Authentic examination papers for learners preparing for the revised Cambridge English: Young Learners from 2018. This collection of examination papers for Cambridge English: Starters (YLE Starters) provides ideal exam practice. It contains three full-colour test papers which contain engaging activities and attractive illustrations to motivate young learners. These papers also provide an excellent opportunity for children, parents and teachers alike to familiarise themselves with the format of the revised test. An Audio CD (which contains the listening sections of the tests) and an Answer Booklet are also available separately.

"The Brill Dictionary of Ancient Greek" is also available online and as a two-volume boxed set. "The Brill Dictionary of Ancient Greek" is the English translation of Franco Montanari's "Vocabolario della Lingua Greca." With an established reputation as the most important modern dictionary for Ancient Greek, it brings together 140,000 headwords taken from the literature, papyri, inscriptions and other sources of the archaic period up to the 6th Century CE, and occasionally beyond."The Brill Dictionary of Ancient Greek" is an invaluable companion for the study of Classics and Ancient Greek, for beginning students and advanced scholars alike. Translated and edited under the auspices of The Center for Hellenic Studies in Washington, DC,

"The Brill Dictionary of Ancient Greek" is based on the completely revised 3rd Italian edition published in 2013 by Loescher Editore, Torino. Features The principal parts of some 15,000 verbs are listed directly following the entry and its etymology. For each of these forms, the occurrence in the ancient texts has been certified. When found only once, the location is cited. Nearly all entries include citations from the texts with careful mention of the source. The dictionary is especially rich in personal names re-checked against the sources for the 3rd Italian edition, and in scientific terms, which have been categorized according to discipline. Each entry has a clear structure and typography making it easy to navigate. "For a number of years

now, scholars at ease in Italian have benefitted enormously from the riches, layout, concision, and accuracy of Professor Montanari's "Vocabolario della Lingua Greca," with its added advantage of the inclusion of names. Hence classicists in general will welcome the English version of this very valuable resource." Professor Richard Janko, "University of Michigan" Franco Montanari is a giant in our field, and his Dictionary is a major leap forward for us . Professor Gregory Nagy, "Harvard University"

L'arte

Join Rafe as he survives white-water rafting, camp counselors, and rock climbing in this hilarious New York Times bestseller from the Middle School series. After a rough summer, Rafe is heading back to the dreaded Hills Village Middle School, the site of the very worst years of his life. And as if that's not bad enough, he's learned that he's going to be held back a year unless he can prove himself on an outdoor survival excursion-complete with dangerous white-water rafting, dizzying rock climbing, and fanatical counselors. Rafe and the rest of the pack of "delinquent" trainees are forced to cooperate as they prepare for the final test: a solo excursion in the deep woods. Can Rafe come out of the experience in one piece? And if he does, will he go home as the same insecure kid? Both heartwarming and hilarious, Save Rafe! is a story of perseverance and courage as only James Patterson could tell it.
