, is a force of prayer and action -- the expression of God's love to us and our love for God and one another. Compassion is a book that says no to a life of guilt and failure and yes to a compassionate love that pervades our lives and moves us to action. Henri Nouwen, Donald McNeill, and Douglas Morrison have written a moving document on what it means to be a Christian in a difficult time.

Political protests, debates on college campuses, and social media tirades make it seem like everyone is speaking their minds today. Surveys, however, reveal that many people increasingly feel like they're walking on eggshells when communicating in public. Speaking your mind can risk relationships and professional opportunities. It can alienate friends and anger colleagues. Isn't it smarter to just put your head down and keep quiet about controversial topics? In this book, Hrishikesh Joshi offers a novel defense of speaking your mind. He explains that because we are social creatures, we never truly think alone. What we know depends on what our community knows. By bringing our unique perspectives to bear upon public discourse, we enhance our collective ability to reach the truth on a variety of important matters. Speaking your mind is also important for your own sake. It is essential for developing your own thinking. And it's a core aspect of being intellectually courageous and independent. Joshi argues that such independence is a crucial part of a well-lived life. The book draws from Aristotle, John Stuart Mill, Friedrich Nietzsche, Bertrand Russell, and a range of contemporary thinkers to argue that it's OK to speak your mind. Key Features: Shows that we have not just a right but a moral duty to publicly share what we think. Argues that discussing your unique ideas with others is essential for developing as a critical thinker. Explores the value of intellectual honesty and independence in the writings of John Stuart Mill and Friedrich Nietzsche and connects their thinking to contemporary problems. Argues that avoiding cultural blind spots today is important for the fate of future generations.

Let Your Lips Speak Life: 30 Days of Self-Affirming Love, takes you on a self-guided 30 day challenge to recondition your approach to self-talk and self-love.

"This book is for teachers who have good days and bad -- and whose bad days bring the suffering that comes only from something one loves. It is for teachers who do not harden their hearts, because they love learners, learning, and the teaching life." - Parker J. Palmer [from the Introduction] Teachers choose their vocation for reasons of the heart, because they care deeply about their students and about their subjects. The demands of teaching cause too many educators to lose heart. Is it possible to turn in teaching once more so that we can continue to do what good teachers always do: give heart to our students? In *The Courage to Teach*, Parker Palmer takes teachers on an inner journey toward reconnecting with their vocation and their students -- and recovering their passion for one of the most difficult and important of human endeavors.

Clean language. Secrets of rhetoric; great speeches unpacked; exercises and methods to achieve clarity, precision and impact. Five danger words to avoid. • Stagecraft: How to deliver a great talk. Practice, preparation, tools and aids, common mistakes and how to avoid them, stage presence - how to act and talk like a top professional speaker and win over any audience. The five most common errors and how to avoid them.

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

A portfolio containing 8 visual maps and instructions for documenting one's life story for the purpose of spiritual development and meaningful action. Written from a Christian perspective, these materials are an interactive workbook to be used individually, with a group, with a mentor, counselor, spiritual director or coach. Facilitator equipping is available.

ENGAGE THE SPIRIT AND TRUTH OF THE ACTIVE LIFE What spiritual sources can we draw on to receive guidance for—and from—our lives in the world of action? The Active Life is Parker J. Palmer's deep and graceful exploration of a spirituality for the busy, sometimes frenetic lives many of us lead. Telling evocative stories from a variety of religious traditions, including Taoist, Jewish, and Christian, Palmer shows that the spiritual life does not mean abandoning the world but engaging it more deeply through life-giving action. He celebrates both the problems and potentials of the active life, revealing how much they have to teach us about ourselves, the world, and God.

A Crash Course on Creativity

"When you've found your life's purpose, work becomes meaningful to you. If you want to discover and live your purpose, read Nicholas Pearce's book. Not only will it inspire you to become who you were born to be, it also will show you how." - Ken Blanchard, New York Times bestselling coauthor of *The One Minute Manager®* How to build a meaningful career with a moral center and a purpose in the world. Some of the world's most successful companies—Google, Disney, Starbucks—are not simply profit-driven, but purpose-driven. They identify the purpose behind why they do what they do, and let their "why" drive what they do every day. Nicholas Pearce argues that we all should do the same: discover our "why" and commit to the journey of aligning our daily work with our life's work. *The Purpose Path* is for people in any field who long to have more than just a job or a career, but a true vocation that allows them to connect their soul with their role. *The Purpose Path* is organized around five key questions: What is success? Who am I? Why am I here? Am I running the right race? Am I running the race well? Nicholas Pearce sits at the unconventional intersection of academia, business, and faith. With examples and advice, he shows how he and other people in a variety of fields and at different life stages have asked and answered these five questions in order to start, shape, or even radically change their careers. Inspiring, thought-provoking, and practical, *The Purpose Path* is an essential book for anyone who seeks the clarity and courage to advance their authentic life's work every day.

Featuring stunning colour illustrations of the energy of human organs and other body parts, this book is perfect for anyone interested in learning about the self-healing properties of the body and the psychic, emotional, and physical elements central to existence. The book provides a deeper understanding of the wider psychological function of each organ, including eyes, hands, hips, knees, shoulders, spine, and teeth, and explains how they act in concert within the body. The illustrations further enhance how to receive the message of each organ on an intuitive level, and a chart of healing crystals corresponding with each organ brings further information on how to interact with the organs energetically.

* Includes passages from Scripture and opportunities to reflect and pray * Ideal for use during Advent or Lent.

This book is a new and original voice in Christian spirituality. A valuable and practical resource for both clergy and laity, a balance vision of the renewal of public life and how the church can contribute to it.

The Sacred Call to Self-Discovery

What on Earth Am I Here For?

When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find

themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice. "With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing."--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

"A new edition with a final chapter written forty years after the explosion."

Daily meditations taken from the works of an acclaimed novelist, essayist, and preacher who has articulated what he sees with a freshness and clarity and energy that hails our stultified imaginations.

In a special hardcover edition of *The Call*, Os Guinness challenges readers to address the search for life's meaning. This stickered graduation edition is perfect for gift-giving."

Maps for Recognizing and Responding to God in My Story

A Pedagogy of Transformation for Community-Based Education

A Simple Guide for a Life of Purpose, Abundance, and Joy

We all have the power to change our lives and our relationships with the words we speak. Many of us float through life proclaiming only the things that we can see. However, we have a God-given ability to partner with the Holy Spirit to affect the world around us with our words. Once we understand God's perspective, we can speak life into every part of our existence. Let Katherine show you how wonderful your future can be by partnering with God's promises and speaking life into every situation. As you read *Speak Life* you will learn: that God is totally with you, in you, and for you; how much power God has given you through your words; how to bring God's promises into existence; what the Father, Son, and Holy Spirit are saying about you; the keys to transforming your circumstances and relationships; the treasure trove of promises waiting to be released by your words

Discover and fulfill your God-given purpose by joining the more than thirty-five million others who have embarked on a spiritual journey that started with this #1 New York Times bestselling book by Pastor Rick Warren. Before you were born, God knew what

your life had in store for you. His hope for you is to discover the life he created just for you--both here on earth, and forever in eternity. Let Rick Warren guide you as you learn to live out your true purpose. The Purpose Driven Life is more than a book; it's a road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, The Purpose Driven Life will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout The Purpose Driven Life, Warren will teach you to spend time getting to know yourself and your creator in order to live your life to the fullest. Unlocking your true purpose will also reduce your stress, simplify your decisions, increase your satisfaction, and, most importantly, prepare you for eternity. Designed to be read over the course of forty-two days, The Purpose Driven Life will help you see the big picture giving you a fresh perspective on the way that the pieces of your life fit together. Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

"Live without your spirit guides and you miss out on an enormous support system that could make your life infinitely easier and more enjoyable." This is a clear and thoughtful introduction to building relationships with your spirit guides. It shows readers how helpful spirit guides and angels can be in everything from the simplest to the most challenging of life decisions and how easy they are to connect with, too. Our spirit guides help us to: Fulfill our purpose Make decisions that will move us forward faster Stop sabotaging ourselves as well as judging ourselves and everyone else Remember that we are more than our job or house or relationship See ourselves as beautiful and everything in life as a gift Give ourselves and everybody else a break Keep growing until the day we leave our bodies behind Go beyond the life we hoped for and onto the life we never even imagined And they do all of these things when we're ready and not a nanosecond before. They also often come quietly. As the author states: "If we expect help from Spirit to arrive with the sound of trumpets and blinding light, we'll overlook all the nuanced help that's delivered in small ways every day."

Advises and queries designed to challenge and inspire Australian Quakers in their personal lives and in their life as a religious community.

The Book of Awakening

In the expanded edition of this profound exploration of Christian identity, David G. Benner illuminates the spirituality of self-discovery. He exposes the false selves

that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ. Deepen your experience of God through discovering the gift of being yourself.

"What does everyone in the modern world need to know? [The author's] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life"--

Imaginative. Innovative. Ingenious. These words describe the visionaries we all respect and admire. And they can describe you, too. Contrary to common belief, creativity is not a gift some of us are born with. It is a skill that all of us can learn. International bestselling author and award-winning Stanford University educator Tina Seelig has worked with some of the business world's best and brightest, who are now among the decision-makers at companies such as Google, Genentech, IBM, and Cisco. In *inGenius* she expertly demystifies creativity, offering a set of tools and guidelines that anyone can use. A fantastic resource for everyone wanting to achieve their ambitions, and for readers of Jason Fried's *Rework*, and Seth Godin's *Poke the Box*. This primer on authentic education explores how mind and heart can work together in the learning process. Moving beyond the bankruptcy of our current model of education, Parker Palmer finds the soul of education through a lifelong cultivation of the wisdom each of us possesses and can share to benefit others.

Hiroshima

Restoring Healthy Communication in How You Think, Talk, and Pray

Examines the life of Arturo Alfonso Schomburg through the lens of both Blackness and latinidad. A Black Puerto Rican-born scholar, Arturo Alfonso Schomburg (1874-1938) was a well-known collector and archivist whose personal library was the basis of

the Schomburg Center for Research in Black Culture at the New York Public Library. He was an autodidact who matched wits with university-educated men and women, as well as a prominent Freemason, a writer, and an institution-builder. While he spent much of his life in New York City, Schomburg was intimately involved in the cause of Cuban and Puerto Rican independence. In the aftermath of the Spanish-Cuban-American War of 1898, he would go on to cofound the Negro Society for Historical Research and lead the American Negro Academy, all the while collecting and assembling books, prints, pamphlets, articles, and other ephemera produced by Black men and women from across the Americas and Europe. His curated library collection at the New York Public Library emphasized the presence of African peoples and their descendants throughout the Americas and would serve as an indispensable resource for the luminaries of the Harlem Renaissance, including Langston Hughes and Zora Neale Hurston. By offering a sustained look at the life of one of the most important figures of early twentieth-century New York City, this first book-length examination of Schomburg's life suggests new ways of understanding the intersections of both Blackness and latinidad.

Hope for American democracy in an era of deep divisions In *Healing the Heart of Democracy*, Parker J. Palmer quickens our instinct to seek the common good and gives us the tools to do it. This timely, courageous and practical work—intensely personal as well as political—is not about them, "those people" in Washington D.C., or in our state capitals, on whom we blame our political problems. It's about us, "We the People," and what we can do in everyday settings like families, neighborhoods, classrooms, congregations and workplaces to resist divide-and-conquer politics and restore a government "of the people, by the people, for the people." In the same compelling, inspiring prose that has made him a bestselling author, Palmer explores five "habits of the heart" that can help us restore democracy's foundations as we nurture them in ourselves and each other: An understanding that we are all in this together An appreciation of the value of "otherness" An ability to hold tension in life-giving ways A sense of personal voice and agency A capacity to create community *Healing the Heart of Democracy* is an eloquent and empowering call for "We the People" to reclaim our democracy. The online journal *Democracy & Education* called it "one of the most important books of the early 21st Century." And *Publishers Weekly*, in a Starred Review, said "This beautifully written book deserves a wide audience that will benefit from discussing it." From Tunde Oyenehin, the massively popular Peloton instructor, fitness star, and founder of SPEAK, comes an empowering,

inspiring book that shows how she transformed grief, setbacks, and flaws into growth, self-confidence, and triumph—for fans of Shonda Rhimes, Brene Brown, and Glennon Doyle. On any given day, thousands of devoted people clip into their bikes and have their lives changed by Tunde Oyenehin. From her platform in a Peloton studio, she encourages riders with her trademark blend of positivity, empathy, and motivational “Tunde-isms,” to push themselves to their limits both on and off the bike. Now, fans and readers everywhere can learn about her personal journey, and discover how they too can “live a life of purpose, on purpose” with Speak, a memoir-manifesto-guide to life inspired by her immensely popular Instagram Live series of the same name. Taking us through each step of the SPEAK acronym—Surrender, Power, Empathy, Authenticity, and Knowledge—Oyenehin shares the lessons she has learned about loss, love, body image, and how she has successfully created an intentional, joyful life for herself, offering an accessible blueprint for anyone looking to make a positive change in their lives.

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

The Purpose Path

Listen to My Life

Secrets for Powerful Speaking and Listening

New Life Church pastor Brady Boyd shows readers how to avoid conversational crashes by listening for the loving voice of God.

Called is the heart-breaking, humorous, and refreshingly honest account of one twenty-something's adventure of learning what it means to be called by God—an adventure that took him to England, C. S. Lewis's house, and back again—and why it was only in the reality of his worst nightmare that he learned what it means to be called. What is it like to be "called" by God for a particular purpose? What can you learn for your own life of faith from such a calling? Through a series of

personal anecdotes, illuminating conversations, and candid reflections, *Called* brings you face-to-face not only with the world of C. S. Lewis, but also with the very real peaks and valleys of pursuing a calling. Seeking to reclaim the uniquely Christian sense of calling, Pemberton shows that God's call cannot be reduced to one's dreams, skills, or passions, vividly and powerfully illustrating how Christ turns ideas of failure and success on their head. *Called* will encourage you to realize God has entered into your story, calling out to you anew each day with the words, "Follow me," leaving you to ask, Will I be obedient to the calling set before me?

OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

"Presents the Quaker practice of silence and expectant listening"--Back cover.

A new edition of the #1 NYT's bestseller by Mark Nepo, who has been called "one of the finest spiritual guides of our time" and "a consummate storyteller." Philosopher-poet and cancer survivor Mark Nepo opens a new season of freedom and joy—an escape from deadening, asleep-at-the wheel sameness—that is both profound and clarifying. His spiritual daybook is a summons to reclaim aliveness, liberate the self, take each day one at a time, and savor the beauty offered by life's unfolding. Reading his poetic prose is like being given second sight, exposing the reader to life's multiple dimensions, each one drawn with awe and affection. *The Book of Awakening* is the result of Nepo's journey of the soul and will inspire others to embark on their own. He speaks of spirit and friendship, urging readers to stay vital and in love with this life, no matter the hardships.

Encompassing many traditions and voices, Nepo's words offer insight on pain, wonder, and love. Each entry is accompanied by an exercise that will surprise and delight the reader in its mind-waking ability.

PLEASE NOTE: Some recent copies of *Let Your Life Speak* included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to josseybasseducation@wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, *Let Your Life Speak* hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

The revolutionary life of an 18th-century dwarf activist who was among the first to fight against slavery and animal cruelty. *Prophet Against Slavery* is an action-packed chronicle of the remarkable and radical Benjamin Lay, based on the award-winning biography by Marcus Rediker that sparked the Quaker community to re-embrace Lay after 280 years of disownment. Graphic novelist David Lester brings the full scope of Lay's activism and ideas to life. Born in 1682 to a humble Quaker family in Essex, England, Lay was a forceful and prescient visionary.

Understanding the fundamental evil that slavery represented, he would unflinchingly use guerrilla theatre tactics and direct action to shame slave owners and traders in his community. The prejudice that Lay suffered as a dwarf and a hunchback, as well as his devout faith, informed his passion for human and animal liberation. Exhibiting stamina, fortitude, and integrity in the face of the cruelties practiced against what he called his "fellow creatures," he was often a lonely voice that spoke truth to power. Lester's beautiful imagery and storytelling, accompanied by afterwords from Rediker and Paul Buhle, capture the radicalism, the humor, and the humanity of this truly modern figure. A testament to the impact each of us can make, Prophet Against Slavery brings Lay's prophetic vision to a new generation of young activists who today echo his call of 300 years ago: "No justice, no peace!"
