The Chamber of Eternity is said to contain a hieroglyphic code to the future, the meaning of life and the secrets of immortality. For thousands of years its site has been fiercely guarded, its existence defended by preposterous rumours and outright lies. Learning of the mysterious vault, Napoleon Bonaparte launches an expedition to Egypt to locate the Chamber. When its extraordinary secrets are revealed to him in the heart of the Great Pyramid, he returns to Paris and swiftly becomes a legend. Queen Victoria becomes infatuated with the legend and recruits Alexander Rhind, a modest young Scot, to infiltrate a secretive cabal of archaeologists known as the 'Brotherhood of Eternity'. But when Rhind himself is seduced by the mystery, he is compelled to undertake his own expedition to Egypt to uncover the truth. With its cast of emperors, popes, queens, generals, sheikhs, artists and archaeologists - every one of them real - The Empire of Eternity is a spellbinding novel and a gripping page-turner. From the award-winning creator of Shhl We Have a Plan comes a vibrantly colorful story about mustering the courage to try something new. Little Crab and Very Big Crab live in a tiny rock pool near the sea. Today they're going for a dip in the big ocean. "This is going to be so great," says Little Crab, splish-splashing and squelch-squelching along, all the way to the very edge. Then comes a first glance down at the waves. WHOOSH! Maybe it's better if they don't go in? With vivid, hilarious humor, Chris Haughton shows that sometimes a gentle "don't worry, I'm here" can keep tentative little crabs sidestepping ahead -- and help them discover the brilliant worlds that await when they take the plunge.

The stolid landscape of Chicago suddenly turns dreamlike and otherworldly in Stuart Dybek's classic story collection. A child's collection of bottle caps becomes the tombstones of a graveyard. A lowly rightfielder's inexplicable death turns him into a martyr to baseball. Strains of Chopin floating down the tenement airshaft are transformed into a mysterious anthem of loss. Combining homely detail and heartbreakingly familiar voices with grand leaps of imagination, The Coast of Chicago is one of the most highly regarded writers.

The Israel-Palestine Conflict

The conflict between Israelis and their forebears, on the one hand, and Palestinians and theirs, on the other, has lasted more than a century and generated more than its share of commentaries and histories. James L. Gelvin’s account of that conflict offers a compelling, clear-cut, and up to date introduction for students and general readers. Beginning in the mid-nineteenth century, when the inhabitants of Ottoman Palestine and the Jews of eastern Europe began to conceive of themselves as members of national communities, the book traces the evolution and interaction of these communities from their first encounters in Palestine through to the present, exploring the external pressures and internal logic that has propelled their conflict. The book, which places events in Palestine within the framework of global history, skillfully interweaves biographical sketches, eyewitness accounts, poetry, fiction and official documentation into its narrative, and includes photographs, maps and an abundance of supplementary material. Now in a revised edition, Gelvin’s award-winning book takes the reader through the 2006 Summer War and its aftermath.

How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In Revolting Prostitutes, sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.

Recounts the story of Mel Toews, a devoted husband and father, a popular schoolteacher, and faithful member of the Mennonite church who could no longer deal with the pain and darkness of manic depression.

Earnest, awkward, and painfully shy, sixteen-year-old Assaf is having the worst summer of his life. With his big sister gone to America and his best friend suddenly the most popular kid in their class, Assaf worries away his days at a lowly summer job in Jerusalem city hall and spends his evenings alone, watching television and playing games on the Internet. One morning, Assaf’s routine is interrupted by an absurd assignment: to find the owner of a stray yellow lab. Meanwhile, on the other side of the city, Tamar, a talented young singer with a lonely, tempestuous soul, undertakes an equally unpromising mission: to rescue a teenage drug addict from the Jerusalem underworld. . . . and, eventually, to find her dog. Someone to Run With is the most popular work to date from “a writer who has been, for nearly two decades, one of the most original and talented . . . anywhere” (The New York Times Book Review), a bestseller hailed by the Israeli press (and reform politicians such as Shimon Peres) for its mixture of fairy-tale magic, emotional sensitivity, and gritty realism. The novel explores the life of Israeli street kids-whom Grossman interviewed extensively for the novel-and the anxieties of family life in a society racked by self-doubt. Most of all, it evokes the adventure of adolescence and the discovery of love, as Tamar and Assaf, pushed beyond the limits of childhood by their quests, find themselves, and each other.

Ciela decides to help him, which means hiding the truth about that night. Because Ciela knows who assaulted her, and him. And she knows that her survival, and his, depend on no one finding out what really happened.
