The Little Kids' Table Sleeping Bear Press
Every day in Fawn Creek, Louisiana, is exactly the same—until Orchid Mason arrives. From Erin Entrada Kelly, the winner of the Newbery Medal for *Hello, Universe* and a Newbery Honor for *We Dream of Space*, this contemporary school story set in small-town Louisiana is about friendship, family, deception, and being true to yourself and your dreams. There are twelve kids in the seventh grade at Fawn Creek Middle School. They've been together all their lives.

And in this small factory town where everyone knows everything about everyone, that's not necessarily a great thing. There are thirteen desks in the seventh-grade classroom. That's because Renni Dean's father got a promotion, and the family moved to Grand Saintlodge, the nearest big town. Renni's desk is empty, but Renni still knows their secrets; is still pulling their strings. When Orchid Mason arrives and slips gracefully into Renni's chair, the other seventh graders don't know what to think. Orchid—who was born in New York City but just moved to Fawn Creek from Paris—seems to float. Her dress skims the floor.

She's wearing a flower behind her ear. Fawn Creek Middle might be small, but it has its tightly knit groups—the self-proclaimed “God Squad,” the jocks, the outsiders—just like anyplace else. Who will claim Orchid Mason? Who will save Orchid Mason? Or will Orchid Mason save them? Newbery Medal and Newbery Honor winner Erin Entrada Kelly explores complex themes centered on family, friendships, and staying true to yourself. Those Kids from Fawn Creek will enchant fans of Thanhà Lai's Inside Out & Back Again and Rebecca Stead's The List of Things That Will Not Change.

*audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Plath died by suicide a month after its first UK publication. The novel was published under Plath's name for the first time in 1967 and was not published in the United States until 1971, in
