the subjects of  
reincarnation and  
life after death  
merge. Focused on an

WHY asks (and  
answers) the  
questions: why are  
some people and  
organizations more  
innovative, more  
influential, and more  
profitable than  
others? Why do  
some command

employees alike?

Even among the  
successful, why are  
so few able to repeat  
their success over  
and over? People like  
Martin Luther King  
Jr., Steve Jobs, and  
the Wright Brothers  
had little in common,  
but they all started

with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it.

START WITH

WHY shows that the leaders who have had the greatest influence in the
