*This is the fifth novel portraying the life of a Lord family member, and it brings us up to date, well to 2010. Peter Lord is turning twenty-one, and as the heir to Fotheringham Manor he needs to decide both the future direction for the estate and a future for his own life. While pursuing his own future in green energy sources Peter tries an experiment on the estate to diversify the present list of activities. This change, this attempt to help a group of dis-advantaged teenagers by giving them a second chance, proves particularly challenging. Family and friends all rally round to minimise the damage and in so doing Peter unearths a previous unsolved mystery at Fotheringham. In the end Peter decides he intends to launch Renewable Energy Expertise as a producing and consulting company to help you help the planet. Quite some change from the rural woodland that was Fotheringham Manor in the last century.*

composed in 1967 by Claude Francois and Jacques Revaux, with lyrics by Claude Francois and Gilles Thibault. Anka's English lyrics are unrelated to the original French song. "My Way" is often quoted as the most covered song in history. The lyrics of "My Way" tells the story of a man who is nearly dead. Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Doors were a young band on their way up in 1966. One night, Jim Morrison, the lead singer, jumped out of a window drunk. I didn't have much confidence in his grip. #2 I was the youngest member of the band, and I didn't have any authority over the others. I was constantly being placed at the crossroads between rock 'n' roll stardom and scooping Jim's brains off the pavement. I knew that Jim could be as big a rock star as anyone who had come before him. #3 The Doors were a band that I auditioned for in 1965. I had met the rest of the band members before, so there was no need for introductions. I came prepared to play the first song we ever played together: Moonlight Drive. #4 The hair relaxer wore off after a few months, and my sexy mop top went back to looking like a frayed Brillo pad. But thankfully by then I had proven myself indispensable, and the Doors couldn't get rid of me any more than I could get rid of the worst hair in rock 'n' roll. The series continues with the story of Jennifer and Cody. Jennifer has started her own business with her best friend. She has successfully pulled several weddings and looks forward to creating memorable celebrations for her friends, family and neighbors in Suwannee County Florida. Cody is the county Sheriff and has loved Jennifer since high school. Now that she has returned from the big city he wants to have her back in his life as his friend, lover and future companion for life. They just have to survive the raging revenge from a school classmate. Cody Cross made a picture with the sun streaming over his lean body in his habitual jeans and plaid shirt. His boots were scarred but the gun on his hip looked as new as the day it had come out of the box. Sunglasses hid his gray eyes but she knew the easy smile on his face would be there in the foggy depths He leaned against his vehicle and waited. Long legs, curves in all the right places and that sexy switch of unbound dark hair still had the power to give him ideas that hadn't dimmed in the years and distance that had separated them.

He was too hot to handle...and she couldn't resist the heat Defense attorney Ethan Milner is well-paid for his ability to charm a jury while ruthlessly slashing the prosecution. He's living life in the fast lane, until he's slapped with a reckless driving charge and sentenced to 40 hours of community service on a crime watch patrol. Now he's under the thumb of the chairman of the city's crime watch council - a no-nonsense woman determined to make him pay his debt to society. Sandy DeMarco is familiar with Ethan's professional character, as well as his notorious

“bad boy” reputation with women. Still, when her quiet neighborhood is shaken by a brutal murder and an employee of hers becomes the prime suspect, she knows the accused’s only hope is the man who will win at any cost. Working alongside Sandy, Ethan feels the spark of attraction that ignites into love - even as a killer burns to silence them both.

LIGHT MY FIRE Genere: Romance New Adult Dopo la separazione dei suoi genitori, Drake ritorna a Hoover, in Alabama, per andare a vivere con suo padre, dongiovanni incallito, che lo ha trascinato ad Atlanta un anno prima, seguendo una delle sue innumerevoli amanti. Quando si iscrive al liceo, scopre che Ben, il suo migliore amico con il quale ha mantenuto i contatti, è cambiato. Ha iniziato a bere, è diventato incline alla violenza. E ha una nuova ragazza, Daphne. Frequentando il Wilmot High, Drake si accorge che Daphne non è così felice come si sforza di apparire, per non intaccare l'immagine di studentessa modello. Intrappolata nel ruolo di ragazza bene educata, sottomessa a Ben, Daphne capisce che solo con Drake può essere se stessa, e fra i due sboccia un'incontrollabile attrazione che entrambi bloccano sul nascere. Drake non ha il coraggio di portare via la ragazza al suo migliore amico, così prova a mettersi assieme a Holly, una compagna di scuola frivola e superficiale. Una sera a una festa, Daphne e Ben litigano. Lui la accompagna a casa ubriaco e hanno un incidente. Lei si ritrova quasi illesa, lui invece con una contusione alla spina dorsale che lo costringe a un periodo di terapia, su una sedia a

rotelle. Schiacciata dal senso di colpa, Daphne si chiude in se stessa, emarginata da tutti perché ritenuta colpevole dell'incidente. Solo Drake riesce a comprenderla e i due ragazzi iniziano una storia d'amore segreta, che li cambierà profondamente. Acceso di passione, Light my Fire è un romance New Adult narrato con il punto di vista alternato dei due protagonisti: Drake, il ribelle che non ha mai conosciuto l'amore, e Daphne, una ragazza che si nasconde dietro una maschera di buonismo per non deludere gli altri, amareggiata dalla vita ma che ancora crede nei sentimenti.

Light my fire. La mia vita con Jim Morrison

The year is 1863. Deep in the backwoods of Coker County, Tennessee, farmer Boone Dillard and his family live in ritualistic harmony with the earth and its seasons, content to eke out a living from the land, unaware even of the Civil War that engulfs the nation around them... that is, until Boone is seduced by a mysterious traveling peddler ' s dulcet promises of fame, fortune, and glory. As Boone and his hulking yet childlike brother-in-law Jebber set forth in search of their destiny, they set into motion a haunting and disturbing chain of events that threatens to tear the family apart, awaken restless ghosts, and alter the course of their lives forever. From rock and roll legend Ray Manzarek comes Snake Moon, a bewitching and ghostly Civil War-era parable of Eden. Snake Moon stunningly blends ancient myth and fable with the charm and voice of rustic Americana and exposes themes of violence, heroism, and the loss of innocence amid the horrors of war with captivating intensity that builds to a stunning and unforgettable climax. Doors co-founder and keyboardist Ray Manzarek is the author of the auto-biography Light My Fire: My Life with the

Doors, and the novel Poet in Exile. In recent years he and co-wrote and directed Love Her Madly, which premiered in February of 2001. He currently tours with Doors co-founder Bobby Krieger, and Cult singer Ian Astbury, as Riders on the Storm.

In this day and age, people often define their religious truths in black and white. Comforting, sure, but how to apply such absolutes in a concrete, meaningful way to everyday life? In this sermon series, Dr. Chuck Simmons asks the Christian reader to consider that God - and therefore truth - lies in the middle of that everyday life. His compilation explores the very human

concepts of patience, doubt, forgiveness, cynicism, wonder, and hope. Followers of Jesus Christ will want to chew on Simmons' words, each chapter calling on them to reevaluate and reaffirm their beliefs as they walk their muddled path through a life of faith and love.
