If fate sent you an email, would you answer? When teenage movie star Graham Larkin accidentally sends small town girl Ellie O'Neill an email about his pet pig, the two seventeen-year-olds strike up a witty and unforgettable correspondence, discussing everything under the sun, except for their names or backgrounds. Then Graham finds out that Ellie's Maine hometown is the perfect location for his latest film, and he decides to take their relationship from online to in-person. But can a star as famous as Graham really start a relationship with an ordinary girl like Ellie? And why does Ellie want to avoid the media's spotlight at all costs?

In A Bowl of Cherries Shena Mackay tells the story of twin brothers whose lives are inexorably intertwined: Rex, a self-absorbed and successful writer, and Stanley, a minor poet who works as a dishwasher. Rex lives on the family estate being the older of the twins by one minute with his unhappy wife, Daphne, who writes children's books. Their overweight daughter, Daisy, lives nearby, and as a result of a guilty secret of her own, has married an overbearing, misogynist, and skinflint husband, Julian. Rex's illegitimate son, Seamus, 14, discovers Daisy quite by accident and their relationship blossoms despite the many flawed characters that surround them. He carries a family secret that proves to be devastating, but which ultimately releases his half-sister Daisy from her torments.

Originally, Life is Just a Bowl of Memories was meant only for the author's family - because, as close as his family is, and was, there is much they never knew. The writing style is as if the author and reader are having a conversation.

This book follows the life of an average and ordinary woman sharing her own experiences, thoughts, and adventures over sixty-five years. It is written in the hope that the reader will be able to draw some consolation that life happens to all of us. Her experiences and how she dealt with them give an insight into so many aspects of life. Whatever has been thrown at her during the years, she has come through them reasonably unscathed.

The #1 New York Times bestseller by Tom Brady, six-time Super Bowl champion and one of the NFL’s 100 Greatest Players of All Time. Revised, expanded, and updated, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—who continues to play at an elite level into his forties—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to enhanced quality of life and performance through recovery for athletes of all abilities and ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, The TB12 Method provides step-by-step guidance on how develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

*"In poetic simplicity, Clark Strand makes meditation as effortless as breathing, as intimate as a heartbeat, as joyous as a child." --Hugh Prather, author of Notes to Myself and Spiritual Parenting "I asked myself one question: Was there a way for people to slow down and experience themselves, their lives, and other people in the present moment without adopting a new religious or philosophical ideology" In The Wooden Bowl, now in paperback, meditation teacher and author Clark Strand explains in short, simple chapters how to meditate on your own or within a group--the only requirement being that you maintain a spirit of lightness and friendliness, without goals or expectations. The secret of meditation lies in understanding that we all have an inner steadiness and calm that we can access right away, without obsessively monitoring or telling ourselves what to do. "The Wooden Bowl is a terrific book. Just reading it slows me down, reminds me in the most simple quiet language that I'm here--now. How sweet! I love the way Strand writes." --Natalie Goldberg, Writing Down the Bones*

*In May 1936 Secretary of Agriculture Henry A. Wallace wrote to Caroline Henderson to praise her contributions to American "understanding of some of our farm problems." His comments reflected the national attention aroused by Henderson’s articles, which had been published in Atlantic Monthly since 1931. Even today, Henderson’s articles are frequently cited for her vivid descriptions of the dust storms that ravaged the Plains. Caroline Henderson was a Mount Holyoke graduate who moved to Oklahoma’s panhandle to homestead and teach in 1907. This collection of Henderson’s letters and articles published from 1908 to1966 presents an intimate portrait of a woman’s life in the Great Plains. Her writing mirrors her love of the land and the literature that sustained her as she struggled for survival. Alvin O. Turner has collected and edited Henderson’s published materials together with her private correspondence. Accompanying biographical sketch, chapter introductions, and annotations provide details on Henderson’s life and context for her frequent literary allusions and comments on contemporary issues.*

*If you liked the movie "A Christmas Story" this short autobiographical story of growing up in the 60's & 70's will make you laugh and cry with the authors antics. The story follows his life struggles with a strained relationship and final reconciliation with his father. You'll learn how the lyrics from the old George Gershwin song and title of the book became a hauntingly prophetic prediction of things to come. Penned for his children and grandchildren, the lessons he learned about parenting are shared with the reader focusing on love, faith, and family.*

*I managed to live through and survive from a most incredible period of time in the History of the World. That was during the Rise, Fall and Aftermath of the Hitler Regime and World War II. Reading this book is like a "Time Capsule." It brings you into my life from 1925 up until the present time. Over my life span, if someone had predicted to me, what I would have to endure, I would have deemed him "insane." I had a beautiful childhood and was raised in an upscalem German home. Later on, all that was meaningless to me and all that was important was to somehow survive and stay "alive." Somehow I overcame the many cruel obstacles and unbearable odds that were set before me. In the end, somehow I survived through it all, and still keep surviving today.*

In 1996, a revered Hawaiian elder befriended an American anthropologist, and from their rare and intimate rapport, something miraculous emerged. Through the words and teachings of the kahuna wisdom-keeper Hale Makua, Dr. Hank Wesselman was gifted with an enhanced perspective into the sacred knowledge of ancient Hawaii. Before his passing, elder Makua encouraged Dr. Wesselman to convey much of what had passed between them to the wider world, giving him permission to share his spiritual knowledge. Now, with The Bowl of Light, you are invited to share in the sacred wisdom of one of the world’s most powerful indigenous traditions, including: The Bowl of Light—how we can restore our natural divine radiance The three directives of the spiritual warrior—love with humility, live with reverence, and know with self-discipline Rituals for communing with nature, receiving wisdom from the spirit world, purifying our consciousness, and more The Ancestral Grand Plan—exploring the path our ancestors set in motion millennia ago, and how the Plan is playing out across the world today

This updated New York Times bestselling collection of essays by seven-time Grammy nominated singer songwriter Sara Bareilles “resonates with authentic and hard-won truths” (Publishers Weekly)—and features new material on the hit Broadway musical, Waitress. Sara Bareilles “pours her heart and soul into these essays” (Associated Press), sharing the joys and the struggles that come with creating great work, all while staying true to yourself. Imbued with humor and marked by Sara’s confessional writing style, this essay collection tells the inside story behind some of her most popular songs. Well known for her chart-topper “Brave,” Sara first broke through in 2007 with her multi-platinum single “Love Song.” She has since released seven albums that have sold millions of copies and spawned several hits. “A breezy, upbeat, and honest reflection of this multitalented artist” (Kirkus Reviews), Sounds Like Me reveals Sara Bareilles, the artist—and the woman—on songwriting, soul searching, and what’s discovered along the way.

It's Thanksgiving, and that means it's time for...football! Ethan has waited his whole nine-year-old life to be old enough to play in the annual family Turkey Bowl football game. This is his year. He wakes up Thanksgiving Day, dresses in all of his football finest, and runs downstairs to greet the team -- his whole family. But the kitchen isn't full of aunts and cousins and uncles -- a blizzard has snowed them out. And it looks like the Turkey Bowl just isn't meant to be this year. After all, who could play football in a blizzard? Ethan, that's who!

For readers of Behind the Beautiful Forevers and Nothing to Envy, this is a breathtaking real-life story of four street children in contemporary Zambia whose lives are drawn together and forever altered by the mysterious murder of a fellow street child. Based on years of investigative reporting and unprecedented fieldwork, Walking the Bowl immerses readers in the daily lives of four unforgettable characters: Lusabilo, a determined waste picker; Kapula, a burned-out brothel worker; Moonga, a former rock crusher turned beggar; and Timo, an ambitious gang leader. These children navigate the violent and poverty-stricken underworld of Lusaka, one of Africa’s fastest growing cities. When the dead body of a ten-year-old boy is discovered under a heap of garbage in Lusaka’s largest landfill, a murder investigation quickly heats up due to the influence of the victim’s mother and her far-reaching political connections. The children’s lives become more closely intertwined as each child engages in a desperate bid for survival against forces they could never have imagined. Gripping and fast-paced, the book exposes the perilous aspects of street life through the eyes of the children who survive, endure and dream there, and what emerges is an ultimately hopeful story about human kindness and how one small good deed, passed on to others, can make a difference in the face of seemingly insurmountable odds.

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

The hilarious #1 New York Times bestseller: Erma Bombeck’s take on marriage and family life is “fun from cover to cover” (Hartford Courant). Ever since she was a child, Er ma Bombeck has been an expert worrier, and married life has only honed that skill. She gets anxious about running out of ball bearings; about snakes sneaking in through the pipes; about making meaningful conversation on New Year’s Eve. Married life, she realizes, is an unpredictable saga even when you know exactly how loud your husband snores every night—and she wouldn’t have it any other way. In this crisp collection of essays, Bombeck shows off the irresistible style that made her one of America’s favorite humorists for more than three decades. When she sharpens her wit, no family member is sacred and no self-help fad is safe. This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author’s estate.

How to Do What You Love, Better and for Longer

Life is Just a Bowl of Cherries

Love has many forms. Every seeker may have their own journey towards it, each one filled with its own set of obstacles and life lessons. For Gayathri, a chance encounter with a Gynaecologic Oncologist reminds her of her own belief in a soulmate and helps her embrace self-love. For Charanjeet, love is about getting over his helplessness and working to strengthen his marriage, building his family. Joseph had to first encounter himself, deal with his own anger and shame to find his expression, before he could accept someone’s love. Ranganayaki’s journey is that of learning to stand up for herself in an unsupportive environment and yet viewing the world through the lens of humour along with her strong faith on her ‘Ranga’. Suraiya had to allow the churning in her to realize that self-care is not selfish, while facing up to her disappointing marriage and walking out of it. They say Love Conquers All; here are stories of a few common people who had to break the shackles – sometimes of traditions, sometimes of societal norms and at times even their own expectations to reach their destinations. As they conquered, they embodied HOPE. After all, LOVE is the source of HOPE.

Now celebrating the 42nd anniversary of *The Hitchhiker’s Guide to the Galaxy*, soon to be a Hulu original series! “A madcap adventure . . . Adams’s writing teeters on the fringe of inspired lunacy.”—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination.

But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth’s dolphins, and the discovery of his battered copy of *The Hitchhiker’s Guide to the Galaxy* all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it’s light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? “The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible.”—The Boston Globe

Presents several humorously illustrated food-related idioms, along with explanations of what they mean and examples of how they are used.

A simple, transformative technique for eating mindfully—and healthfully. One Bowl proposes a simple but extraordinarily powerful idea: By adopting a single bowl as the vessel for your meals, you will become more aware of the food you eat, how you eat, and the effects (large and small) of particular foods on your body and your spiritual and physical well-being. Author Don Gerrard guides us through every process of adapting to the one-bowl philosophy of eating,

including choosing a bowl, deciding what to fill it with, and being attentive to every stage of eating and digestion. Although not rooted in any single spiritual tradition, One Bowl is certain to resonate with everyone who can appreciate that the Buddha, for example, ate out of one bowl, in silence, whether eating by himself or in a group.
