A twisty read following an affair between a young female teacher and male boarding school student that fans of Katerina Diamond and Louise Jensen will devour. She's a teacher. She knows the rules.

From the host of the YouTube channel that went viral—Dad, How Do I?—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

'I am reduced to a thing that wants Virginia. I composed a beautiful letter to you in the sleepless nightmare hours of the night, and it has all gone. I just miss you...'

At a dinner party in 1922, Virginia Woolf met the renowned author, aristocrat - and sapphist - Vita Sackville-West. Virginia wrote in her diary that she didn't think much of Vita's conversation, but she did think very highly of her legs. It was to be the start of almost twenty years of flirtation, friendship, and literary collaboration. Their correspondence ended only with Virginia's death in 1941. Intimate and playful, these selected letters and diary entries allow us to hear these women's constantly changing feelings for each other in their own words. Eavesdrop on the affair that inspired Virginia to write her most fantastical novel, Orlando, and discover a relationship that - even a hundred years later - feels radical and relatable. WITH A NEW INTRODUCTION FROM ALISON BECHDEL, AUTHOR OF FUN HOME AND CREATOR OF THE BECHDEL TEST.

Kathy was an overachiever-an economist, technical writer, and classical singer married 27 years to her college sweetheart. It looked like Kathy was fine. But deep within her hid a pain from infancy so severe that a cascade of adult life crises finally triggered it. And once it exploded, the pain was unbearable. Kathy was suffering attachment disorder, a psychological condition potentially affecting almost half the US population. Caused by traumatic stress in the first three years of life, attachment disorder correlates with the nation's 50 percent divorce rate and widespread mental health issues. Yet no one talks about its prevalence, so many sufferers go untreated, forced to live with their pain in silence-without a hint of its cause. This was certainly true for Kathy. But when her initial forays into psychiatric help failed, Kathy decided to treat herself. It was a mistake that almost cost her life. Told with candor and quirky, ironic humor, Don't Try This Alone will resonate with anyone suffering attachment damage. It knows no boundaries; it strikes those who believe they had wonderful childhoods as well as the obviously abused. Yet there's hope! Kathy's story also shows: help and healing are out there.

*From the internationally bestselling author of Love Her Wild comes The Dark Between Stars, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, The Dark Between Stars, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer.*

In 114 days, they trekked across 15 countries and 38 cities with nothing but their backpacks, their smartphones, and each other. Not Afraid of the Fall is the unvarnished story of their off-the-cuff journey: from cliff-jumping off Croatia's untouched coasts, to bathing with rescued elephants in Thailand; from crashing mopeds on gravelly mountain roads in Santorini, to hitchhiking with strangers in rental cars in Hungary. Part travel memoir, part love letter to those staring at the walls of a corporate cubicle, Not Afraid of the Fall is an inspiring book that captures the sweet mysteries of life on the road and an empowering narrative for anyone who has ever uttered the words "maybe next year."*

This true story of unconditional love between a Christian nurse from Kerala and a Hindu doctor from Punjab who got married in 1959 against much opposition, is in fact a tribute to joint and extended families scattered all over the globe. Sooraj Barjatya, the filmmaker writes in the Prologue for the book that "Each chapter makes you want to go home, plan a family dinner, sit and laugh together." In her Foreword, Dr. Indu Shahani, the Dean of the Indian School of Management and Entrepreneurship and former Principal of the H.R. College of Commerce and Economics in Mumbai refers to the young couple and says, "The fulfilment they gave to each other flowed out of them to their families, friends, neighbours and patients and created ever-widening circles of happiness." Young people in love can learn from the book how to win their parents and others against their alliance for religious or other reasons. The young as well as old generations will

find the book helpful to enjoy and stay up together in a joint family, in spite of space or other constraints. Do read the chapter 'Servants or Helpers' about those who enjoyed working for the author. She preferred to use the term 'Helpers' and has quite a few 'Friends' whom she helped to a great extent to come up in life. Those fond of pets will find the chapter 'Our Life with our Dogs', very touching. The chapter 'Supporting Raj' describes how spouses can support each other for having a happy and purposeful life.

From Paulo Coelho, author of the international bestseller *The Alchemist*, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of some of life's biggest questions.

Anne, a teenage girl who dreams of being a dancer suffers an obsession and becomes haunted by a ghost of a ballerina in the nineteenth century, who prefers to be called Tata, and who, like a rat, appears out of nowhere and goes beyond, literally, in a blink of an eye, twerking, trolling and twisting facts and factions, and who insists into contacting her in every possible way (even by cell phone and text messages) to tell her story. So she decides to write her story in the form of a play giving vent to her artistic vein, before the ghost dancer make her wiah to cutting the veins of them both, tormenting her from head to toe. As it were not enough many tangles and so many caveats and ties to be untied sneakers, here comes another ghost that looks like it came to torment her too. Giovanni, boyfriend and possible serial killer, and that also seems to have a deep relationship with the teenager proves to be helpful and kind to her, but everything seems to be just a clever way to conquer her world to dominate her and make she do everything he tells her to do, to insert her in their midst to be involved in the same case. Then he begins to tell the story from his point of view. Having two versions, in which one is she going to believe? And as she finishes her own story, will she be able to convey? She hopes to resolve the issue as soon as possible, before they devour or engage her further in a tangle of misunderstandings. Or she will start to disbelieve her own ears and lose herself in the path of her own acquittal tied into an emotional imbalance that at first reveals a tough ancestor line to tread. For this she will need all her courage thus find heroin in her veins, to be able to go face her faith... Or her dreadful fate.

If I really press myself, I can remember. The warning signs were there. No neon signs, mind you, just little sparks at the end of a very long string. Funny that I could have been blind enough not to realize that the string was a lighted fuse. When her boyfriend of three months, Tad Showers, proposes, twenty-six-year-old April thinks that everything in her life is finally falling into place. Between her flaky, tree-hugging mother and her she-devil boss, marriage seems like the place she'll find love and security. Tad's exactly the kind of man April wants: smart, ambitious and wildly romantic. But soon after they're married, the honeymoon ends. Tad's crazy, extravagant gestures are starting to look less romantic and more...well, just plain crazy. Is it normal for her husband to never mention his family, rack up secret credit card debt and get less sleep than your average insomniac? Are you still supposed to stand by your man, even if it turns out he isn't who you thought he was? When she promised "for richer or poorer, in sickness and in health," this isn't what she pictured. But sometimes you don't get the life you imagined. And sometimes you have to figure out how to write your own happy ending.

Love Quotes for Social Media

***basis, n. There has to be a moment at the beginning when you wonder whether you're in love with the person or in love with the feeling of love itself. If the moment doesn't pass, that's it—you're done. And if the moment does pass, it never goes that***

far. It stands in the distance, ready for whenever you want it back. Sometimes it's even there when you thought you were searching for something else, like an escape route, or your lover's face. How does one talk about love? Do we even have the right words to describe something that can be both utterly mundane and completely transcendent, pulling us out of our everyday lives and making us feel a part of something greater than ourselves? Taking a unique approach to this problem, the nameless narrator of David Levithan's *The Lover's Dictionary* has constructed the story of his relationship as a dictionary. Through these short entries, he provides an intimate window into the great events and quotidian trifles of being within a couple, giving us an indelible and deeply moving portrait of love in our time.

This is the poetry of reflection and inspiration; this is the poetry of faith, hope and happiness. This is the poetry of a beautiful life.

On 19 August 1936 Hercules the boxer stands on the quayside at Coruña and watches Fascist soldiers piling up books and setting them alight. With this moment a young carefree group of friends are transformed into a broken generation. Out of this incident during the early months of Spain's tragic civil war, Manuel Rivas weaves a colourful tapestry of stories and unforgettable characters to create a panorama of twentieth-century Spanish history. For it is not only the lives of Hercules the boxer and his friends that are tainted by the unending conflict, but also those of a young washerwoman who sees souls in the clouded river water and the stammering son of a judge who uncovers his father's hidden library. As the singed pages fly away on the breeze, their stories live on in the minds of their readers. By the end of the twentieth century certain new media had established themselves which have profoundly changed communication among lovers. SMS and email in particular have created new relational forms and forms of intimacy. From declarations of love on talk shows to televised dating games and marriage quiz shows, television offers a panoply of wildly popular theatrical communications of love. Does the neglecting of traditional communication media, such as love letters and the telephone, cause the intermingling of intimacy with the public sphere and hence the abrogation of it? From the disciplines of sociology, history, cultural and media studies and linguistics, this book offers answers to this question by analyzing and discussing new media from various perspectives. Contributions by Eva Illouz, Joachim R. Höflich, Friedrich Krotz, Helga Kotthoff, Karl Lenz, Sabine Maasen, and others.

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

*Words of Caution for Those Who Think They're Beyond Temptation* Too many Christians, especially those in ministry, believe they are untouchable--that they're too faithful to fall or too spiritual to give in to temptation. They deny any sort of weakness, fail to draw proper boundaries, and end up doing the very things they swore they'd never do. Pastor and author Brittany Rust was one such person--until she found herself in the middle of moral failure and a church-wide scandal. Bewildered, humiliated, and ashamed, she thought she was beyond redemption. But God's grace met her on the ground, and here she shares what she's learned through her painful journey. She unravels the myth of being untouchable, showing how we start to believe the lie, and how we can protect ourselves from temptation. Ultimately she shows that to truly flourish in life, you must be willing to admit weakness--and that no one is beyond God's redeeming love.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.
