

Love And Capital Karl And Jenny Marx And The Birth Of A Revolution

Cass Henley is a hard-edged business woman with a scarred and painful past. She sees men simply as a way to take care of physical needs, and nothing more. When her company wins the bid to survey a large portion of the UK, she discovers a massive hill in southern Scotland where her knowledge tells her there should only be flat land. She is determined to explore the oddity alone, until AJ, a handsome National Geographic's writer, asks to join her team. When her bitchy attitude doesn't dissuade him, she finally agrees. Together they discover a buried castle along with scrolls that tell of the fall of a once great Kingdom. As the startling story of Kingdom Hill unfolds, Cass realizes, for the first time in her life, she is falling in love. But, when AJ reveals something that has ended every romantic relationship he's ever had, will she be like all the rest? Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on www.kirschstonebooks.com. Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpitating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull--two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production; the bombing of Berlin; the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and other Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.

If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy-- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

In this Christian early reader, two sisters and their furry friend enjoy weekend adventures and most importantly each other. As the two sisters work and play together, early developmental routines are reinforced for young readers. Using bright colors and many pre-primer and primer words, "Goodnight Sister" will capture your budding reader's attention and encourage a love of reading.

Dead Secrets: A Jack Mango Murder Mystery---*The best way to keep a secret is to make it a dead secret.**Jack Mango thought life couldn't get much better as a respected detective in the enigmatic laboratory town of Los Alamos, New Mexico. His life changes drastically when shot while protecting the governor from an assassin's bullet. He recovers, only to have his wife die of cancer soon after.**Unable to cope, he moves his family to the central Pacific coast of California, an area of fond memories from his Army days, hoping to start anew. And, harboring a secret desire to reconnect with an old flame he rejected, bound by duty and honor to return home to his fianc**♠. Mango's first case three days into his new job as Police Chief, in the idyllic seaside town of Serrano, sets the tone. Psychiatrist Billy Morton is accused and convicted of violating his adopted daughter, Clare. Four years later, Billy is found dead on the beach shortly after being paroled from prison. Later that morning, his wife's lover, Harry Henderson, is found dead near a beached panga; the boat believed to have been transporting four thousand pounds of marijuana, off-loaded during the night.**Billy's estranged wife, Stella, ostracized by the community for her implied collusion in Clare's abuse, takes to the hills. Clare is on the lam after threatening to kill Harry, after he terminates her job for clashing publicly with Billy at the local coffee bar. She meets up with the mysterious panga boat captain and the chase is on!**Chief Jack Mango and his small, eclectic team of officers are thrust into a frustrating and frantic pursuit to find the suspects before they kill again. It doesn't help that his love life is a shambles, what with juggling a high profile career, a murder investigation, and haunting demons of love, death, and redemption.*

*Words from Ms. Torres: "I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life." "If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be encouraging and supportive. Staying away from alcohol yourself would be helpful." What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria"Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome." Deborah Thornton, SEDNET Project Mangement"Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities." Barbara Shannon, School PsychologistLast night, I received a copy of *Signing with a heavy hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres* from Ms. Torres. I opened it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel."CHANEL TORRES IS AVAILABLE FOR SPEAKING ENGAGEMENTS TO BOOK THIS SPEAKER FOR A PRESENTATION, PLEASE GO TO [advocatefortheunborn.wordpress.com](#)*

Nancy had a perfect life and the perfect husband until something was very wrong with her husband. He was shutting her out. He wouldn't ever talk to her. Brad also looked different and very distant. But the worst thing that was driving her crazy was he refused to make love to her. But worse yet, she started to see signs that there was another woman. This could not continue, This would not continue! Nancy had to do something. But what? She still Loved Brad, but if he was cheating on her, was she really still in love with him? Brad had returned from a life changing business trip. He had a hard time facing his wife. Oh, the things that had happened on the trip and the things he had done. It was just supposed to be a series of business meetings, but it ended up being a lot more than that! In fact, he would never be the same again. Brad still loved his wife. He still loved his wife so very very much. But to sleep with her, he would have to reveal what had happened to him and what he did. If he did that, then he may as well get ready to sign his divorce papers. The story develops a Love triangle as well as telling the story of Brad's descended to the deepest depths of where he never in his wildest dreams thought he would end up. Of course, there is a day reckoning that will surprise and tie up all the loose ends and bring closure and a happy end to the story. This book has language and sexual content and is intended for readers that are 18-

Single, lacking cooking skills, and too awkward to function, Isla Matthews is content to spend her nights alone, and her days struggling to keep her cute little flower shop afloat. That is until a super-hot, Australian man shows up naked in her front yard-- her new neighbor, Leo Wayland. An irritating, free spirit with no boundaries, Leo eats her food, uses her hot water, and, worst of all, saunters around shirtless, causing her to have all kinds of inappropriate thoughts about him. But as much as Leo rubs her the wrong way, Isla can't deny that he is filling up her lonely nights with his annoying smirks, making her laugh again, and daring her to change, one day at a time. Maybe, just maybe, Leo Wayland is exactly the smoldering intervention Isla needs to get her life back on track.

A Story of Love and Renewal

This book is not the same old dating BS about the differences between men and women and how they think. It's about becoming an intuitive woman, understanding and using your intuition to guide you to the right person for you, and breaking out of the dating/relationship pattern that keeps you stuck. In this book you will learn: How to spot red flags BEFORE you go on a date Why you keep dating the same guy with a different face Simple techniques to help you get over your ex, once and for all How to stop wasting time and energy on partners who aren't right for you The most overlooked step you need to take before attracting your ideal partner "Since everything in life operates by Law, you are already attracting everything into your life. When you begin to follow the tools presented in this humorous and enlightening book, you'll attract the mate of your dreams." -Bob Proctor, Author and Teacher from the movie, The Secret "The Dating Mirror will teach you how to date with your eyes wide open. Dating while seeing clearly will net a much better result." -Lissa Coffey, Bestselling Author of What's Your Dosha, Baby? Discover the Vedic Way for Compatibility in Life and Love "If you're ready to change your thinking about what's possible and are committed to using this belief, you can truly have whatever your heart desires. The Dating Mirror: Trust Again, Love Again is your ticket back to yourself. The question is: Are you going to take it?" -Adam Markel, Bestselling Author, Transformational Trainer, Attorney, and CEO of New Peaks (formerly Peak Potentials) "

Sharp-witted, always-organized Keira Graham has traded in her high tech career as a systems analyst for the whirlwind world of event planning. As she builds up her fledging business, she learns that her widowed mother has news of her own -- a serious gentleman caller! Is Keira ready for mom's new romance? When she gets a game-changing opportunity to organize a major event on a luxury Caribbean cruise, Keira turns to best pal chef Alexandria D'Agostino to help recruit famous chefs who will offer classes for foodies looking for fun in the sun as they gain cooking know-how. The cruise becomes a rollicking adventure for Keira, her sassy assistant Juliet, the entire D'Agostino clan, Keira's mother and other surprise guests. And has Keira meet her match in charismatic Cruise Director Brennan McAllister, who could have something more than keeping everything shipshape on his mind? Filled with wit, charm, and a few recipes along the way, Love on the Lido Deck brings characters to life with laugh-out-loud situations, crisp dialog and sweet romance on the high seas.

Also, if you loved Gary Chapman's 5 Love Languages or A Lifelong Love by Gary Thomas...then you'll love this book as well!

One of the most notorious works of modern times, as well as one of the most influential, Capital is an incisive critique of private property and the social relations it generates. Living in exile in England, where this work was largely written, Marx drew on a wide-ranging knowledge of its society to support his analysis and generate fresh insights. Arguing that capitalism would create an ever-increasing division in wealth and welfare, he predicted its abolition and replacement by a system with common ownership of the means of production. Capital rapidly acquired readership among the leaders of social democratic parties, particularly in Russia and Germany, and ultimately throughout the world, to become a work described by Marx's friend and collaborator Friedrich Engels as 'the Bible of the Working Class'.

Helping Children Know How Much They Are Loved and How Loveable They Are

A World War II Memoir of Love and Survival

Turn Setbacks Into Success

One man's death will change the future. Only two people can save him - if they have the courage to trust each other. Elizabeth Barritt fought hard for the life she has, finally putting the ugly memories of a childhood trapped in the foster care system behind her. She has the chance to move forward, to reach out for a new, exciting future, surrounded by the art that is her passion. All she has to do is take the first step. Enter Jackson Kane, who bursts into her life, literally out of thin air. He is a time traveler, on the hunt for a rogue agent. Colliding with Elizabeth is not on his agenda, as much as she intrigues him. When Kane is injured protecting Elizabeth from that agent, she makes a decision that will change her life, in ways she can't even begin to grasp. She takes him home. Once he is healed enough to travel, Kane goes after the agent, chasing him back to war-torn London. But his journey back takes a sideways turn, forcing Elizabeth to make another choice. She follows him into the past, to help him stop one man from changing their future. Together, they learn to trust. What they don't expect is the connection between them - a connection so strong they can't fight it, even as they try. Because how can it work, when their lives are centuries apart? *Includes an exclusive preview of First Breath, Book Two of the Love in Time series.

Brilliantly researched and wonderfully written, Love and Capital reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death. Drawing upon previously unpublished material, acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage. Through it, we see Karl as never before: a devoted father and husband, a prankster who loved a party, a dreadful procrastinator, freeloader, and man of wild enthusiasms -- one of which would almost destroy his marriage. Through years of desperate struggle, Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece, Capital. An epic narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century, Love andCapital is a surprising and magisterial account of romance and revolution -- and of one of the great love stories of all time.

Forbidden Love in the Land of Sheba

Love Is the Nature of Existence

In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

For the first time ever all three volumes of Karl Marx's foundational work on economics, Capital, has been compressed into a single volume, and for a price your pocket will love. Everyone should have access to a book as important as Capital, and that is the goal of Stief Books. This is not the fanciest edition, but it contains everything as it was intended to be. Nothing has been cut out by some bias editor's preference. Nothing has been omitted in order to save space. It's all here. This edition includes all three volumes of Marx's Capital, complete and unabridged, over 1300 annotations and footnotes, and dozens of tables and equations.The font in this edition is smaller than typical books, but that is so you may own the work in it's entirety for an affordable price. It is none the less legible, and appears in a clean two column format to make reading easier.

For so long, Hephaistos has been scorned for his inauspicious origin, and his outward appearance. Despite his kindness and diligence, he is deemed unfit to be loved, even by the Goddess of Love herself. However, the lame god comes to learn just what true love is, how little appearances can matter, and that he is indeed worthy of being loved.

Embracing Greatness: A Guide for Living the Life You Love takes the lid off previously held beliefs you have about yourself and the world around you. In this book, you'll learn how to shine a conscious light of inquiry and understanding on those beliefs. The process revealed in Embracing Greatness helps you uncover the special contributions you're meant to make in the world and action steps toward them. Get ready to transform your life - your relationships; your physical, emotional, and spiritual health; your financial freedom; your joy in life; your business and creative expression; and the ability to do what you want, when you want, where you want, and with whom you want. The global economic crisis and recession that began in 2008 had at least one unexpected outcome: a surge in sales of Karl Marx’s Capital. Although mainstream economists and commentators once dismissed Marx’s work as outmoded and flawed, some are begrudgingly acknowledging an analysis that sees capitalism as inherently unstable. And of course, there are those, like Michael Heinrich, who have seen the value of Marx all along, and are in a unique position to explain the intricacies of Marx’s thought. Heinrich’s modern interpretation of Capital is now available to English-speaking readers for the first time. It has gone through nine editions in Germany, is the standard work for Marxist study groups, and is used widely in German universities. The author systematically covers all three volumes of Capital and explains all the basic aspects of Marx’s critique of capitalism in a way that is clear and concise. He provides background information on the intellectual and political milieu in which Marx worked, and looks at crucial issues beyond the scope of Capital, such as class struggle, the relationship between capital and the state, accusations of historical determinism, and Marx’s understanding of communism. Uniquely, Heinrich emphasizes the monetary character of Marx’s work, in addition to the traditional emphasis on the labor theory of value, this highlighting the relevance of Capital to the age of financial explosions and implosions.

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

Madeline Rose is a sweet, sheltered and eternally youthful young woman of 25-the youngest child of a prominent Philadelphia neurosurgeon. Despite the unending support of a loving, close family, she battles formidable insecurities, thanks to a recent, bitter break-up with her first real boyfriend and a turbulent adolescence characterized by a few extra pounds. Unsure of her future, she struggles to live up to her potential as well as her highly educated pedigree, given her fortunate placement in an impressive ancestral heritage. Still adjusting to civilian life after four years in the United States Navy, handsome, affable and ambitious Ken Lockheart has two goals: to rise above his blue-collar, Shore town roots and to marry his true love. Though the epitome of the classic, all-American male with his boyish good looks, six-foot frame and broad, muscular body, he retains a basic humility borne of a relentless work ethic and an inner drive to succeed. When a chance encounter in a Somers Point nightclub initiates an unexpected relationship, neither one of them is prepared for the ensuing odyssey of heartbreak, personal growth and spiritual development that fuels their individual life lessons and leads them full-circle to a divinely guided conclusion.

Goodnight Sister

The Only Complete and Unabridged Edition in One Volume!

Water Signs

I Hate to Say Goodbye

Adult Version

Babies are so easy to love. It feels so natural to love a newborn child unconditionally. The love just naturally flows out of us. Nobody has to teach us. Nobody has to ask us. Nobody has to convince us.

It just happens. How wonderful it would be if we could always love, cherish, and appreciate our children as gorgeous, loving, angels. How great it would be to carry our love with us and maintain it powerfully forever. We can do that. We simply need to be nudged to remember. We just need to be reminded what we hold dear and precious. We only need to take time out for a few moments and bask in the memory (and the present moment reality) of what is so amazingly and divinely wonderful about our gifts from the divine. This book is one of those reminders. Read this to your children so they (and you) remember how much you love them.

Billy Johnson doesn't give it a second thought when he joins in with his friends making fun of a little girl in a wheelchair. Then Pauly comes into his life, and Billy not only learns a valuable lesson

about compassion and acceptance but he gets a new best friend! Grades 3-4

Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car. (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

15 year old Hana has a crush on her 20 year old cousin Farook. However, he leaves to study medicine in Scotland. Her parents force her to marry another cousin, twice her age, a fat abusive chauvinistic brute. Ten years later, she has no children, and sinks into depression. Farook returns to Sanaa to set up an eye clinic next door. She attempts suicide with sleeping pills, but Farook rushes over with his Indian nurse, with a gastric pump and rescues her. During follow up visits, the embers of her teenage love are reignited, and she declares her love to Farook, who learns about Jihad's brutality. She also confides stories about the involvement of her husband, and his brother Hamed, in arms sales, gang rapes and murder for organ harvesting from female medical students. Farook is asked to inspect the body of one such student at the university hospital morgue, and has to testify at the trial of the suspected Kenyan morgue attendant, who had escaped from Nairobi accused of armed robbery there. Farook detects a scar below the lowest rib of Faten, typically seen after nephrectomy. He is warned to keep his nose out of the case by police captain Tahhan, as well as by Gihad and Hamed. He has to choose between heeding their advice and his medical conscience. Farook also suspects that the gang rapes are committed against girls who are first made addicts of cocaine snorting, by some very prominent untouchables from the national security apparatus, and the ruling family. His suspicions are strengthened when the courageous defense lawyer of the Kenyan morgue technician is murdered, together with his wife and three children on a dirt road. Farook's loses his nurse who has to seek an abortion in her native India because Gihad bullies her into sex and gets her pregnant. As Farook begins to respond to Hana's solitude, and her advances, and begins to fall in love with her, obese hypertensive Gihad is hospitalised in the intensive care unit with massive brain hemorrhage. Hana and Farook indulge in forbidden love. But because Gihad's millions are stashed in foreign banks, Hana realizes that she is in mortal danger from Hamed, who feels entitled to the millions of his partner, Gihad, and who stands to inherit all, but only if Hana is dead. She needs to escape from the Land of Sheba before Gihad's impending but unpredictable death. In that patriarchal society, she can only hope to do so with help from a man like Farook, who is beginning to get to know many people who might help the woman he now wants to marry, to fulfill her teenage fantasies.

Highlander At Heart

Karl and Jenny Marx and the Birth of a Revolution

Ella has spent her life in a small town surrounded by loyal friends, the scent and beauty of her floral shop, and calm predictability. Everything changes when she runs over a newcomer in town. The usually level-headed businesswoman falls clumsily into a future she couldn't have predicted, and finds herself entangled with a past never forgotten. Despite her resistance, Ella tumbles through romance and comedy into the arms of the man she never imagined she'd find.

In this major theoretical statement, the author offers a new and provocative interpretation of the institutional transformations associated with modernity. We do not as yet, he argues, live in a post-modern world. Rather the distinctive characteristics of our major social institutions in the closing period of the twentieth century express the emergence of a period of 'high modernity,' in which prior trends are radicalised rather than undermined. A post-modern social universe may eventually come into being, but this as yet lies 'on the other side' of the forms of social and cultural organization which currently dominate world history. In developing an account of the nature of modernity, Giddens concentrates upon analyzing the intersections between trust and risk, and security and danger, in the modern world. Both the trust mechanisms associated with modernity and the distinctive 'risk profile' it produces, he argues, are distinctively different from those characteristic of pre-modern social orders. This book build upon the author's previous theoretical writings, and will be of fundamental interest to anyone concerned with Gidden's overall project. However, the work covers issues which the author has not previously analyzed and extends the scope of his work into areas of pressing practical concern. This book will be essential reading for second year undergraduates and above in sociology, politics, philosophy, and cultural studies.

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let’s face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

A Bridge Across Two Worlds "Nan Umrigar's astonishing and well-illustrated story will certainly open up many minds. It asks many questions and provides some answers that give new insights of life's greatest mysteries." - Reincarnation International Magazine, U. K. "I had absolutely no leanings towards spirituality or spiritualism for that matter," says Nan Umrigar. "And I must admit that the space for God remained restricted to simple visits to the Zoroastrian fire temple on birthdays and auspicious occasions. But all of this changed with the death of my son Karl, a champion jockey, whose accident on the race track of Mumbai cut short a brilliant career. After Karl's death, we felt betrayed and gave up God and religion and the belief that if you were good, kind and truthful, nothing would go wrong. My grieving family questioned the unjust hand of fate, and nothing could fill the void, till the time I met some people who communicated with their loved ones from the spirit world." Soon, Nan also began communicating with her son and received messages that were to change her life forever. Karl was determined to show his mother the way to happiness. Sounds came in from the silence - conquering the great divide and proving that there is something far beyond the life we live. Sounds of Silence traces in moving detail her joy at coming in touch with Karl once again, and her gradual introduction to Meher Baba, her son's guru in the afterlife. In Sounds of Silence Nan bares her soul, reflecting her own initial scepticism and doubts, until the weight of the evidence left her in no doubt about the reality of the messages. This is a book that challenges many concepts about life and death and particularly life after death. Originally self-published, Sounds of Silence fast became an 'underground' bestseller, and a tremendous source of strength for thousands who were drawn to it. This is a story of a mother's unrelenting hope, and of a love that never dies.

" ... The rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death, as well as a vivid account of the woman who gave him the strength to follow his dangerous course."--Jacket.

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or sup offered. Rosie is convinced that she can cope with her loss on her own and "e;needs no help from anyone, thank you"e; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.
