

## Lost City Of The Templars Templar 8

Doc Holiday and his team mistakenly think their mission is accomplished when they alert President Prescott of the return of a deadly enemy they once thought they'd seen the last of. But then they learn the president fears his "Book of Secrets" may never be seen again. This time, there's no need to summon "The President's Dozen." They-and a couple of new members (and a pair of familiar allies)-are already up to their necks in danger when the mysterious and deadly threats are identified and understood. So hold on to your seat, because here they go again!

"Here stands the New Man. His conception of reality is a dance of electronic images fired into his forebrain, a gossamer construction of his masters, designed so that he will not--under any circumstances--perceive the actual. This New Man's happiness is delivered to him through a tube or an electronic connection. His God lurks behind an electronic curtain; when the curtain is pulled away we find the CIA sorcerer, the media manipulator. Jeff Keith is one of the foremost writers and researchers on political conspiracy in the world today"-- Publisher description.

Arguably one of the most provocative, puzzling, and misunderstood organizations of medieval times, the legendary Knights Templar have always been shrouded in a veil of mystery, while inspiring popular culture from Indiana Jones to Dan Brown. The order of the Knights Templar was founded by Hugh de Payens, a French nobleman from the Champagne region, along with eight of his companions, in Jerusalem around 1119. They originally consisted of a group of knights who protected Christian pilgrims travelling to the Holy Land against attack from brigands and Saracen pirates, after the crusaders captured Jerusalem in 1099. The order's full name was the "Poor Fellow-Soldiers of Christ and of the Temple of Solomon". They were given quarters next to the temple and adopted their distinctive uniform - white tunics with an eight-pointed blood-red cross. In 1129 they took monastic vows of poverty, chastity and obedience and pledged themselves ready to die for their faith. They were gradually transformed into a chivalric order of warrior-monks who fought with distinction in the Crusades. The Lost Treasure of the Knights Templar

The Templar Legion

*Reproduction of the original: Sketch of the History of the Knights Templars by James Burnes*

*The Templar Cross is the second in the Paul Christopher's John Holliday series. Some secrets are too great to bear... Army Ranger Lt. Col. John 'Doc' Holliday is teaching at West Point when he receives desperate news. His niece Peggy has been kidnapped while joining an ancient tomb excavation in Egypt. Holliday immediately sets out to locate and rescue her. But Peggy's captors belong to the Brotherhood of the Temple of Isis - murderous fanatics who worship a dead god. A trail of clues sends Holliday deep into Africa and into the heart of a conspiracy involving an ancient Egyptian legend and the darkest secrets of the Order of Templar Knights. Secrets that, once uncovered, are a death warrant . . . The Templar Cross by Paul Christopher is the second instalment in the historical thriller series following John Holliday on his quest to uncover the secrets of the ancient Templar Order. Subsequent titles include The Templar Conspiracy, Lost City of the Templars and Valley of the Templars. Paul Christopher is the pseudonym of a bestselling US novelist who lives in the Great Lakes region.*

*A comprehensive and in-depth look at the early 'flying saucer technology' of Nazi Germany and the genesis of early man-made UFOs. From captured German scientists, escaped battalions of German soldiers, secret communities in South America and Antarctica to today's state-of-the-art 'Dreamland' flying machines, the astonishing book blows the lid off the 'Government UFO Conspiracy'. Examined in detail are secret underground airfields and factories; German secret weapons; 'suction' aircraft; the origin of NASA; gyroscopic stabilisers and engines; the secret Marconi aircraft factory in South America, and other secret societies, both ancient and modern, that have kept this craft a secret, and much more.*

*The Sword of the Templar is Paul Christopher's dazzling first instalment in the new templar series. The deadliest weapon is the truth After a life on the front lines, Army Ranger John Holliday is now teaching at West Point Military Academy. But when his uncle passes away, Holliday discovers a medieval sword among his things - sinisterly wrapped in Adolf Hitler's personal battle standard. Then someone viciously burns down his uncle's house and Holliday's secret fears about the mysterious sword ring alarmingly true. Holliday must delve into the past and piece together the puzzle that was his uncle's life - his involvement with the*

*enigmatic warriors known as the Knight's Templar. But his search for answers soon becomes a race against a ruthless and cunning opponent, willing to die for their cause. Can Holliday live long enough to reveal the treacherous but critical truth? The Sword of the Templars by Paul Christopher is the first instalment in the historical thriller series following John Holliday on his quest to uncover the secrets of the ancient Templar Order. Subsequent titles include The Templar Cross and the Templar Conspiracy, Lost City of the Templars and Valley of the Templars. Paul Christopher is the pseudonym of a bestselling US novelist who lives in the Great Lakes region.*

*The Knights Templar*

*The Lost Colony of the Templars*

**A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.**

When he and his crew uncover a five-hundred-year-old society hidden in the cauldron of the Amazon, John Holliday, trailed by hostile natives and an infamous tomb raider, comes face-to-face with the legendary Ark of the Covenant.

First published in 1928, this classic -- a study of the megaliths of Spain, ancient writing, cyclopean walls, sun worshipping empires, hydraulic engineering and sunken cities -- is now back in print after 60 years. Learn about the biblical Tartessus, Atlantean city at Niebla, the Temple of Hercules and the Sun Temple of Seville, Libyans and the Cooper Age, and more.

Publishers Weekly says of the author, "BRODY DOES A TERRIFIC JOB OF WRAPPING HIS RESEARCH IN A FAST-PACED THRILL RIDE." Described as "RICH IN SCOPE AND VIVIDLY ENGROSSING" by Midwest Book Review. Evidence of the lost continent of Atlantis exists throughout the modern world. As do powerful groups who do not want Atlantis-and its secrets-to be rediscovered. Historians Cameron Thorne and Amanda Gunn stumble upon a mysterious spiral necklace and a 12,000-year-old human skull, sparking their search for Atlantis and its true legacy. But are modern-day Knights Templar and a cabal of goddess worshipers conspiring against them? Only after a whirlwind of international travel and a violent encounter with a shadowy paramilitary group do the mysteries of Atlantis finally reveal themselves. This stand-alone novel is Book #6 in the "Templars in America" Series.

The dramatic, ultimately tragic history of the Knights Templar, the largest and most powerful military order of the Crusades. Sifting myth from history, Piers Paul Read reveals the Templars - the multinational force of warrior monks, in their white tunics with red crosses over chainmail. They were not only unique among Christian institutions but constituted the first uniformed standing army in the western world and became pioneers of international banking. Expropriated by Philip IV of France in 1307, and confessing under torture to blasphemy, heresy

and sodomy, the Order was finally suppressed by Pope Clement V in 1312. In a narrative that incorporates the story of the crusades and the many colourful characters who had links with the Templars, Piers Paul Read examines the question of their guilt and identifies their relevance to our own times.

Atlantis in Spain

The Knights Templars

How Eleven Knights Created a New Country and a Refuge for the Grail

The Knights Templar in the New World

Lost City of the Templars

The New York Times bestselling author of *The Templar Brotherhood* presents the first novel in a thrilling series about the powerful secrets of the Knights Templar—and a conspiracy too shocking to believe... In a quiet English seaside town, antiquarian bookseller Robin Jessop has acquired an odd medieval volume. What appears to be a book isn't a book at all, but a cleverly disguised safe, in which she finds a single rolled parchment, written in code. For encryption expert David Mallory, the text is impenetrable. Until an invaluable clue opens the door to a mystery, and a conspiracy, stretching back seven centuries, when the most powerful man in Europe declared war on the most powerful clan, the Knights Templar. Now, Jessop and Mallory find themselves on a global hunt for an unsurpassed treasure and this much closer to the keys to secrets that could change history, topple an empire, and bury them both alive. Because they're not only the hunters. They're also the hunted.

Atlantis! The legendary lost continent comes under the close scrutiny of archaeologist David Hatcher Childress. From Ireland to Turkey, Morocco to Eastern Europe, or remote islands of the Mediterranean and Atlantic, Childress takes the reader on an astonishing quest for mankind's past. Ancient technology, cataclysms, megalithic construction, lost civilisations, and devastating wars of the past are all explored in this amazing book. Childress challenges the sceptics and proves that great civilisations not only existed in the past but that the modern world and its problems are reflections of the ancient world of Atlantis.

Determined to avenge the deaths of his niece and her fiancé and finish their work by finding a long-lost Dead Sea Scroll, retired Army Ranger John "Doc" Holliday, in doing so, stumbles upon a conspiracy linking the Catholic Church to an illicit art forgery operation involving the Nazis. By the best-selling author of *Lost City of the Templars*. Original.

THE extraordinary and romantic career of the Knights Templars, their exploits and their misfortunes, render their history a subject of peculiar interest. Born during the first fervour of the Crusades, they were flattered and aggrandized as long as their great military power and religious fanaticism could be made available for the support of the Eastern church and the retention of the Holy Land, but when the crescent had ultimately triumphed over the cross, and the religio-military enthusiasm of Christendom had died away, they encountered the basest ingratitude in return for the services they had rendered to the christian faith, and were plundered, persecuted, and condemned to a cruel death, by those who ought in justice to have been their defenders and supporters. The memory of these holy warriors is embalmed in all our recollections of the wars of the cross; they were the bulwarks of the Latin kingdom of Jerusalem during the short period of its existence, and were the last band of Europe's host that contended for the possession of Palestine.

The Lost Treasure of the Templars

Secret of the Templars

Sketch of the History of the Knights Templars

The Last Templar

*Explores some of the world's oldest and most remote countries in search of lost cities and ancient mysteries. John Henry "Doc" Holiday and the rest of "The President's Dozen" (plus one) race into the breach once again, undaunted by the deadliest odds they've ever faced. Their mission is to hunt down "The Keeper" and a man calling himself Nostradamus "The Father of Time", whose scrolls reputedly contain a secret that could rock the entire world. Modern science and medicine say that's impossible. So it's up to Doc and his team to uncover the truth, whatever it is. To do that, they must keep a date with destiny and a lady who is known by many names around the world...*

*The Templar Conspiracy is the fourth in Paul Christopher's electrifying John Holliday series. The ruthless reign of a secret power must be stopped . . . In Rome, the public assassination of the Pope by a sniper on Christmas Day sets off a massive investigation that stretches across the globe. But behind the veil of Rex Deus - the Templar cabal that silently wields power in the twenty-first century - the plot has only just begun. The cabal has a position of ultimate control in its sights - and its head, Kate Sinclair, is never going to yield her one great ambition for her US senator son, Richard Pierce Sinclair. When ex-Army Ranger John Holliday uncovers the true motive behind the Pontiff's murder, he must unlock the secrets of a modern Templar conspiracy - and unravel Kate Sinclair's deadly design. The Templar Conspiracy by Paul Christopher is the fourth instalment in the historical thriller series following John Holliday on his quest to uncover the secrets of the ancient Templar Order. Previous titles include The Sword of the Templar, the Templar Cross and The Templar Throne. Subsequent titles include Lost City of the Templars and Valley of the Templars. Paul Christopher is the pseudonym of a bestselling US novelist who lives in the Great Lakes region. The Templar Throne is the third in Paul Christopher's exciting John Holliday series. The hidden hand which rules history . . . Army Ranger John Holliday has made it his life's mission to unlock the secrets of the ruthless, ancient Templar Order, who are as renowned for their hidden wealth and power as for their desperate secrecy. In The Templar Throne his quest has him crisscrossing Europe and the US hunting for the True Ark - a box reputed to hold precious holy relics and the Templars' most powerful secrets. But Holliday's hunt is also a deadly chase. On the trail of the relics are the Vatican Secret Service, the CIA and an arcane brotherhood of Templar descendants who know just how much power the Ark holds. And they'll kill anyone in their way . . . The Templar Throne by Paul Christopher is the third instalment in the historical thriller series following John Holliday on his quest to uncover the secrets of the ancient Templar Order. Subsequent titles include The Templar Conspiracy, Lost City of the Templars and Valley*

*"Dan Jones is an entertainer, but also a bona fide historian. Seldom does one find serious scholarship so easy to read." - The Times, Book of the Year A New York Times bestseller, this major new history of the knights Templar is "a fresh, muscular and compelling history of the ultimate military-religious crusading order, combining sensible scholarship with narrative swagger" - Simon Sebag Montefiore, author of Jerusalem A faltering war in the middle east. A band of elite warriors determined to fight to the death to protect Christianity's holiest sites. A global financial network unaccountable to any government. A sinister plot founded on a web of lies. Jerusalem 1119. A small group of knights seeking a purpose in the violent aftermath of the First Crusade decides to set up a new order. These are the first Knights Templar, a band of elite warriors prepared to give their lives to protect Christian pilgrims to the Holy Land. Over the next two hundred years, the Templars would become the most powerful religious order of the medieval world. Their legend has inspired fervent speculation ever since. In this groundbreaking narrative history, Dan Jones tells the true story of the Templars for the first time in a generation, drawing on extensive original sources to build a gripping account of these Christian holy warriors whose heroism and alleged depravity have been shrouded in myth. The Templars were protected by the pope and sworn to strict vows of celibacy. They fought the forces of Islam in hand-to-hand combat on the sun-baked hills where Jesus lived and died, finding their nemesis in Saladin, who vowed to drive all Christians from the lands of Islam. Experts at channeling money across borders, they established the medieval world's largest and most innovative banking network and waged private wars against anyone who threatened their interests. Then, as they faced setbacks at the hands of the ruthless Mamluk sultan Baybars and were forced to retreat to their stronghold in Cyprus, a vindictive and cash-strapped King of France set his sights on their fortune. His administrators quietly mounted a damning case against the Templars, built on deliberate lies and false testimony. On Friday October 13, 1307, hundreds of brothers were arrested, imprisoned and tortured, and the order was disbanded amid lurid accusations of sexual misconduct and heresy. They were tried by the Pope in secret proceedings and their last master was brutally tortured and burned at the stake. But were they heretics or victims of a ruthlessly repressive state? Dan Jones goes back to the sources to bring their dramatic tale, so relevant to our own*

*times, to life in a book that is at once authoritative and compulsively readable.*

*First published in 1940, this is one of the great classics of Atlantis research. It amasses a great deal of archaeological, anthropological, historical and scientific evidence in support of a lost continent in the Atlantic Ocean. Braghine covers such diverse topics as Egyptians in Central America, the myth of Quetzalcoatl, the Basque language and its connection with Atlantis, the connections with the ancient pyramids o Mexico, Egypt and Atlantis, the sudden demise of mammoths, legends of giants and much more.*

*Robert Langdon, while at the U.S. Capital Building, finds an object encoded with five symbols, which is an ancient invitation to usher its recipient into a long-lost world of esoteric wisdom. When Langdon's beloved mentor, Peter Solomon, is kidnapped, he realizes his only hope of saving Peter is to accept this mystical invitation and follow wherever it leads him. Langdon is instantly plunged into a clandestine world of Masonic secrets, hidden history, and never-before-seen locations - all of which seem to be dragging him toward a single, inconceivable truth.*

*From the USA Today bestselling author of The Aztec Heresy A mystery that spans the past A conspiracy that lives on in the heart of an ancient order... Army Ranger Lt. Col. Reveals the existence of a Templar colony in the New World and how the explorer Verrazano, also a member of a secret society, attempted to reestablish contact with it • Explores Columbus's connection to Henry Sinclair's maps of the New World • Examines the secret alliance of Catholic Sulpicians and French Huguenots to preserve the Templar legacy • Reveals the hidden knowledge preserved in the Templar baptisteries found throughout Europe and in Newport, Rhode Island In 1524 the Italian explorer Giovanni da Verrazano was sent by the French king Francis I on an expedition ostensibly to find a shorter route to China. However, his true mission, Steven Sora suggests, was to contact a Templar colony that might have been established in Newport, Rhode Island, by Henry Sinclair at the end of the 14th century. In his

## Read Book Lost City Of The Templars Templar 8

*expedition log Verrazano recorded that his only stay on this journey was at Newport Harbor, the site of a tower built to the exact measurements of a Templar baptistery, a sacred sanctuary representing baptism and eternal life. This tower is a remnant of Sinclair's voyage to America nearly a century before that of Columbus (who had access to Sinclair's maps thanks to his wife, who was Sinclair's great-granddaughter). While Verrazano's mission succeeded in finding the tower, the colony itself eluded him. His backers then decided to resurrect the dream of Acadia--a place where they could aspire to higher knowledge without fear of Church or state--by creating a new Secret Society that included Huguenots and Catholic Sulpicians. This Company of the Holy Sacrament would lay the foundations for Montreal in an attempt to realize the ambitions of Sinclair and his Templar companions, as well as to stave off efforts by the Jesuits to transform Quebec into a fiefdom of the orthodox Church. Quebec's motto, "Je me souviens" (I remember), is a reference to this secret history.*

**Uses the principles of sacred geometry, archaeological evidence, and Native American legend to discover the site of a secret Templar settlement in Nova Scotia • Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus, but that he also established a refuge there for the Templars fleeing persecution • Shows that the Grail, the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene, was hidden in the New World In 1398, almost 100 years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded by Micmac Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century. With evidence from archaeological sites, indigenous legend, and sacred geometry handed down by the Templar order to the Freemasons, author William F. Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the**

House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755.

After nearly losing his life in Africa, retired Army Ranger and historian John Holliday is ready for some R&R back in the U.S. But when a disheveled Russian called Genrikhovich intercepts him in the airport, Holliday's homecoming will have to wait. Genrikhovich claims to know of a long-lost sword called Aos-the companion to Holliday's own Templar sword. Holliday quickly finds himself on a flight to Turkey, where he begins following a trail that will lead him to the dark heart of Russia-where the ancient Templar Order has secretly wielded power for centuries...

The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series. In 1291, a young Templar knight flees the fallen holy land in a hail of fire and flashing sword, setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master. The ship vanishes without a trace. In present day Manhattan, four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures. Emerging with a strange geared device, they disappear into the night. The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark, hidden history of the crusading knights--and into a deadly game of cat and mouse with ruthless killers--as they race across three continents to recover the lost secret of the Templars.

Overturns the long-established historical narrative about the origins and purpose of the Knights Templar • Explains how and why the Templars created Europe's first nation-state, Portugal, with one of their own as king • Reveals the Portuguese roots of key founding members, their relationship with the Order of Sion, the Templars' devotion to Mary Magdalene and John the Baptist, and the meaning and exact location of the Grail • Provides evidence of Templar holy sites and hidden chambers throughout Portugal • Includes over 700 references, many from new and rare sources Conventional history claims that nine men formed a brotherhood called the Knights Templar in Jerusalem in 1118 to provide protection for pilgrims traveling to the Holy Land. Overturning this long-established historical narrative, Freddy Silva shows that the Order of the Temple existed

a decade earlier on the opposite side of Europe, that the protection of pilgrims was entrusted to a separate organization, and that, in league with the Cistercian monks and the equally mysterious Order of Sion, the Templars executed one of history's most daring and covert plans: the creation of Europe's first nation-state, Portugal, with one of their own as king. Including over 700 references, many from new and rare sources, Silva reveals Portugal, not Jerusalem, as the first Templar stronghold. He shows how there were eleven founding members and how the first king of Portugal, a secret Templar, was related to Bernard de Clairvaux, head of the Cistercians. The author explains the Templars' motivation to create a country far from the grasp of Rome, where they could conduct their living resurrection initiation--whose candidates were declared "risen from the dead"--a secret for which the Church silenced millions and which the Templars protected to the death. Placing the intrepid Knights in a previously unknown time and place, Silva's historical narrative reveals the Portuguese roots of key founding members, their relationship with the Order of Sion, the Templars' unshakeable devotion to Mary Magdalene and John the Baptist, and how they protected a holy bloodline in Portugal. He also provides evidence of secret Templar holy sites, initiation chambers, and hidden passageways throughout Portugal, often coinciding with pagan and Neolithic temples, and explains how their most important site forms a perfect triangle with the Abbey of Mont Sion in Jerusalem and the Osirion temple in Egypt. The author also reappraises the meaning of the Grail and reveals its exact location, hidden in plain sight to this very day.
