After learning her father has fallen into a crevasse while climbing Denali, 12-year-old Lily runs off to the mountain to rescue him.

"Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers"--Amazon.com

Aleister Crowley’s The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner’s knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley’s original text, including the important keys, sigils and diagrams often omitted from reprints.

In this “thrilling, seductive, and utterly absorbing” (Paula Hawkins, #1 New York Times bestselling author) historical suspense novel in the tradition of Agatha Christie’s Death on the Nile and Ruth Ware’s The Woman in Cabin 10, pre-war tension and forbidden romance abound, and not everyone will survive the journey... The ship has been like a world within itself, a vast floating city outside of normal rules. But the longer the journey continues, the more confined it is starting to feel, deck upon deck, passenger upon passenger, all of them churning around each other without anywhere to go... 1939: Europe is on the brink of war when young Lily Shepherd boards an ocean liner in England, bound for Australia. She is ready to start anew, leaving behind the shadows of her past. The passage proves magical, complete with live music, cocktails, and fancy-dress balls. With stops at exotic locations along the way—Naples, Cairo, Ceylon—the voyage shows Lily places she’s only ever dreamed of and enables her to make friends with those above her social station, people who would not ordinarily mingle with her. She even allows herself to hope that a man she couldn’t possibly have a future with outside the cocoon of the ship might return her feelings. But Lily soon realizes that she’s not the only one hiding secrets. Her newfound friends—the toxic wealthy couple Eliza and Max; Cambridge graduate Edward; Jewish refugee Maria; fascist George—are also running away from their pasts. As the glamour of the voyage fades, the stage is set for something sinister to occur. By the time the ship docks, two passengers are dead, war has been declared, and Lily’s life is irrevocably changed. “A vividly descriptive ride” (Marie Claire) with a “jaw-dropping ending” (RT Book Reviews, Top Pick), Dangerous Crossing is a transporting and “gorgeously atmospheric” (Ruth Ware, New York Times bestselling author) story for the ages.

Journalist Gwop grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

A New York Times Editors' Choice—“a gripping epic about a father and daughter that plumbs the dark side of a family riven by addiction and mental illness” (Entertainment Weekly). Gardiner Amory's life is reeling—Nixon is being impeached, his wife is leaving him, and his worldview is rapidly becoming outdated. His daughter, Daley, has spent the first eleven years of her life negotiating her parents' conflicting worlds: the liberal, socially committed realm of her mother and the conservative, liquor-soaked life of her father. But when the pair divorces, Gardiner's basest impulses are unleashed in a deluge, the chasm between all of them widens, and Daley is stretched thinly across it. As she reaches adulthood, Daley rejects the narrow world of her father's prejudices and embarks on her own life—until Gardiner hits rock bottom. Returning home to help her father get sober, Daley risks everything she's found beyond him, including a chance at love, in an attempt to repair a trust that was broken long ago . . . An absorbing, insightful story written in cool, polished prose right to the last conflicted line” (Washington Post).
