Dionysos, the God of wine and theatre has returned to his native land to take revenge on the puritanical Pentheus who refuses to recognise him of his rites. Remorselessly, savagely and with black humour, the God drives Pentheus and all the city to their shocking fate. This version was specially commissioned by the National Theatre for a production in May 2002, directed by Sir Peter Hall and scored by Sir Harrison Birtwhistle. Lord of the abyss: As the dark Lord who condemns

souls to damnation in the Abyss, Micah is nothing but a feared monster wrapped in impenetrable black armor. He has no idea he is the last heir of Elden, its last hope. Only one woman knows--the daughter of his enemy. Liliana is nothing like her father, the Blood Sorcerer who'd cursed Micah. She sees past Micah's armor to the prince inside. A prince whose sinful touch she craves. But first she has to brave his dark, dangerous lair and help him remember. Because they only have till midnight to save Elden.

Princess Breena had been dreaming of her warrior lover when she was ripped from her Elden castle and thrown into a strange, dangerous realm. Lost and alone, she prayed for survival and vengeance for her stolen kingdom. She found both in a woodland cottage...in a dark bear of a man. The golden-haired beauty had eaten his food and slept in his bed when Osborn found her. Though

he wanted to awaken his virgin princess to carnal pleasures, Breena wanted more—including his warrior skills. Skills the once-legendary mercenary had long buried. Now Osborn had a choice—risk his life or deny his princess her fairy-tale ending. In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British

government called the famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as different as coarse wool and fine silk. Michael Ranahan, the son of a tenant farmer, dreams of breaking his bondage to the land and going to

America. The passage money has been saved. He's made up his mind to go. And then-the blight strikes and Michael must put his dream on hold. The landlord, Lord Somerville, is a compassionate man who struggles to preserve a way of life without compromising his ideals. To add to his troubles, he has to deal with a recalcitrant daughter who chafes at being forced to live in a country of "bog runners."

between the teenaged princes, and how it strengthened even more in the wake of their mother ' s tragic death. Now, twenty years later, Queen Elizabeth II is in her mid-nineties, Prince Charles is in his seventies, and all eyes are turned increasingly toward William and Harry again. Christopher Andersen picks up where he left off, covering everything that has happened to the brothers as they have grown up, gotten married to two remarkable women, and had children—all while facing continual waves of controversy and questions about the ways their relationship has shifted. Andersen examines how the Queen ' s behind-the-scenes maneuvering to mold her grandsons in the Windsor image after Diana ' s death, and her expectations of William as the future king, played out. He questions whether the brothers ' famously

He delves into the impact sisters-in-law Kate and Meghan have had on each other as well as on their princes, and how marriage and fatherhood have changed the brothers and, in some ways, also driven a wedge between them. Andersen also looks with an honest eye at how the princes and their wives have been continuously buffeted by scandal—including headline-making allegations of bullying, racism, betrayal, and emotional abuse that has pushed more than one royal to the brink of self-destruction. Based on in-depth research and with his “ fascinating and insightful ” (The Christian Science Monitor) writing, Andersen leaves no
