

Lucky Luke Vol 36 Lucky Luke Adventures

Everyone's heard of the Gunfight at the O.K. Corral: the most famous shootout of the Old West, between the Earp brothers and Doc Holliday on the side of law and order, and the Clanton brothers and their gang. A legend told many times in books and films, in sometimes contradictory versions... Fortunately, here is the definitive version at last, restoring the unvarnished truth of what is another triumph of ... Lucky Luke!

When Lucky Luke catches the Daltons, they have a fifth person with them, a gentleman pickpocket named Fingers.

This third volume in the collection brings us to the very edge of absolute greatness, with two later, far more mature solo outings – Doc Doxey's Elixir (including Manhunt) and Phil Wire (including Lucky Luke and Pill) were first published in 1955 and 1956, and already Luke was much closer to the cowboy that we now have in mind – followed by Rails on the Prairie, the first collaboration between Morris and Goscinny, that would usher in 30 years of a legendary collaboration. These stories are prefaced by a staggering 46 pages of extra material – biographies, essays, interviews, illustrations – that will delight every fan.

After the heavily cartoon- and slapstick cinema-inspired first adventures, Morris turned towards the tradition of Westerns to flesh out his hero's world. In Under a Western Sky, Lucky Luke versus Pat Poker and Outlaws there is a lot of Hollywood and John Ford, and while Luke hasn't quite settled into his current look, he's certainly closer to the phlegmatic cowboy we know and love. Outlaws also marks the first appearance of the Daltons – the historical Dalton brothers here, who will later return as their decidedly stupider cousins. Throw in 48 pages of extra material on Morris's experience in the United States, and this is a book you won't want to miss.

Lucky Luke is a one-hundred-percent real hero of the Old West. He is squarely on the side of the law and dedicates his life to seeing that justice is done. He travels around delivering it wherever he goes, accompanied by his faithful companion, Jolly Jumper.Arriving at Fort Weaking, he changes into a formidable bandit. Why?Does his meeting with Billy the Kid, a living legend of the Old West, influence him? The Bounty Hunter

The Complete Collection

Lucky Luke - The Complete Collection - Volume 3

Oklahoma Jim

Lucky Luke - Volume 1 - Billy The Kid

Vintage Asterix! 14 new stories including tales of: The day Asterix and Obelix were born (in the middle of a village fish fight); How Obelix goes back to school; Fashion in Ancient Gaul; How Dogamatirix helps the village cockerel win a duel; And how he is adopted as a Roman mascot; Asterix as you've never seen him before; Obelix's adventures under the mistletoe; The bid for the very first Gaulish Olympics; The birth of an idea - the story of the creation of Asterix; And much, much more.

Lucky Luke, having lost his job with the pony express, joins one of the two teams building the telegraph, but the leaders have bet that the first to reach Salt Lake City will win a bonus, and it looks like Luke's team may have a saboteur.

Sarah Summers is enjoying a holiday on a Nigerian beach when a young girl named Little Bee crashes irrevocably into her life. All it takes is a brief and horrifying moment of crisis — a terrifying scene that no reader will forget. Afterwards, Sarah and Little Bee might expect never to see each other again. But Little Bee finds Sarah's husband's wallet in the sand, and smuggles herself on board a cargo vessel with his address in mind. She spends two years in detention in England before making her way to Sarah's house, with what will prove to be devastating timing. Chapter by chapter, alternating between Little Bee's voice and Sarah's, Chris Cleave wholly and caringly portrays two very different women trying to cope with events they'd never imagined. Little Bee is experiencing all the fullness and emptiness of the rich world for the first time, and her observations are hopeful, charming and piercing: "Most days I wish I was a British pound coin instead of an African girl," she says: "Everyone would be pleased to see me coming." Sarah is more cynical and disheartened, a successful magazine editor trying to find meaning in the face of turmoil at home and work. As the story develops, however, we learn about what matters most to her, including her fierce, protective love for her funny little son ("From the Spring of 2007 until the end of that long summer when Little Bee came to live with us," Sarah says, "my son removed his Batman costume only at bathtimes."). Sarah is trying to find herself as much as Little Bee is — and, unexpectedly, each character discovers a ray of hope in the other. What follows when Little Bee comes back into Sarah's life is a powerful story of reconciliation and healing, but it is mixed in with a generous helping of satire about the daily difficulties of modern life. This is a novel about important issues, from refugee policy to the devastating effects of violence, but more than that, it does something only great fiction can: Little Bee teaches us what it is like to live through experiences most of us think of only as far off disasters in the news. As ever, the author says it best: "It's an uplifting, thrilling, universal human story, and I just worked to keep it simple. One brave African girl; one brave Western woman. What if one just turned up on the other's doorstep one misty morning and asked, Can you help? And what if that help wasn't just a one-way street?" "I don't know when I've been so wowed by a new author" -Chip Health, co-author of The Power of Moments and Switch A talented journalist reveals the hidden patterns behind what we call "luck" -- and shows us how we can all improve outcomes despite life's inevitable randomness. "Do you believe in luck?" is a polarizing question, one you might ask on a first date. Some of us believe that we make our own luck. Others see inequality everywhere and think that everyone's fate is at the whim of the cosmos. Karla Starr has a third answer: unlucky, "random" outcomes have predictable effects on our behavior that often make us act in self-defeating ways without even realizing it. In this groundbreaking book, Starr traces wealth, health, and happiness back to subconscious neurological processes, blind cultural assumptions, and tiny details you're in the habit of overlooking. Each chapter reveals how we can cultivate personal strengths to overcome life's unlucky patterns. For instance: • Everyone has free access to that magic productivity app—motivation. The problem? It isn't evenly distributed. What lucky accidents of history explain patterns behind why certain groups of people are more motivated in some situations than others? • If you look like an underperforming employee, your resume can't override the gut-level assumptions that a potential boss will make from your LinkedIn photo. How can we make sure that someone's first impression is favorable? • Just as people use irrelevant traits to make assumptions about your intelligence, kindness, and trustworthiness, we also make inaccurate snap judgments. How do these judgments affect our interactions, and what should we assume about others to maximize our odds of having lucky encounters? We don't always realize when the world's invisible biases work to our advantage or recognize how much of a role we play in our own lack of luck. By ending the guessing game about how luck works, Starr allows you to improve your fortunes while expending minimal effort.

The 61st adventure of Lucky Luke, and the Old West at its funniest!

Steaming Up the Mississippi

Lucky Luke Vol 78: the Dalton Uncles

Lucky Luke - Volume 36 - The Daltons Redeem Themselves

Lucky Luke Vol. 43 the Bluefeet Are Coming!

O.K. Corral

Riding peacefully along a western trail, Lucky Luke is suddenly ambushed by an unknown assailant. After a quick gunfight, the cowboy loses his mysterious attacker, but happens upon a lone wagon beset by Apache raiders. Another quick fight later, Luke is surprised to find that the occupants of the wagon are three lovely young women! Three sisters on their way to start a new life, and who all find the lonesome cowboy ... quite interesting.

Everyone knows Joe, Jack, William and Averell Dalton, the four dumbest desperadoes in the Old West and the worst enemies of Lucky Luke's holidays. But before them, Luke had also encountered their cousins: real-life legends of the West Bob, Grat, Bill and Emmett. When these four began making too much trouble, Luke was called to get rid of them. Fortunately for him, they weren't much brighter than their successors... but they did provide plenty of entertainment!

Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of Stuart Little and The Trumpet of the Swan, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig, Humble, Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and Laura Ingalls Wilder's Little House series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.
