*Includes pull-out map attached to inside back cover.*

*Lonely Planet's Poland is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Sample Krakow's nightlife, learn dramatic history in Warsaw and wander Gdansk's medieval lanes- all with your trusted travel companion.*

*The funniest book about travel you will ever read: a travel guide to the fictional European republic 'Molvania', birthplace of the polka and whooping cough. The text and design draw on the standard travel guide format and include: background information on the destination, including cultural details, useful phrases, holidays, and calendar of events; accommodation and restaurant listings; activities and excursions; as well as text break-outs, colour photos and maps throughout.*

*Tropical weather brings light and life to sandy beaches and azure waters. Throughout the islands, strong communities show off their country's attributes to a soundtrack of drumming and dance. – Jayne D'Arcy, Lonely Planet Writer Our Promise You can trust our travel information because Lonely Planet authors visit the places we write about, each and every edition. We never accept freebies for positive coverage so you can rely on us to tell it like it is. Inside This Book: 34 maps, 79-degree average water temperature, 4782 km of coastline, and 7 active volcanoes. Inspirational photos, clear and easy-to-use maps, diving feature, practical info at-a-glance, comprehensive planning tools and in-depth background.*

*Prague in Danger*

*Everyday Slang from "What's Up?" to "F\*%# Off!"*

*The Rough Guide to Czech Republic*

*Low Carbon Europe*

*Lonely Planet Southeastern Europe (Travel Guide)*

*Central Europe*

Founders of the phenomenally successful publishing company Lonely Planet, Tony and Maureen Wheeler have produced travel guides to just about every corner of the globe. Lonely Planet Publications was born in 1973 when the Wheelers self-published a quirky travel guide, Across Asia on the Cheap. This was quickly followed by what soon became the backpackers' bible, South-East Asia on a Shoestring. Going boldly where no other travel publisher had ventured, they catered to a new generation of independent, budget-conscious travelers long before the advent of mass tourism. Unlikely Destinations: The Lonely Planet Story is a unique mix of autobiography, business history and travel book. It traces Tony and Maureen Wheeler's personal story as well as the often bumpy evolution of their travel guide business into the world's largest independent travel publishing company. Not surprisingly, after thirty years in the business the Wheelers have an unrivalled set of anecdotes which they share in Unlikely Destinations: The Lonely Planet Story. They have been hassled by customs, cheated by accountants, let down by writers, banned in Malawi, berated for their Burma guide and had books pirated in Vietnam. Tony has been gored by a cow in Benares, declared dead around the world in an assortment of gruesome and greatly exaggerated accounts and their company has been accused of the "Lonely Planetization" of the world. Through it all, from the heady days of discovery in the '70s to the rocky patch after the September 11th terrorist attacks, the Wheelers' passion for the planet and traveling certainly hasn't diminished, and comes shining through in this enthralling travelogue. But above all, their memoir reveals the spirit of adventure that has made them, according to the New York Daily News, "the specialists in guiding weird folks to weird places."

Wander the cobblestone streets of Prague's Old Town at twilight. See chapter 8. Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Count statues on Charles Bridge, marvel at the Renaissance splendour of bohemian town Cesky Krumlov or explore Prague's Old Town

Anyone can speak another language! It's all about confidence. This book will give you all the practical phrases you need to explore the countryside. It also contains all the fun phrases you need to connect with local people and get a better understanding of the country and its culture.

Do you want to be able to listen to, speak, read and write Czech confidently? Do you want the convenience of being able to learn at home or on the move? Whether you are starting from scratch, or are just out of practice, Teach Yourself Complete Czech – Touch & Listen will guarantee success! Touch & Listen ebooks are a groundbreaking new approach to language learning that include recordings of pronunciation and conversations within the pages of the books themselves – right where you need them. In the past you used to have to juggle separate books and CDs/MP3s to master listening, speaking, reading and writing. Not anymore. Thanks to the latest enhanced ebook technology, you can learn and practise all four language skills plus grammar and vocabulary from a single ebook that you can read and listen to on your tablet device or smartphone. First, touch the on-screen play buttons and listen to native speakers conversing on scores of current topics. Then rewind. Or pause. Whatever you need to do to make sure you've fully understood what you have just listened to. When you are ready, complete the activities with the convenient notes feature. You are in control. It's that simple. **STRUCTURE** The course is structured in thematic units based on real-life situations and with an emphasis on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone and talking about work. **NOT MUCH TIME?** Get started with a 1-minute introduction to the key principles of the language. **GRAMMAR** Follow easy-to-manage steps to give you a clear understanding of the language. **VOCABULARY** Use clearly marked lists to make it easy to find and review the most useful vocabulary. **DIALOGUES** Touch & Listen to everyday dialogues to help you speak and understand fast. **PRONUNCIATION** Don't sound like a tourist! Perfect your pronunciation before you travel. **INSIGHTS** Look out for lots of instant help with common problems and quick tips for success, based on the author's many years of teaching experience. **FEATURES** Make full use of the wealth of convenient ebook features, including highlighting, making notes and a built-in dictionary. **PROGRESS** Rise to Level B1 of the Common European Framework for Languages: Can deal with most situations likely to arise whilst travelling in an area where the language is spoken. Can describe experiences and events, dreams, hopes and ambitions. **TEST YOURSELF** Use the unit tests to keep track of your progress. Teach Yourself Complete Czech Enjoy the familiarity of a book with the convenience of Touch & Listen technology at home or on the move, and let Teach Yourself and its highly experienced authors guide you every step of the way.

Lonely Planet Prague & the Czech Republic

EUROPE PHRASEBOOK 4

Our List of the 500 Best Places to See... Ranked

Molvania: A Land Untouched by Modern Dentistry

Lonely Planet's Ultimate Eatlist

An intergalactic odyssey of love, ambition, and self-discovery. Orphaned as a boy, raised in the Czech countryside by his doting grandparents, Jakub Prochv°zka has risen from small-time scientist to become the country's first astronaut. When a dangerous solo mission to Venus offers him both the chance at heroism he's dreamt of, and a way to atone for his father's sins as a Communist informer, he ventures boldly into the vast unknown. But in so doing, he leaves behind his devoted wife, Lenka, whose love, he realizes too late, he has sacrificed on the altar of his ambitions. Alone in Deep Space, Jakub discovers a possibly imaginary giant alien spider, who becomes his unlikely companion. Over philosophical conversations about the nature of love, life and death, and the deliciousness of bacon, the pair form an intense and emotional bond. Will it be enough to see Jakub through a clash with secret Russian rivals and return him safely to Earth for a second chance with Lenka? Rich with warmth and suspense and surprise, Spaceman of Bohemia is an exuberant delight from start to finish. Very seldom has a novel this profound taken readers on a journey of such boundless entertainment and sheer fun. "A frenetically imaginative first effort, booming with vitality and originality . . . Kalfar's voice is distinct enough to leave tread marks."-Jennifer Senior, New York Times

Lonely Planet: The world's leading travel guide publisher Lonely Planet Korea is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Looking for a guide focused on Seoul? Check out our Lonely Planet Seoul guide for a comprehensive look at all the city has to offer. Authors: Written and researched by Lonely Planet. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Honeymooners Viktor and Liesel Landauer are filled with the optimism and cultural vibrancy of central Europe of the 1920s when they meet modernist architect Rainer von Abt. He builds for them a home to embody their exuberant faith in the future, and the Landauer House becomes an instant masterpiece. Viktor and Liesel, a rich Jewish mogul married to a thoughtful, modern gentile, pour all of their hopes for their marriage and budding family into their stunning new home, filling it with children, friends, and a generation of artists and thinkers eager to abandon old-world European style in favor of the new and the avant-garde. But as life intervenes, their new home also brings out their most passionate desires and darkest secrets. As Viktor searches for a warmer, less challenging comfort in the arms of another woman, and Liesel turns to her wild, mischievous friend Hana for excitement, the marriage begins to show signs of strain. The radiant honesty and idealism of 1930 quickly evaporate beneath the storm clouds of World War II. As Nazi troops enter the country, the family must leave their old life behind and attempt to escape to America before Viktor's Jewish roots draw Nazi attention, and before the family itself dissolves. As the Landauers struggle for survival abroad, their home slips from hand to hand, from Czech to Nazi to Soviet possession and finally back to the Czechoslovak state, with new inhabitants always falling under the fervent and unrelenting influence of the Glass Room. Its crystalline perfection exerts a gravitational pull on those who know it, inspiring them, freeing them, calling them back, until the Landauers themselves are finally drawn home to where their story began. Brimming with barely contained passion and cruelty, the precision of science, the wild variance of lust, the catharsis of confession, and the fear of failure - the Glass Room contains it all.

Learn cool slang, funny insults and all the words they didn't teach you in class with this comprehensive guide to dirty Czech. You've taken Czech lessons and learned all kinds of useful phrases. You know how to order dinner, get directions, and ask for the bathroom. But what happens when it's time to drop the textbook formality? To really know a language, you need to know it's bad words, too. You need Dirty Czech. From common slang and insulting curses to explicit sexual expressions, this volume teaches the kind of Japanese heard every day on the streets of the Czech Republic. Learn to sound like a native speaker with phrases like: What's up? — Co je? I adore your small titties — Zboznuju tvoje kuzlatka. I gotta take a leak. — Musim se vymocit. Your team sucks ass! — Tvuj tym je na hovno! Drop Dead you freak! — Chcipni, ty zrudo! I'm faded. — Jsem namazenej. Are you as horny as I am? — Jsi taky tak nadrzenej

Lonely Planet's Where To Go When

Rick Steves Eastern Europe

Frommer's Prague and the Best of the Czech Republic

*A dramatic account of life in Czechoslovakia's great capital during the Nazi Protectorate With this successor book to Prague in Black and Gold, his account of more than a thousand years of Central European history, the great scholar Peter Demetz focuses on just six short years—a tormented, tragic, and unforgettable time. He was living in Prague then—a "first-degree half-Jew," according to the Nazis' terrible categories—and here he joins his objective chronicle of the city under German occupation with his personal memories of that period: from the bitter morning of March 15, 1939, when Hitler arrived from Berlin to set his seal on the Nazi takeover of the Czechoslovak government, until the liberation of Bohemia in April 1945, after long seasons of unimaginable suffering and pain. Demetz expertly interweaves a superb account of the German authorities' diplomatic, financial, and military machinations with a brilliant description of Prague's evolving resistance and underground opposition. Along with his private experiences, he offers the heretofore untold history of an effervescent, unstoppable Prague whose urbane heart went on beating despite the deportations, murders, cruelties, and violence: a Prague that kept its German- and Czech-language theaters open, its fabled film studios functioning, its young people in school and at work, and its newspapers on press. This complex, continually surprising book is filled with rare human detail and warmth, the gripping story of a great city meeting the dual challenge of occupation and of war.*

*You can count on Rick Steves to tell you what you really need to know when traveling in Eastern Europe—including the Czech Republic, Slovakia, Poland, Hungary, Slovenia, and Croatia. Explore Eastern Europe's top cities, from the romantic spires of Prague and the steamy thermal baths of Budapest to charming Kraków and laid-back Ljubljana. Enjoy the imperial sights of Vienna and walking tours of exotic Dubrovnik. Then delve into the region's natural wonders: hike through the waterfall wonderland at Plitvice Lakes National Park, drive the winding road to the Julian Alps, and watch the sun dip slowly into the Adriatic from the Dalmatian Coast. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll learn which sights are worth your time and money, and how to get around by train, bus, car, and boat. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.*

**Experience the best of the Czech and Slovak Republics with Lonely Planet. With our 6th edition you'll discover atmospheric castles on green hilltops, marvel at centuries of architectural majesty in Prague, ski down pristine slopes in the Tatras and relax with a glass of crisp, golden beer in historic Plzen. Lonely Planet guides are written by experts who get to the heart of every destination they visit. This fully updated edition is packed with accurate, practical and honest advice, designed to give you the information you need to make the most of your trip.**

**Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.**

How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World

The Rough Guide to Prague (Travel Guide eBook)

**From Inverness to the Outer Hebrides and Shetland, this guide reveals some of the last wildernesses of Europe. The guide features all sides of the Highlands and Islands, exploring both the tourist honey-traps and Scotland's most remote regions. It highlights thriving traditions such as caber-tossing, Ceilidh music and story-telling, alongside the history of clans, tartans, and the Highland Clearances. The author's intimate knowledge of Highland life provides a unique insight into the region, its people, and their culture and beliefs; she offers sound advice as only an insider could. The guide also packs in a wealth of essential and up-to-date practical information, the latest listings, extensive maps and travel timetables, and expert advice on where to ski, walk, windsurf, fish, and star-gaze.**

**A visual adventure of Wes Anderson proportions, authorized by the legendary filmmaker himself: stunning photographs of real-life places that seem plucked from the just-so world of his films, presented with fascinating human stories behind each façade. Accidentally Wes Anderson began as a personal travel bucket list, a catalog of visually striking and historically unique destinations that capture the imagined worlds of Wes Anderson. Now, inspired by a community of more than one million Adventurers, Accidentally Wes Anderson tells the stories behind more than 200 of the most beautiful, idiosyncratic, and interesting places on Earth. This book, authorized by Wes Anderson himself, travels to every continent and into your own backyard to identify quirky landmarks and undiscovered gems: places you may have passed by, some you always wanted to explore, and many you never knew existed. Fueled by a vision for distinctive design, stunning photography, and unexpected narratives, Accidentally Wes Anderson is a passport to inspiration and adventure. Perfect for modern travelers and fans of Wes Anderson's distinctive aesthetic, this is an invitation to look at your world through a different lens.**
