When Tai Shan and his father, Baba, fly kites from their roof and look down at the crowded city streets below, they feel free, like the kites. Baba loves telling Tai Shan stories while the kites—one red, and one blue—rise, dip, and soar together. Then, a bad time comes. People wearing red armbands shut down the schools, smash store signs, and search houses. Baba is sent away, and Tai Shan goes to live with Granny Wang. Though father and son are far apart, they have a secret way of staying close. Every day they greet each other by flying their kites???one red, and one blue???until Baba can be free again, like the kites.

Inspired by the dark time of the Cultural Revolution in China, this is a soaring tale of hope that will resonate with anyone who has ever had to love from a distance.

A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of The Book of Form and Emptiness Finalist for the Booker Prize and the National Book Critics Circle Award “A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be.” In Tokyo, sixteen-year-old Nao has decided there’s only one escape from her aching loneliness and her classmates’ bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who’s lived more than a century. A diary is Nao’s only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao’s drama and her unknown fate, and forward into her own future. Full of Ozeki’s signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, A Tale for the Time Being is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

He died at only 37 but his fans are legion. INXS singer/songwriter Michael Hutchence was the celebrated frontman of a band that was the biggest in the world. Michael’s big sister, Tina, adored him from the start. From a twelve-year-old holding him in her arms as a newborn, to being his teenage nanny, Tina remained Michael’s trusted confidant until his sudden death. Tina’s intimate and detailed telling of her brother’s story—from faltering teenager with a lip to raging rock star—blazes with love and adventure and includes the acquired brain injury that changed everything for Michael; the risky schemes that saw him named in the Paradise Papers expose of 2017; his secret philanthropy in support of East Timor; and his bliss at the birth of his only child, Heavenly Hiraani Tiger Lilly. ‘My brother roamed the world with a book in his hand and one in his suitcase,’ Tina writes, and throughout Michael a paper trail of the literature he loved gives clues to the man many see as an enigma. A cry from the heart celebrating the ‘lost boy of INXS’, Michael Hutchence, this personal and heartfelt biography reveals the incredible, rollercoaster life of Australia’s most enduring superstar and shares the private moments of an adored brother, son and father. ‘Lost boy Michael, who was my dear friend, and who is very much missed. All respect and thanks to Tina for sharing these stories and keeping the memory alive.’ Simon le Bon, songwriter / singer, Duran Duran

*Based on the true account of a boy's harrowing journey through the vast wilderness of the Katahdin Mountains, Lost on a Mountain in Maine is a gripping survival story for all ages. Twelve-year-old Donn Fendler steps away from his Boy Scout troop for only a minute, but in the foggy mountains of Maine, a minute is all it takes. After hours of trying to find his way back, a nervous and tired Donn falls down an embankment, making it impossible for him to be found. One sleepless night goes by, followed by a second . . . and before Donn knows it, almost two weeks have passed, leaving him starving, scared, and delirious. With rainstorms, black bears, and his fear of being lost forever, Donn's journey is a physically, mentally, and emotionally charged story told from the point of view of the boy who lived it. Don't miss this thrilling survival story, a proven high-interest winner that pulls in readers the way Hatchet, My Side of the Mountain, and the I Survived books do.*

*One of The New York Times Book Review's "10 Best Books of 2021" Shortlisted for the 2021 International Booker Prize A fictional examination of the lives of real-life scientists and thinkers whose discoveries resulted in moral consequences beyond their imagining. When We Cease to Understand the World is a book about the complicated links between scientific and mathematical discovery, madness, and destruction. Fritz Haber, Alexander Grohndieck, Werner Heisenberg, Erwin Schrödinger—these are some of luminaries who whose troubled lives Benjamin Libetun thrusts the reader, showing us how they grappled with the most profound questions of existence. They have strokes of unparalleled genius, alienate friends and lovers, descend into isolation and insanity. Some of their discoveries reshape human life for the better; others pave the way to chaos and unimaginable suffering. The lines are never clear. At a breakneck pace and with a wealth of disturbing detail, Labatun uses the imaginative resources of fiction to tell the stories of the scientists and mathematicians who expanded our notions of the possible.*

Stunningly-designed new editions of Toni Morrison’s best-known novels, published by Vintage Classics in celebration of her life and work. WITH A NEW INTRODUCTION BY BOOKER PRIZE WINNING AUTHOR MARLON JAMES Soon after a local eccentric leaps from a rooftop in a vain attempt at flight, Macon ‘Milkman’ Dead III is born. Brought up by his well-off black family to revere the white world around him, Milkman strives to make sense of his conflicting identities. Always seeking flight in some way, he leaves his Michigan home for the South, retracing the steps of his forebears in search of his own buried heritage and is introduced to an entire cast of strivers and seeresses, liars and assassins; the inhabitants of a fully realised black world. Evocative and kaleidoscopic, Song of Solomon is a brilliantly imagined coming-of-age tale.

Poetry. Drawings by Paul Blake. It starts as a quiet rebellion stirring in your bones. No matter what age you are, if you are woman you know the demands placed upon you to be everything for everyone all the time. With all her energy going to family, career and endless errands it is no wonder she can’t shake the feeling that somehow along the way she left behind a piece of herself. It may surprise you to know that it is much easier than you think to get back that “spark” that your younger self had so naturally. The way to her is through the Wild Feminine, a fire that burns fierce in the hearts of all women. While constraints of everyday life may have dwindled that fire, it can never be fully extinguished. Unleash will take you on a journey within, where you will kick up the ashes and find the embers still glowing. In understanding how you have arrived in this place, the patterns that keep you here, and how to break free of them you will see that living life as a passionate and wild female is exactly how your younger self always dreamed you would live. You are made of fire.

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet’s compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group’s pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become “lost boys” when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

A September morning has dawned, with only a vague tang of autumn in the air. In the green old dooryard at the Red Mill, under the spreading shade trees, two girls are shelling a great basket of dried lima beans for the winter’s store. The smaller, black-haired girl begins the conversation. “Suppose Jane Ann doesn’t come, Ruth?” “You mean on this morning train?” responded the plumper and more mature-looking girl, whose frank face was particularly attractive. “Yes.”

It's 2008, and the inauguration of President Barack Obama ushers in a new kind of hope. In Chicago, Ruth Tuttle, an Ivy-League educated Black engineer, is married to a kind and successful man. He's eager to start a family, but Ruth is uncertain. She has never gotten over the baby she gave birth to—and was forced to leave behind—when she was a teenager. She had promised her family she'd never look back, but Ruth knows that to move forward, she must make peace with the past. Returning home, Ruth discovers the Indiana factory town of her youth is plagued by unemployment, racism, and despair. As she begins digging into the past, she unexpectedly befriends Midnight, a young white boy who is also adrift and looking for connection. Just as Ruth is about to uncover a burning secret her family desperately wants to keep hidden, a heart-stopping incident strains the town's already searing racial tensions, sending Ruth and Midnight on a collision course that could upend both their lives. Powerful and unforgettable, The Kindest Lie is the story of an American family and reveals the secrets we keep and the promises we make to protect one another.*

*Kristina Olsson's mother lost her infant son, Peter, when he was snatched from her arms at a train station in the hot summer of 1950. She was young and frightened, trying to escape a brutal marriage, and in no way prepared for this final blow. Yvonne would not see her son again for nearly 40 years. Kristina was the first child of her mother's subsequent marriage and, like her siblings, grew up unaware of the reasons behind her mother's sorrow, though Peter's absence resounded through the family. Yvonne dreamt of her son by day and by night, while Peter grew up a thousand miles away, dreaming of his missing mother. The family memoir Boy, Lost tells how their lives proceeded from that shattering moment, the grief and shame that stalked them, what they lost and what they salvaged. It is the story of a family, the cascade of grief and guilt through generations, and the endurance of memory and faith.*

*In this book -- the first in more than fifty years to treat the entire body of Grimms' Tales -- Ruth B. Bottigheimer provides a thorough analysis of the stories' content, focusing in particular on the matter of gender. By combining a sociohistorical examination of the stories with close scrutiny of the language in which they are told, Bottigheimer reveals coherent patterns of motif, plot, and image and brings new insight into the moral and social vision of the collection.*

*Winner of the Women's Prize for Fiction "No one writes like Ruth Ozeki—a triumph." —Matt Haig, New York Times bestselling author of The Midnight Library "Inventive, vivid, and propelled by a sense of wonder." —TIME "If you've lost your way with fiction over the last year or two, let The Book of Form and Emptiness light your way home." —David Mitchell, Booker Prize-finalist author of Cloud Atlas A boy who hears the voices of objects all around him; a mother drowning in her possessions; and a Book that might hold the secret to saving them both—the brilliantly inventive new novel from the Booker Prize-finalist Ruth Ozeki One year after the death of his beloved musician father, thirteen-year-old Benny Oh begins to hear voices. The voices belong to the things in his house—a sneaker, a broken Christmas ornament, a piece of wilted lettuce. Although Benny doesn't understand what these things are saying, he can sense their emotional tone, some are pleasant, a gentle hum or coo, but others are snide, angry and full of pain. When his mother, Annabelle, develops a hoarding problem, the voices grow more clamorous. At first, Benny tries to ignore them, but soon the voices follow him outside the house, onto the street and at school, driving him at last to seek refuge in the silence of a large public library, where objects are well-behaved and know to speak in whispers. There, Benny discovers a strange new world. He falls in love with a mesmerizing street artist with a smug pout who uses the library as her performance space. He meets a homeless philosopher-poet, who encourages him to ask important questions and find his own voice amongst the many. And he meets his very own Book—a talking thing—who narrates Benny's life and teaches him to listen to the things that truly matter. With its blend of sympathetic characters, riveling plot, and vibrant engagement with everything from jazz, to climate change, to our attachment to material possessions, The Book of Form and Emptiness is classic Ruth Ozeki—bold, wise, poignant, playful, humane and heartbreaking.*

*A charming, clever, and quietly moving debut novel of of endless possibilities and joyful discoveries that explores the promises we make and break, losing and finding ourselves, the objects that hold magic and meaning for our lives, and the surprising connections that bind us. Lime green plastic flower-shaped hair bobbles—Found, on the playing field, Derrywood Park, 2nd September. Bone china cup and saucer—Found, on a bench in Riviera Public Gardens, 31st October. Anthony Peardew is the keeper of lost things. Forty years ago, he carelessly lost a keepsake from his beloved fiancée, Therese. That very same day, she died unexpectedly. Brokenhearted, Anthony sought consolation in rescuing lost objects—the things others have dropped, misplaced, or accidentally left behind—and writing stories about them. Now, in the twilight of his life, Anthony worries that he has not fully discharged his duty to reconcile all the lost things with their owners. As the end nears, he bequeaths his secret life’s mission to his unsuspecting assistant, Laura, leaving her his house and all his lost treasures, including an irritable ghost. Recovering from a bad divorce, Laura, in some ways, is one of Anthony’s lost things. But when the lonely woman moves into his mansion, her life begins to change. She finds a new friend in the neighbor’s quirky daughter, Sunshine, and a welcome distraction in Freddy, the rugged gardener. As the dark cloud engulfing her lifts, Laura, accompanied by her new companions, sets out to realize Anthony’s last wish: reuniting his cherished lost objects with their owners. Long ago, Eunice found a trinket on the London pavement and kept it fearfully—the years. Now, with her own end drawing near, she has lost something precious—a tragic twist of fate that forces her to break a promise she once made. As the Keeper of Lost Objects, Laura holds the key to Anthony and Eunice’s redemption. But can she unlock the past and make the connections that will lay their spirits to rest? Full of character, wit, and wisdom, The Keeper of Lost Things is heartwarming tale that will enchant fans of The Particular Sadness of Lemon Cake, Garden Spells, Mrs Queen Takes the Train, and The Silver Linings Playbook.*

*"On an island lives a boy called Peter and his band of merry lost boys, young forever. That is, unless they get sick or killed by pirates or eaten by crocodiles or unless--inexplicably--they grow old. For some of them do grow old, and nobody knows why. One of these boys is called Jamie, and he was the first boy that Peter ever brought to the island. Jamie's lived there for longer than he can remember, and it's not all fun and games. Peter thinks the boys are replaceable, that if one dies or grows up, he can swap in another from the Other Place, the place where he collects new playmates. Jamie looks out for the boys and takes care of them. He does everything Peter does not. Jamie tries to keep them alive because, to him, they matter. When Peter steals a boy who is too young, Jamie takes the boy under his wing. But Peter won't have that, for nobody will ever take Jamie from him. Ever."*
