Provides three complete works and selections from Lewis's autobiography, adult fiction, religious and philosophical writings, criticism, poetry, and letters

Offers 365 quotations from MacDonald's work that illuminate Christian life

Letters

C. S. Lewis: A Very Short Introduction

A Life Observed

Letters to Malcolm: Chiefly on Prayer

A Journey to the Heart of the Faith

Catholicism

A comprehensive volume containing five of C.S. Lewis's inspirational and spiritual works. The titles are: The Pilgrim's Regress, Prayer: Letters to Malcolm, Reflections of the Psalms, The Abolition of Man and Till We Have Faces (1956), described by Lewis as his personal favourite.

"The letters found in Volume II reveal inside accounts of how The Screwtape Letters came to be written, the early meetings of the Inklings (with J.R.R. Tolkien giving readings about "hobbits" and "Middle Earth"), how C. S. Lewis became popular through BBC radio talks, but mostly how this quiet professor in England touched the lives of many through an amazing discipline of personal correspondence." -- Publisher description.

A repackaged edition of the revered author's collection of four poems: "Dymer," "Launcelot," "The Nameless Isle," and "The Queen of Drum." C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—was also a talented poet. In this collection of four longer works of verse, Lewis displays his deep love for medieval and Renaissance poetry and themes, influences that shaped—and resonate through—his fiction.

Beloved by children and adults worldwide, the writings of C.S. Lewis have a broad and enduring appeal. Although he is best known for the iconic Chronicles of Narnia series, C. S. Lewis was actually a man of many literary parts. Already well-known as a scholar in the thirties, he became a famous broadcaster during World War Two and wrote in many genres, including satire (The Screwtape Letters), science fiction (Perelandra), a novel (Till We Have Faces), and many other books on Christian belief, such as Mere Christianity and Miracles. His few sermons remain touchstones of their type. In addition to these, Lewis wrote hundreds of poems and articles on social and cultural issues, many books and articles in his field of literary criticism and history, and thousands of letters. At Oxford University he became a charismatic lecturer and conversationalist. Taken together his writings have engaged and influenced, often very deeply, millions of readers. Now Lewis societies, television documentaries, movies, radio plays, and theatrical treatments of his work and life have become common, and he is frequently quoted by journalists, critics, and public thinkers. This Very Short Introduciton delves into the vast corpus of C. S. Lewis' work, discussing its core themes and lasting appeal. As James Como shows, C. S. Lewis' life is just as interesting as his work. A complex man, he came to his knowledge, beliefs, and wisdom only after much tortuous soul-searching and many painful events. Moving chronologically through Lewis' life, Como provides throughout a picture of the whole man, his work, and his enduring legacy. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Mere Christianity/Screwtape Letters - Collector Box

Letters to Malcolm, Chiefly on Prayer

“Catholicism takes a path less traveled in leading us to explore the faith through stories, biographies, and images.”—Timothy M. Dolan, Archbishop of New York What is Catholicism? A 2,000-year-old living tradition? A worldview? A way of life? A relationship? A mystery? In Catholicism Father Robert Barron examines all these questions and more, seeking to capture the body, heart and mind of the Catholic faith. Starting from the essential foundation of Jesus Christ’s incarnation, life, and teaching, Father Barron moves through the defining elements of Catholicism--from sacraments, worship, and prayer, to Mary, the Apostles, and Saints, to grace, salvation, heaven, and hell. Whether discussing Scripture or the rose window at Notre Dame, he uses his distinct and dynamic grasp of art, literature, architecture, personal stories, theology, philosophy, and history to present the Church to the world. Paired with his documentary film series of the same title, Catholicism is an intimate journey, capturing “The Catholic Thing” in all its depth and beauty. Eclectic, unique, and inspiring, Father Barron brings the faith to life for a new generation, in a style that is both faithful to timeless truths, while simultaneously speaking in the language of contemporary life.

The British scholar discusses many aspects of the private dialogue between man and God in these informal letters to a close friend

C. S. Lewis is one of the most influential Christian writers of our time. The Chronicles of Narnia has sold more than 100 million copies worldwide and all Lewis's works are estimated to sell 6 million copies annually. At the fiftieth anniversary of his death, Lewis expert Devin Brown brings the beloved author's story to life in a fresh, accessible, and moving biography through focusing on Lewis's spiritual journey. Although it was clear from the start that Lewis would be a writer, it was not always clear he would become a Christian. Drawing on Lewis's autobiographical works, books by those who knew him personally, and his apologetic and fictional writing, this book tells the inspiring story of Lewis's journey from cynical atheist to joyous Christian and challenges readers to follow their own calling. The book allows Lewis to tell his own life story in a uniquely powerful manner while shedding light on his best-known works.

The Efficacy of Prayer

A Cycle of Lyrics

Selected Books

Letters to Malcolm

Chiefly on Prayer

C.S. Lewis [and] Don Giovanni Calabria : a Study in Friendship

When Lewis was 51 years old and long established at Magdalen College, Oxford, he wrote the first of this collection of letters to an American widow. She was described as a "very charming, gracious, southern aristocratic lady who loved to talk and speak well". In them are his antipathy to journalism, advertising, snobbery, psychoanalysis, and the petty practices that sap freedoms. They identify events in his life after 1950 including his marriage to Joy Davidman and her death three years later.

Companion to: Heaven: The logic of eternal joy (2002).

A repackaged edition of the revered author’s definitive collection of short fiction, which explores enduring spiritual and science fiction themes such as space, time, reality, fantasy, God, and the fate of humankind. From C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—comes a collection of his dazzling short fiction. This collection of futuristic fiction includes a breathtaking science fiction story written early in his career in which Cambridge intellectuals witness the breach of space-time through a chronoscope—a telescope that looks not just into another world, but into another time. As powerful, inventive, and profound as his theological and philosophical works, The Dark Tower reveals another side of Lewis’s creative mind and his longtime fascination with reality and spirituality. It is ideal reading for fans of J. R. R. Tolkien, Lewis’s longtime friend and colleague.

"What is all this contemplative prayer people are talking about these days? I never heard anything about that back in my parish. Is this really part of the Christian tradition or some New Age import from Buddhism or some other -ism?" The question came from a young man in college seriously considering a priestly vocation. The answer was a series of letters of spiritual direction that dealt — often radically — with Christian prayer both in general and then more intensively in its contemplative dimension. Those letters have been edited, re-written, expanded, and polished into Letters to Jacob: Mostly About Contemplative Prayer (with a nod to C.S. Lewis) — a rare look at the contemplative life from the inside! "At last! A discussion of prayer - by an expert - that corrects errors, some of which are 500 or more years old. It does it gently, meaningfully, and above all, usefully. And all of this is done in the wondrous prose of Fr. John-Julian, OJN, steeped as he is in the great English Mystics." — Rev. E. Perren Hayes, retired priest, Biblical scholar "John-Julian has spent a lifetime advising souls, and writes about prayer in a way that may be surprising — even unsettling — at first....This little book is perfect for those who don't understand why educated people of the 21st century continue to pray, and is a deep well of wisdom for those that do." — Royce D. Miller, Oblate of the Order of Julian of Norwich

C. S. Lewis' Letters to Children

Letters to an American Lady

Purgatory

Narrative Poems

In his teens, a young man wrote, “ I believe in no religion. There is absolutely no proof for any of them. ” After serving in the trenches of WW1, the same young man said, “ I never sank so low as to pray. ” To a religious friend, he wrote impatiently, “ You can ’ t start with God. I don ’ t accept God! ” This young man was C. S. Lewis, the “ foul-mouthed atheist ” who would b one of the most eloquent Christian writers of the twentieth century. David C. Downing offers a unique look at Lewis ’ s personal journey to faith and the profound influence it had on his life as a writer and eventual follower of Christ. This is the first book to focus on the period from Lewis ’ s childhood to his early thirties, a tumultuous journey of spiritual and intellectual exploration. It was not despite this journey but precisely because of it that Lewis understood the search for life ’ s meaning so well.

The Psalms were written as songs and should be read more in the spirit of lyric poetry than as doctrinal treatises or sermons. C.S. Lewis then shares, whith his characteristic grace and lucidity, relfections on both the form and the meaning of select passages.

Focuses on the age-old nature and consequences of temptation as experienced in a brand new world

The Most Reluctant Convert

Perelandra

C. S. Lewis is one of the most influential and beloved Christian writers of the past century, and interest in him continues to grow as books about his fantasy, fiction, and biography continue to appear. Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview, the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview. In this book, Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview--from his arguments from reason, morality, and desire to his ideas about Incarnation, Trinity, and Atonement. All worldviews address fundamental questions about reality, knowledge, human nature, meaning, and so forth. Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews. Accenting that the intellectual strength and existential relevance of Lewis's works rest on his philosophical acumen as well as his Christian orthodoxy--which he famously called "mere Christianity"--Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike: the problem of evil and suffering, the problem of religious diversity, the problem of meaning, and others. Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style, Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader.

In this final book written before his death, C. S. Lewis continue to challenge readers to revisit the power of prayer in our everyday lives.

The revered teacher and bestselling author of such classic Christian works as Mere Christianity and The Screwtape Letters, C. S. Lewis here offers wisdom and lessons that illuminate our private dialogue with God—prayer—in this collection drawn from the breadth of his writings. C. S. Lewis's insights on Christianity and his reflections on Christian life continue to guide us more than fifty years after his death. How to Pray showcases Lewis’s enduring wisdom on prayer and its place in our daily lives. Cultivated from his many essays, articles, and letters, as well as his classic works, How to Pray provides practical wisdom and instruction to help readers nurture their spiritual beliefs and embrace prayer in all its forms. While many people would like to speak to God, they often don’t know how to begin. Lewis guides them through the practice, illuminating the significance of prayer and why it is central to faith. A welcome addition to the C. S. Lewis canon, How to Pray offers a deeper understanding of our personal tradition of prayer, our faith, and what is means to be a Christian.

Spurgeon, the Prince of Preachers, was also a man of prayer. His sermons on prayer contained within this Pure Gold Classic will lead you to the very throne of grace where you will obtain mercy and find grace to help in times of need.

"Letters to Malcolm: Chiefly on Prayer" by C. S. Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten−or yet undiscovered gems−of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Contains the text of letters that the famed author wrote to children, as he shared his feelings about school, writing, and animals, among other topics, and demonstrated his deep understanding of young people. Reprint.

A repackaged edition of the revered author's fictitious collection of letters in which he ruminates on the nature of prayer—what it is, how it works, and how it should be practiced. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—shares his understanding of the role of prayer in our lives and the ways we might better imagine our relationship with God. Composed as a collection of fictitious dispatches to his friend, Malcolm, Letters to Malcolm, Chiefly on Prayer considers this basic display of devotion in its form, content, and regularity, and the ways it both reflects our faith and shapes how we believe.

Letters to Jacob

An Anthology : 365 Readings

Reflections and Essays

George MacDonald

"Where God gives the gift, the 'foolishness of preaching' is still mighty. But best of all is a team of two: one to deliver the preliminary intellectual barrage, and the other to follow up with a direct attack on the heart." An inveterate scholar, throughout his lifetime C.S. Lewis wrote on any number of topics. While his most famous essays concern his thoughts on Christianity, he was also interested in literature, masculinity, domestic life, and war. In the nineteen essays collected inPresent Concerns, he touches on all of these and more. Though wide-ranging, these essays all share one thing: C.S. Lewis's characteristic pragmatism and persuasiveness. Many of the essays included were written between 1940 and 1945, and so pertinently reflect on the issues raised by World War II: democratic values, the need for a new chivalry, and the cynicism of the modern soldier, all of which remain relevant today. "Lewis gives us permission to admit our own doubts, our own angers and anguishes, and to know that they are part of the soul's growth."--Madeleine L'Engle

A repackaged edition of Lewis’s classic reading collection—reminiscent of the bestselling A Year with C. S. Lewis—featuring 365 selections from his writings that explore our connection to God. C. S. Lewis, author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics, considers humankind’s spiritual journey in this collection of wise, meditative excerpts and writings. In these daily reflections, the great British writer, scholar, lay theologian, broadcaster, and Christian apologist, explores a range of connected themes, including "the serious business of heaven," "Nearness to God," "Heaven and Sexuality," and "Two Kinds of Good and Bad."

The Essentials Explained Master storyteller and essayist C. S. Lewis here tackles the central questions of the Christian faith: Who was Jesus? What did he accomplish? What does it mean for me? In these classic essays, which began as talks on the BBC during World War II, Lewis creatively and simply explains the basic tenets of Christianity. Taken from the core section of Mere Christianity, the selection in this gift edition provides an accessible way for more people to discover these timeless truths. For those looking to remind themselves of the things they hold true, or those looking for a snapshot of Christianity, this book is a wonderful introduction to the faith.

@Published in 1919 when Lewis was only twenty, these early poems give an insight into the author's youthful agnosticism. The poems are written in various metrical forms, but are unified by a central idea, expressing his conviction that nature was malevolent and beauty the only true spirituality. Preface by Walter Hooper.@@

The World's Last Night

And Other Essays on Literature

The Grand Miracle

The Business of Heaven

Mostly About Prayer

A repackaged edition of the revered author’s anthology of satirical yet serious essays on evil. In these spirited essays, C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—discusses evil in the world. Blending irony, humor, and paradox, he tackles religion’s most difficult and intriguing questions regarding immorality, belief, and the meaning of prayer. Best of all, the infamous Screwtape makes a special cameo appearance in this funny and poignant collection.
