

Losing My Virginity How I Survived Had Fun And Made A Fortune Doing Business My Way

Losing My Virginity: How I Survived, Had Fun, and Made a Fortune Doing Business My Way (2007) by Richard Branson is a memoir focusing on the founding and development of the entrepreneur's multibillion dollar corporation, the Virgin Group. Switching seamlessly between descriptions of inventive business deals and extreme outdoor adventures, Branson tells the story of his unique work life... Purchase this in-depth summary to learn more. In September 2012, a YOUNG poll conducted in Britain found that the person British workers would most like as their manager was Sir Richard Branson. With over 40 years in business, Richard Branson is an inspiring pioneer of humanitarian projects and an iconic business leader. In *The Virgin Way: How to Listen, Learn, Laugh and Lead*, Richard shares and distils his secrets of leadership and success. Featuring anecdotes from his own business dealings, as well as his observations of many others who have inspired him - from politicians, business leaders, explorers, scientists and philanthropists - Richard reflects on the qualities he feels are essential for success in today's world. This is not a conventional book on leadership. There are no rules - but rather the secrets of leadership that he has learned along the way from his days at Virgin Records, to his recent work with The Elders. Whether you're at the beginning of your career, or head of a Fortune 500 company - this is your guide to being your own CEO (Chief Enabling Officer) and becoming a true leader - not just a boss.

Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business *Losing My Virginity* is an autobiography without equal.

The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, *The 12 Week Year* avoids the pitfalls and low productivity of annualized thinking. This book redefines your "year" to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. *The 12 Week Year* creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

Losing My Swedish Virginity

Cherry Popped on Her 18th Birthday

"Ranks up there with the great rock & roll books of all time." —Time Out New York "Lurid, insolent, disorderly, funny, sometimes gross, sometimes mean and occasionally touching... Resounds with authenticity." —The New York Times "No volume serves juicier dish on punk's New York birth... Tales of sex, drugs and music that will make you wish you'd been there." —Rolling Stone A contemporary classic, *Please Kill Me* is the definitive oral history of the most nihilistic of all pop movements. Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era. This 20th anniversary edition features new photos and an afterword by the authors. "Utterly and shamelessly sensational." —Newsday

An empowering, sex-positive, behind-the-scenes look at both Hollywood and the porn industry in this celebrity memoir unlike any other. Perfect for fans of *Pleasure Activism* and *How to Make Love Like a Porn Star*. Maitland Ward got her start in acting as a teenager when she was cast in *The Bold and the Beautiful*, but it wasn't until she joined the later seasons of the sitcom *Boy Meets World* that she got her first taste of fame. As the loveable, sexy (but not too sexy) co-ed Rachel McGuire, Ward soon found herself being typecast as the good girl next door and was repeatedly denied darker, more intriguing roles. So she made a career change—one that required her to turn away from the Disney universe—and eventually established herself as one of the most-respected actresses in the porn industry today. Now, Ward reveals the ups and downs of her fascinating career, including personal stories from her time on one of the most beloved shows of the 1990s, in this anything but a run-of-the-mill memoir. By showing Hollywood and triple-X stardom in a whole new light, she offers a fresh and stirring perspective on the sex industry. Ultimately a story of hope and triumph, *Rated X* is a sharp and provocative look at a former Disney princess who found her fairy tale in porn.

"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

Twenty years after his iconic memoir *Losing My Virginity*, the world's ultimate entrepreneur is back with the rest of the story. Richard Branson's *Losing My Virginity* shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: "Screw it, let's do it." Now, fifty years after starting his first business, Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career. *Finding My Virginity* is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world's first commercial spaceline. *Finding My Virginity* takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It's also the story of Branson's evolution from hotshot entrepreneur to passionate philanthropist and public servant, via Virgin Unite's environmental and health initiatives and through the Elders, a council of influential global leaders. And it's the story of his personal quest to become a better son, husband, father, and "grand-dude" to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

It's business school, the Branson way. Whether you're interested in starting your own business, improving your leadership skills, or simply looking for inspiration from one of the greatest entrepreneurs of our time, Richard Branson has the answers. Like a Virgin brings together some of his best advice, distilling the experiences and insights that have made him one of the world's most recognized and respected business leaders. In his trademark thoughtful and encouraging voice, Branson shares his knowledge like a close friend. He'll teach you how to be more innovative, how to lead by listening, how to enjoy your work, and much more. In hindsight, Branson is thankful he never went to business school. Had he conformed to the conventional dos and don'ts of starting a business, would there have been a Virgin Records? A Virgin Atlantic? So many of Branson's achievements are due to his unyielding determination to break the rules and rewrite them himself. Here's how he does it.

She is just 18 and wants to lose her virginity. But not by a boy, she wants a man. Her first time is with a male porn star who take her cherry and leaves her wanting so much more.

At 30, Duncan Bannatyne had no money and was enjoying life on the beaches of Jersey. He saw a story of someone who had made himself a millionaire, and decided to do the same. Five years later he had done it, and now he is worth £168 million. In this remarkable book, Bannatyne relives his colourful path to riches, from ice cream salesman to multi-millionaire, explaining how anyone could take the same route as he did - if they really want to. Hugely articulate, and with numerous fascinating and revealing stories to tell, this is an autobiography and a business book unlike any other - but then Bannatyne isn't like any other businessman, either.

Whether stud or dud, hot dish or cold fish, you're never the same after you first "do the deed." But how wild, weird, or earth shattering was it for your neighbor, the person next to you on the bus, or your veterinarian? In *How to Lose Your Virginity... and How Not To*, compiled from 1,000 face-to-face interviews across North America, Shawn Wickens makes us transfixed voyeurs in scores of others' seminal "coming of age" moments. From Kelsie Testa in *Jerk Magazine*: "A compilation of shocking yet heartwarming tales of orifices, secretions, and vulgarity that pleasantly ends in an orgasm. From condom follies to mixed-race orgies, Wickens proves that no formula exists when it comes to this seminal and 'ground-breaking' event.... One central message remains the same for all of these first-timers: losing your virginity is weird and exhilarating, whether you lost it with your middle-school bus driver named Frank at age 13 or you waited until marriage." Featured in the *New York Daily News*, *The Huffington Post* and *Jezebel.com*. Breakthru Radio calls *How to Lose Your Virginity*, "...an entertaining and enlightening read for virgins and non-virgins alike." A portion of the proceeds is donated to RAINN (Rape and Incest National Network)

The perfect gag gift for insecure teenagers and college students everywhere, First Timer's Kit offers a comprehensive sexual education, courtesy of semi-credible medical expert Dr. Eric Ryland Horner. Contents include: Dr. Horner's comprehensive textbook, *How to Lose Your Virginity* in 96 Pages 10 Sexual Position Study Cards (ranked by difficulty, from beginner to advanced to Cirque du Soleil) 10 Heroes of Intercourse Trading Cards (includes the extremely rare Dr. Ruth Westheimer card) Certificate of Copulation (suitable for framing) And more! Full of hilarious anatomical diagrams, ridiculous advice, and tips for surviving the morning after, the First Timer's Kit encourages readers to stop masturbating and start living!

In an increasingly sexualised world, how we lose our virginity remains an untold story. Inspired by her Cosmopolitan award-nominated blog, The Virginity Project, Kate Monro sets out to ask men and women from every walk of life, how did it happen for you? Losing It brings together an astonishing collection of stories. From the experiences of Edna, who lost her virginity in 1940 aged 25, to Charlie, a young, disabled punk rocker whose first-time experience many able-bodied people would envy, Kate reveals the poignant, funny and often surprising truth about other people's most intimate sexual stories.

"Much more than just a memoir, this is Richard Branson's own take on his extraordinary life so far - and a definitive business guide that reveals his unique philosophy on commerce, success and life."--Page 4 of cover.

Inside this book is a series of lessons designed to teach you how to add dimension to your own drawings, how to analyze real life objects and shade, create highlights, blend tones, and produce realistic drawings with ease.

The Autobiography

Have you ever wondered what the future may look like? In this book, you'll explore 10 ways technology could alter our way of life. The challenge for you is to decide which changes you want for yourself and the world. In the future, will we teleport from place to place, keep dinosaurs as pets or 3D-print our dinner? Will we live on Mars or upload our brains to computers? Could we solve climate change by making all our energy from mini stars we build here on earth? This fascinating and thought provoking book from science writer Kathryn Hulick explores the possible futures humanity will face, and how we will live as the world around us changes beyond our recognition. From genetic engineering and building floating colonies in space to developing telepathic technology and bionic body alterations, this engagingly illustrated book looks into the possible future technologies which will shape how we live and how we adapt to the challenges of the future. In this book, you'll meet the scientists working to bring science fiction to life and learn how soon we might have amazing new technology. You'll also delve deep into questions about right and wrong. Just because we can do something doesn't mean we should. How can we build the best possible future for everyone on Earth?

Losing My Virginity: How I Survived, Had Fun, and Made a Fortune Doing Business My Way (2007) by Richard Branson is a memoir focusing on the founding and development of the entrepreneur's multibillion dollar corporation, the Virgin Group. Losing My Virginity is the internationally best-selling autobiography of self-made businessman Richard Branson. He details his lucrative adventures, beginning with dropping out of school, founding a record label and crossing the Atlantic ocean on a speedboat. In essence, the book is about how cleverness, determination and an adventurous mindset played a role in the making of one of the richest men on earth. "Oh, screw it, let's do it." That's the philosophy that has allowed Richard Branson, in slightly more than twenty-five years, to spawn so many successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), to retail (Virgin Megastores), and nearly a hundred others, ranging from financial services to bridal wear, Branson has a track record second to none. Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business, let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful stories: Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment Swimming two miles to safety during a violent storm off the coast of Mexico Selling Virgin Records to save Virgin Atlantic Staging a rescue flight into Baghdad before the start of the Gulf War . . . And much more. Losing My Virginity is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum. Also available in the UK from Virgin Publishing, and in Canada from General Publishing, From the Hardcover edition.

Nervous, inexperienced, confused. For most, losing your virginity is one of life's most significant moments, always to be remembered. Of course, experiences vary, but Laura Carpenter asks: Is there an ideal way to lose it? What would constitute a "positive" experience? What often compels the big step? And, further, what does "going all the way" really mean for young gays and lesbians? In this first comprehensive study of virginity loss, Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight, gay or bisexual. Virginity Lost offers a rare window into one of life's most intimate and significant sexual moments. The stories here are frank, poignant and fascinating as Carpenter presents an array of experiences

that run the gamut from triumphant to devastating. Importantly, Carpenter argues that one's experience of virginity loss can have a powerful impact on one's later sexual experiences. Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools, this important volume will provide essential information about the sex lives of young people.

Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet; she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution—love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a rollercoaster ride filled with ideas; ideals and adventures—each new day competing with yesterday to make her rethink and re-evaluate life and love.

"Impressionistic and engaging ... Fankhauser boldly offers new wisdom." — Bromleigh McCleneghan, pastor and author of Good Christian Sex --- On the 8th day, God created sexual intercourse. And it was good. But for girls like Dani Fankhauser who were told sex was only to happen once you cross the threshold of marriage, that "goodness" seemed...questionable. As young women, we learned how to say "No" to sex, but not how to ask a guy to put on a condom. We were told to limit physical affection because it undermined love, but not how to deal with our own desires and drive. Our own bodies, and their capacity for pleasure, were left a mystery. In SHAMELESS, Fankhauser writes about the questions she had that couldn't be answered by mainstream culture or by Christian communities - about shame, love, intimacy, and STDs.

Life lessons from an ambitious guy that is in love with Sweden."LMSV I" takes an unfiltered approach to the essential topics about life in the current 20's decade. It tells you how to make your life better when moving abroad. When we travel abroad, we mostly do it with the best vibes. We want to have a bunch of new friends, a healthy mind, more money in our pockets, a less stressful life, better relationships and also feel more confident in general. However, the reality is that soon we find ourselves feeling insecure, doing self-sabotage and believing, without a plan, that it is just a momentary phase and our situation will be better in the future."LMSV I" is that plan. Moving to a new place gives us the chance to start again. Who said we need to be the same person forever? It is possible to kill the anxiety, the depression, the addictions, the social media consumption, the unhealthy diet, the unproductive days, the toxic relationships and the meaningless vibes. I define success as having the true freedom to do something without having something to hold you back. You can have the desire of sleeping with a good-looking Swedish girl (but no confidence), the desire of starting your own company or working for the company you want (but no capital or a solid network), the desire of having good long-lasting Swedish friendships (but not speaking Swedish), and the desire of being healthier in the mind and in the body (but little knowledge about how). Or whatever goal you have in your bucket list. Every goal demands hard work on yourself. There is no free lunch in the market nor in life. To come to Sweden and get this freedom, one needs to have a structured mindset. It is an amazing country with lots of opportunities but you have to calibrate your life in order to be able to integrate in the society and to exploit all the advantages it has to offer. This book is taking one step closer to all the international men, and also the swedes, to achieve more of that desired freedom. We are in a never ending process of becoming our better self and Sweden is a place that will get you inspired to do so. Sweden has the special characteristic that forces you to be your best in order to integrate successfully in society. It is a rich, innovative and educated country that has high standards for everything. I guarantee that as Jay Z says about NY, if you can make it here in Sweden you can make it anywhere. Read it, share it and let's create a better world together.

Mary Jean Chan and Andrew McMillan's luminous anthology, *100 Queer Poems*, is a celebration of thrilling contemporary voices and visionary poets of the past. Featuring Elizabeth Bishop, Langston Hughes, Ocean Vuong, Carol Ann Duffy, Kae Tempest and many more. Encompassing both the flowering of queer poetry over the past few decades and the poets who came before and broke new ground, *100 Queer Poems* presents an electrifying range of writing from the twentieth century to the present day. Questioning and redefining what we mean by a 'queer' poem, you'll find inside classics by Elizabeth Bishop, Langston Hughes, Wilfred Owen, Charlotte Mew and June Jordan, central contemporary figures such as Mark Doty, Jericho Brown, Carol Ann Duffy, Kei Miller, Kae Tempest, Natalie Diaz and Ocean Vuong, alongside thrilling new voices including Chen Chen, Richard Scott, Harry Josephine Giles, Verity Spott and Jay Bernard. Curated by two widely acclaimed poets, Mary Jean Chan and Andrew McMillan, *100 Queer Poems* moves from childhood and adolescence to forging new homes and relationships with our chosen families, from urban life to the natural world, from explorations of the past to how we find and create our future selves. It deserves a place on the shelf of every reader keen to discover and rediscover how queer poets speak to one another across the generations.

of free book and audiobook summaries. Learn how a high school dropout became one of the most successful business leaders of today. As a multibillionaire, Richard Branson found success when he challenged convention and did the unexpected. Now, he's laying out his secrets for success to help future entrepreneurs and business leaders. With four decades of taking notes, failing at many endeavors, and succeeding at many more, Branson tells us what he's learned throughout his career as an entrepreneur. As you'll find out, Branson is more than just a great leader. You'll also discover how being a great listener and cultivating a passionate culture are perhaps two of the greatest skills you'll need for success. Keep reading to find out why speeches are a waste of time, how keeping it simple is key in business, and why young people are essential to a company's success.

We all know that stress is serious. If ignored too long, it becomes life-threateningly serious. Yet 83 percent of Americans are doing nothing about it. Don't be one of them. There's now a solution to stress that literally rewires your brain for a life of doing well, and being well, on your way to flourishing. The most important brain discovery in the last 400 years concerns a simple but powerful shift in attitude that can change a brain wired for stress into a brain powered for success. This specific shift literally rewires the brain to deliver the full measure of intelligence, creativity, and emotional balance that enables you to flourish instead of struggle. It's a higher state of mind anyone can attain stimulating the higher brain function that unblocks the health, wealth, and love we all desire. Fail to make this shift and you will lack the brainpower to fulfill your dreams. Your stress provoking brain will continue to dump toxic stress hormones into your system, shrinking brain mass, limiting brain bandwidth, depressing your emotional set point, and shortening your lifespan. You can solve these problems and fulfill your aspirations. *The End of Stress: Four Steps to Rewire Your Brain* guides you through an evidence-based process that achieves this powerful shift. The book is designed as a workshop-in-a-book, supported by a website of tools, audio files, and materials that make it easy.

Losing My Virginity Fifty Two Times

How I Used My Inner Self to Achieve My Goals

Binge

I Had to Lose My Virginity is a compelling story of an extraordinary woman who emerges from obscurity to become one of the successful and influential women entrepreneurs in Africa. This truly amazing story, skillfully told in a mix of poetry and vivid prose, provides intimate and insightful glimpse into a life that has defied biting poverty, personal failure and tragedy to become a remarkable portrait of success. The

reader will doubtless find this book provocative, motivating and inspiring.

A groundbreaking and very personal insight into modern sexuality. Losing our virginity - it happens to all of us. How did it happen for you? What do other people think and feel about it? In February 2007, Kate Monro went on a mission to find out. She decided to ask as many people as possible - how did you lose your virginity? Men and women, old and young, gay, straight, Christian and Muslim; the stories range from the funny and the sad to the happy and occasionally, the unbelievable. Thus was born her much reviewed blog, The Virginity Project, and now this book. How do we define the loss of our virginity? What, if any, impact does the first time have on the rest of our lives? And in some cases how do we know for sure when that moment has occurred? After all sorts of conversations with all sorts of people, Kate will reveal the truth about other people's most intimate sexual stories. She also discovers that the answers are not always as straightforward as you might think.

Like so many of her generation, Lwando Xaso came of age alongside the beginnings and growth of South Africa's constitutional democracy. Her journey into adulthood was a radically different one from that of earlier generations, marked by hope that changing perceptions would usher in a new and free society. Made in South Africa - A Black Woman's Stories of Rage, Resistance and Progress, is a vibrant collection of essays in which Lwando examines with incisive clarity some of the events that have shaped her experience of South Africa - a country with huge potential but weighed down by persistent racism and inequality, cultural appropriation, sexism and corruption, all legacies of a complicated history. As a young lawyer intent on climbing the corporate ladder, Lwando's life's direction was changed by a personal experience of the oppressive capacity of a supposedly democratic government when it unjustly fired a close family friend and mentor from a senior government position. She found herself on his legal team and the turmoil the case created within her led her to further her studies in constitutional law, and to pick up her pen and share with a wider audience her views of what was happening in her beloved country. Her outlook was further shaped by her experience of clerking at the Constitutional Court for Justice Edwin Cameron, which deepened her respect for the South African Constitution, and what it really means for a resilient people to strive continually to live up to its moral and legal standards. Lwando's writing reflects her unflinching resolve to live according to the precepts of our groundbreaking Constitution and offers a challenge to all South Africans to believe in and achieve 'the improbable'. From a Hackney council estate to the House of Lords, this is the extraordinary story of one of our greatest entrepreneurs. Alan Sugar was born in 1947 and brought up on a council estate in Clapton, in Hackney. As a kid he watched his dad struggle to support the family, never knowing from one week to the next if he'd have a job. It had a huge impact on him, fuelling a drive to succeed that was to earn him a sizeable personal fortune. Now he describes his amazing journey, from schoolboy enterprises like making and selling his own ginger beer to setting up his own company at nineteen; from Amstrad's groundbreaking ventures in hi-fi and computers, which made him the darling of the stock exchange, to the dark days when he nearly lost it all; from his pioneering deal with Rupert Murdoch to his boardroom battles at Tottenham Hotspur FC. In this compelling autobiography, he takes us into the world of The Apprentice, and describes his appointment as advisor to the government and elevation to the peerage. Like the man himself, What You See Is What You Get is forthright, funny and sometimes controversial.

From the \$25 million Virgin Earth initiative to the launch of Virgin Galactic, this is a powerful and unique look into the life of an iconic global entrepreneur.

"Wise and witty... Losing It is cringingly insightful about sex and dating and all the ways we tie ourselves into knots over both." --The New York Times Book Review A hilarious novel that Maggie Shipstead calls "charming... witty and insightful," about a woman who still has her virginity at the age of twenty-six, and the summer she's determined to lose it—and find herself. Julia Greenfield has a problem: she's twenty-six years old and she's still a virgin. Sex ought to be easy. People have it all the time! But, without meaning to, she made it through college and into adulthood with her virginity intact. Something's got to change. To re-route herself from her stalled life, Julia travels to spend the summer with her mysterious aunt Vivienne in North Carolina. It's not long, however, before she unearths a confounding secret—her 58 year old aunt is a virgin too. In the unrelenting heat of the southern summer, Julia becomes fixated on puzzling out what could have lead to Viv's appalling condition, all while trying to avoid the same fate. For readers of Rainbow Rowell and Maria Semple, and filled with offbeat characters and subtle, wry humor, Losing It is about the primal fear that you just might never meet anyone. It's about desiring something with the kind of obsessive fervor that almost guarantees you won't get it. It's about the blurry lines between sex and love, and trying to figure out which one you're going for. And it's about the decisions—and non-decisions—we make that can end up shaping a life.
